been tamed in ourselves persists even though that dream may seem ever more remote in contemporary life Danielle Dulsky shows that even in our high tech and high pressure lives it is possible to manifest your own year of the wild and to tap into often forgotten holy wisdom Seasons of Moon and Flame guides you to live cyclically while working with the archetype of the Sacred Hag or wild grandmother who appears in various guises Wonderfully inclusive with adaptations for families spiritual groups and other traditions this book is a potentially life changing guide to living mystically magically and in empowering harmony with the worlds of spirit and nature **Mother's Magazine** ,1833 Mothers as the Image of God Juliann Bullock,2022-12-12 Is God a man If God is our Heavenly Father does that require God to be male Does the Bible ever describe God as a mother as well as a father If human fathers can show us what God is like can we see God's image in our mothers too How do women uniquely reveal the nature of the One who created both male and female in the image of God Mothers as the Image of God explores answers to these important questions along with many others This book guides the reader on a series of biblical reflections designed to help both men and women experience the motherly love of God revealed in Scripture and to nourish women with the deep confidence that the most feminine aspects of their nature are a profound reflection of the very image of God an image that is exquisitely displayed through mothering whether that takes place biologically through adoption or by pouring into spiritual children *Times and Seasons* Uboho Bassey,2022-06-01 In her fourth collection of poems Uboho turns her attention to the Times and Seasons of our existence the inescapable transitions between our experiences Sometimes people will step into a scene of your life and think they know the whole story but the scene is not the entire story The present scene is nothing but a phase you pass through Don't stop the story just because you don't like the scene It may be just a chapter of your book It is not your destination While grappling with the desire to find meaning in life's journey we find the truth in the book of Ecclesiastes To everything there is a season and a time for every purpose under heaven God has enacted certain eternal principles regarding time In congruence with nature we all experience the four seasons of Summer winter autumn and spring In this book however the times are represented as waiting wilderness waring and winning seasons Times and Seasons is written to remind you that your dreams praise hope faith and love can carry you through every phase every season of your life You hurt and you heal you build and release and it's all part of the same process it's life Whether you are in a season of stagnation or expansion each season is a signal that you're not stuck And even though you'll lose some things like the trees lose their leaves in fall you're strong enough to keep going long after you think you can't Our individual paths are unique and when you understand time and season you will envy no one If you want to know how your present season is evolving or why the last one had to end or when the next one is coming read these poems Let them ground you in the truth that every single shifting season brings with it new life another chance and an experience you are here in the world for
