Shalom ,1972 **Our Father Abraham** Marvin R. Wilson,2021-06-29 Although the roots of Christianity run deep into Hebrew soil many Christians remain regrettably uninformed about the rich Jewish heritage of the church Our Father Abraham delineates the vital link between Judaism and Christianity exemplified by the common ancestry of the two faiths traceable back to Abraham Marvin Wilson calls Christians to reexamine their Semitic heritage to regain a more authentically biblical understanding of what they believe and practice Wilson a trusted voice among both Jews and Christians speaks to both past and present first developing a historical perspective on the Jewish origins of the church and then discussing how the church can become more attuned to the Hebraic mindset of Scripture Drawing from his own extensive experience he also offers valuable practical guidance for salutary interaction between Christians and Jews Discussion questions at the end of each chapter make this book especially suitable for use in groups Christian Jewish or interfaith as readers strive to make sense of their own faith in connection with the other The second edition of Our Father Abraham features a new preface an expanded bibliography of recent relevant works and two new chapters one that discusses Jewish Christian relations after the Holocaust and another that reflects on Wilson s own fifty plus year career as an evangelical Christian deeply committed to interfaith dialogue As Christians and Jews feel a growing need for mutual support in an increasingly secular Western world Wilson s widely acclaimed book will offer encouragement and wise guidance toward this worthy end An American Jewish Odyssey Cipora O. Gonzo Judaism Niles Goldstein, 2006-09-05 Gonzo journalist Hunter S Thompson transformed his field with an audacity that did not always sit well with his publishers Gonzo Judaism embraces that same spirit challenging today's Jews to reclaim their rebel roots even if the consequences of their actions are disquieting to the leaders of a largely complacent Jewish establishment Rabbi Niles Elliot Goldstein explores how this revolutionary drive can reshape and revitalize contemporary Judaism a Judaism many find out of touch and irrelevant His fresh maverick approach urges us to take risks and think freely but also to look back into the past in order to move forward into our future Gonzo Judaism offers practical tools for creating a more accessible meaningful and celebratory Jewish life Learn why the current nostalgia and fear based Judaism has utterly failed to resonate with the modern Jew Discover how to gain inspiration both inside and outside the conventional synagogue setting Become a spiritual archaeologist and recover powerful practices that have been lost over the centuries This isn't your run of the mill Judaica book It is a bold no holds barred manifesto that meets us where we are a much needed and daring work that re-vision's Jewish identity community holidays and ritual written with both the credibility of an insider toiling in the trenches and the piercing insight of an outsider observing from the margins Gonzo Judaism is required reading for anyone in search of an adventurous but authentic path toward spiritual growth and religious wisdom The Book of Our Heritage Eliyahu Ki Tov, 1996
