Shakespeare's Land A Journey Through The:

Historicism, Psychoanalysis, and Early Modern Culture Carla Mazzio, Douglas Trevor, 2013-10-28 First published in 2000 Did people in early modern Europe have a concept of an inner self Carla Mazzio and Douglas Trevor have brought together an outstanding group of literary cultural and history scholars to answer this intriguing question Through a synthesis of historicism and psychoanalytic criticism the contributors explore the complicated nuanced and often surprising union of history and subjectivity in Europe centuries before psychoanalytic theory Addressing such topics as fetishes and Renaissances the cartographic unconscious and the topographic imaginary these essays move beyond the strict boundaries of historicism and psychoanalysis to carve out new histories of interiority in early modern Europe **Shakespeare: The Evidence** Ian Wilson, 1999-01-15 This book takes on all of the famous Shakespearean debates from whether or not Shakespeare actually wrote his plays to speculation regarding his sexuality to the mysterious curse he set upon his own grave Publisher *Shakespeare's Land: Being a Description of Central and Southern Warwickshire* C.J. Ribton-Turner, 1893

Profiling Shakespeare Marjorie Garber, 2008-03-25 The title of this collection Profiling Shakespeare is meant strongly in its double sense These essays show the outline of a Shakespeare rather different from the man sought by biographers from his time to our own They also show the effects the ephemera the clues and cues welcome and unwelcome out of which Shakespeare's admirers and dedicated scholars have pieced together a vision of the playwright whether as sage psychologist lover theatrical entrepreneur or moral authority This collection brings together classic pieces hard to find chapters and two new essays Here Garber has produced a book at once serious and highly readable ranging broadly across time periods early modern to postmodern and touching upon both high and popular culture Contents Preface 1 Shakespeare's Ghost Writers 2 Hamlet Giving Up the Ghost 3 Macbeth The Male Medusa 4 Shakespeare as Fetish 5 Character Assassination 6 Out of Joint 7 Roman Numerals 8 Second Best Bed 9 Shakespeare's Dogs 10 Shakespeare's Laundry List 11 Shakespeare's Faces 12 MacGuffin Shakespeare 13 Fatal Cleopatra 14 What Did Shakespeare Invent 15 Bartlett's Familiar Shakespeare

Symptoms of Culture Marjorie B. Garber, 1998 On modern culture **William Shakespeare: His Homes and Haunts** S. L. Bensusan, 2021-04-25 In William Shakespeare His Homes and Haunts S L Bensusan embarks on an evocative literary journey through the landscapes that shaped the life and genius of the Bard Bensusan's richly descriptive prose invites readers to traverse the rural heart of Stratford upon Avon alongside a plethora of locations significant to Shakespeare's life and works The book's meticulous attention to historical detail and its blend of biographical narrative and vivid scenery expertly situate Shakespeare within the cultural context of Elizabethan England an era brimming with artistic revolution and social change S L Bensusan a fervent Shakespearean scholar and dedicated tour guide draws upon a wealth of historical knowledge and personal experience to breathe life into Shakespeare's surroundings His passion for the subject matter shines through illuminating not just the physical spaces but the spirit of creativity and tumult that informed Shakespeare's writing

