techniques **Hark!** Ed McBain,2004-08-04 Ed McBain concocts a brilliant and intricate thriller about a master criminal who haunts the city with cryptic passages from Shakespeare directing the detectives of the 87th Precinct to a future crime if only they can figure out what he means The 87th Precinct gets a visit from one of the city s most accomplished criminals a thief known as the Deaf Man Because he might be deaf Or he might not So little is known about the man who is harassing Detective Steve Carella with puzzling messages that it is hard to tell But as soon as a pattern emerges the detectives of the 87th are forced to hit the books and brush up on their Shakespeare because each new clue contains a line from one of his works Unless they can crack the complicated riddles and beat the Deaf Man at his own cat and mouse game someone is going to end up hurt or something will be stolen or both It s always so hard to tell with the Deaf Man Ed McBain brings his most intelligent and devious criminal back to the 87th Precinct with a richly plotted and literary crime *Shakespeare's Book* Chris Laoutaris,2023-03-30 The never before told story of how the makers of The First Folio created Shakespeare as we know him today 2023 marks the 400 year anniversary of the publication of Mr William Shakespeare s Comedies Histories Tragedies known today simply as the First Folio It is difficult to imagine a world without The Tempest Twelfth Night Antony and Cleopatra The Winter s Tale and Macbeth but these are just some of the plays that were only preserved thanks to the astounding labor of love that was the first collected edition of Shakespeare s plays When the First Folio hit the bookstalls in 1623 nearly eight years after the dramatist s death it provided eighteen previously unpublished plays and significantly revised versions of close to a dozen other dramatic works many of which may not have survived without the efforts of those who backed financed curated and crafted what is arguably one of the most important conservation projects in literary history Without the First Folio Shakespeare is unlikely to have acquired the towering international stature he now enjoys across the arts the pedagogical arena and popular culture Its lasting impact on English national heritage as well as its circulation across cultures languages and media makes the First Folio the world s most influential secular book But who were the personalities behind the project and did Shakespeare himself play a role in its inception Shakespeare s Book The Story Behind the First Folio and the Making of Shakespeare charts for the first time the manufacture of the First Folio against a turbulent backdrop of seismic political events and international tensions which intersected with the lives of its creators and which left their indelible marks on this ambitious publication project This story uncovers the friendships bonds social ties and professional networks that facilitated the production of Shakespeare s book as well as the personal challenges tragedies and dangers that threw obstacles in the path of its chief backers It reveals how Shakespeare himself before his death may have influenced the ways in which his own public identity would come to be enshrined in the First Folio shaping his legacy to future generations and determining how the world would remember him not of an age but for all time Shakespeare s Book tells the true story of how the makers of the First Folio created Shakespeare as we know him today **Anatomy of Design** Steven Heller,Mirko Ilic,2009-03-01 DIVAnatomy of Design dissects fifty examples of graphic design piece by piece revealing an array of
