divine For a song to be included in the repertory of nigunim it must conform to Hasidic religious and aesthetic principles If brought in from the outside it must be purified stripped of its coarse outer shell usually the text and recomposed in accordance with coded musical structures including certain melody types ornamentation and formal organization Performance of nigunim adheres among other things to a process associated with the spirituality of the great Hasidic leaders of the past

Along with vivid descriptions of musical performance in religious contexts and private gatherings Koskoff details the musical sounds and structures that symbolize Lubavitcher social relations In particular she examines the differences between Lubavitcher women s and men s music making and the underlying beliefs and assumptions that give rise to gendered musical behaviors such as the dictum that prohibits men from hearing a woman sing

An insightful portrait of a distinctive community s musical and religious life Music in Lubavitcher Life is also a candid view of ethnographic research and of fieldwork s illusory objectivity

Outlook Alfred Emanuel Smith,Francis Walton,1896 *The Outlook* Lyman Abbott,Hamilton Wright Mabie,Ernest Hamlin Abbott,Francis Rufus Bellamy,1926 Stealth Altruism Arthur B. Shostak,2017-07-12 Though it has been nearly seventy years since the Holocaust the human capacity for evil displayed by its perpetrators is still shocking and haunting But the story of the Nazi attempt to annihilate European Jewry is not all we should remember Stealth Altruism tells of secret non militant high risk efforts by Carers those victims who tried to reduce suffering and improve everyone s chances of survival Their empowering acts of altruism remind us of our inherent longing to do good even in situations of extraordinary brutality Arthur B Shostak explores forbidden acts of kindness such as sharing scarce clothing and food rations holding up weakened

fellow prisoners during roll call secretly replacing an ailing friend in an exhausting work detail and much more He explores the motivation behind this dangerous behavior how it differed when in or out of sight who provided or undermined forbidden care the differing experiences of men and women how and why gentiles provided aid and most importantly how might the costly obscurity of stealth altruism soon be corrected To date memorialization has emphasized what was done to victims and sidelined what victims tried to do for one another Carers provide an inspiring model and their perilous efforts should be recognized and taught alongside the horrors of the Holocaust Humanity needs such inspiration **The Minnesota Chorale**