Bensusan s own travels and explorations across England s literary landscape reinforce his deep connection to Shakespeare offering readers a personal lens through which to appreciate the playwright s enduring legacy This book is a captivating read for anyone intrigued by Shakespeare blending history literature and travel into an engaging exploration of his life Whether you are a devoted scholar of Shakespeare or a casual reader Bensusan s work serves as a compelling guide deepening your understanding and appreciation of one of the greatest writers in the English language In Shakespeare's Land Alfred Leslie Rowse, John Hedgecoe, 1986 **Finding Lists of the Chicago Public Library, 1889-1895** Chicago Public Library, 1895 **Shakespeare's Friends** Kate Emery Pogue, 2006-01-30 Taking seriously the commonplace that a man is known by the company he keeps and particularly by the company he keeps over his lifetime one can learn more about just about anyone by learning more about his friends By applying this notion to Shakespeare this book offers insight into the life of the most famous playwright in history and one of the most elusive figures in literature The book consists of sketches of Shakespeare s contact and relationships with the people known to have been close friends or acquaintances revealing aspects of the poet s life by emphasizing ways in which his life was intertwined with theirs Though it is difficult to get to know this most famous of playwrights through this work readers can gain insight into aspects of his life and personality that may otherwise have been hidden Shakespeare more than any other writer in the western world based much of his work on the consequences of friendship Given the value placed on friends in his writing many readers have wondered about the role friendship played in his own life This work gives readers the chance to learn more about Shakespeare s friends who they were and what they can tell us about Shakespeare and his times For instance Richard Field was a boyhood friend with whom Shakespeare went to school in Stratford Field became a well known London printer The details of Field s life illuminate both the details of Shakespeare s boyhood education and the poet s relationship with the printing publishing and book selling world in London Francis Collins a lawyer who represented Shakespeare in a number of legal dealings drafted both versions of Shakespeare s will This life long friend was one of the last men eve to see Shakespeare pick up a pen to write Through these vivid and animated sketches readers will come to know about Shakespeare s life and times While the book has a lively accessible narrative tone within chapters its organization and features make it highly useful to the school library market as well as the academic world It contains cross references a detailed Table of Contents and a highly organized structure with uniformity across sections and chapters The writing is accessible and could be easily used by upper level high school students looking to augment school assignments Macbeth Before Shakespeare Benjamin Hudson, 2023 Macbeth before Shakespeare is a history of the medieval King Macbeth and his legend that was the basis for William Shakespeare s Tragedie of Macbeth It traces the life of the real man and his important innovations while showing how different legends were created in subsequent eras *The Shakespeare Classics: Shakespeare's Plutarch* , 1909 **My Shakespeare** Greg Doran, 2023-04-20 THE TIMES BEST BOOKS OF THE YEAR This book charts the personal and professional journey of Greg

Doran Artistic Director of the Royal Shakespeare Company from 2012 until 2022 and one of the great Shakespearians of his generation Sunday Times During his illustrious career Doran has directed or produced all of the plays within Shakespeare's First Folio a milestone reached in the same year that the world celebrates the 400th anniversary of its original publication Each chapter looks at a different play considering the choices made and weaving in both autobiographical detail and background on the RSC as well as giving insights into key collaborations including those with actors such as Judi Dench David Tennant Harriet Walter Patrick Stewart Simon Russell Beale Paterson Joseph and Doran's husband the late Antony Sher as well as seminal practitioners such as Cicely Berry John Barton and Terry Hands The book also includes 16 striking pages with stills from some of the RSC plays Through Doran's account of this extraordinary journey we see how Henry VIII initially regarded as a poisoned chalice became his lucky break how the tragedy of 9/11 unfolded during a matinee of King John and how the language of the play went some way in helping to articulate the unfathomable how a RSC supporter bequeathed their skull to the company to be used as Yorick in Hamlet how meeting Nelson Mandela inspired the production of Julius Caesar how Falstaff was introduced to China for the very first time and how arachnophobia informed the production of Macbeth This book uniquely captures the excitement energy surprises joys and agonies of working on these greatest of plays sheds new light on these plays through Doran's own research and discoveries made in the rehearsal room and gives unprecedented access into the craft life and loves of this exceptional director My Shakespeare is also available in audiobook format from audiobook retailers

The Private Life of William Shakespeare Lena Cowen Orlin, 2021-08-26 A new biography of William Shakespeare that explores his private life in Stratford upon Avon his personal aspirations his self-determination and his relations with the members of his family and his neighbours The Private Life of William Shakespeare tells the story of Shakespeare in Stratford as a family man The book offers close readings of key documents associated with Shakespeare and develops a contextual understanding of the genres from which these documents emerge It reconsiders clusters of evidence that have been held to prove some persistent biographical fables It also shows how the histories of some of Shakespeare's neighbours illuminate aspects of his own life Throughout we encounter a Shakespeare who consciously and with purpose designed his life Having witnessed the business failures of his merchant father he determined not to follow his father's model His early wedding freed him from craft training to pursue a literary career His wife's work and probably the assistance of his parents and brothers enabled him to make the first of the property purchases that grounded his life as a gentleman With his will he provided for both his daughters in ways that were suitable to their circumstances Anne Shakespeare was already protected by dower rights in the houses and lands he had acquired His funerary monument suggests that the man of small Latin and less Greek in fact had some experience of an Oxford education Evidences are that he commissioned the monument himself
