*Struggles for Shalom* Laura Brenneman, Brad D. Schantz, 2014-04-23 *Struggles for Shalom* is a collection of essays by biblical scholars about peace justice and violence in ancient Jewish and Christian texts written to honor the life work of Mennonite scholars Perry B Yoder and Willard M Swartley In this volume twenty three authors colleagues former students friends and others influenced by Yoder s and Swartley s scholarship add to the honorees work in appreciation for their shared focus on biblical texts lessons of peace Specific texts and topics include Eccl 3 1 9 and time for war Ezek 14 12 23 and God s retribution Luke 22 31 61 and Peter s sword the temple cleansing episodes in John 2 and Mark 11 sectarianism and violence in manuscripts from the Dead Sea violence in creation in the Hebrew Bible Chronicles as utopian literature peace and violence in Paul s writings and globalization in biblical studies This collection is diverse and ambitious For church and academy and for anyone curious about what Scripture has to say about peace and violence this book delivers focused study of peace and violence across the Testaments Contributors Wilma Ann Bailey Jo Ann A Brant Laura L Brenneman Jacob W Elias Reta Halteman Finger Michael J Gorman Nancy R Heisey Paul Keim Christopher Marshall Safwat Marzouk Douglas B Miller Ben C Ollenburger Dorothy M Peters David Rensberger Andrea Dalton Saner Brad D Schantz Mary H Schertz Steven Schweitzer Willard M Swartley Jackie Wyse Rhodes Joshua Yoder Perry B Yoder Thomas R Yoder Neufeld Paul Yokota Gordon Zerbe

**Shalom** Perry Yoder, 2017-03-24 The biblical challenge of shalom is one which ought to draw all Christians together in a common struggle so that God s will might be done and God s kingdom might come on earth as it is in heaven People as well as structures need to be transformed People who are caught in oppressive structures need to be liberated from the values and perspectives inculcated by these structures The shalom maker as a result is involved in a mission of conversion converting people to a new understanding and way of life This conversion based on God s love for them in Jesus frees them from old patterns of thought If we struggle for shalom we shall suffer because we are actively confronting and resisting the structures of oppression and working for the liberation of powerless and oppressed people Shalom love is not love at a distance not love in the abstract not love in the rocking chair it is the love of confrontation of strike of protest and of disobedience to the structures of violence Shalom love is suffering love because it is militant love struggling for human liberation justice and shalom which is God s will for our world [The Israeli Peace Movement](#) Tamar S.

Hermann, 2009-09-14 This book discusses the predicament of the Israeli peace movement which paradoxically following the launching of the Oslo peace process between Israel and the Palestinians in 1993 experienced a prolonged fatal decline in membership activity political significance and media visibility After presenting the regional and national background to the launching of the peace process and a short history of Israeli peace activism the book focuses on external and internal processes and interactions experienced by the peace movement after some basic postulates of its agenda were actually although never explicitly embraced by the Rabin government The book concludes that despite its organizational decline and

the zero credit given to it by the policy makers in retrospect it appears that the movement contributed significantly to the integration of new ideas for possible solutions to the Middle East conflict in the Israeli mainstream political discourse

**Covenant of Peace** Willard M. Swartley, 2006 One would think that peace a term that occurs as many as one hundred times in the New Testament would enjoy a prominent place in theology and ethics textbooks Yet it is surprisingly absent Willard Swartley's *Covenant of Peace* remedies this deficiency restoring to New Testament theology and ethics the peace that many works have missed In this comprehensive yet accessible book Swartley explicates virtually all of the New Testament relating peace and the associated emphases of love for enemies and reconciliation to core theological themes such as salvation christology and the reign of God No other work in English makes such a contribution Swartley concludes by considering specific practices that lead to peacemaking and their place in our contemporary world Retrieving a historically neglected element in the Christian message *Covenant of Peace* confronts readers anew with the compelling New Testament witness to peace

*Peace* Antony Adolf, 2013-05-08 How peace has been made and maintained experienced and imagined is not only a matter of historical interest but also of pressing concern *Peace A World History* is the first study to explore the full spectrum of peace and peacemaking from prehistoric to contemporary times in a single volume aimed at improving their prospects By focusing on key periods events people ideas and texts Antony Adolf shows how the inspiring possibilities and pragmatic limits of peace and peacemaking were shaped by their cultural contexts and in turn shaped local and global histories Diplomatic pacifist legal transformative non violent and anti war movements are just a few prominent examples Proposed and performed in socio economic political religious philosophical and other ways Adolf's presentation of the diversity of peace and peacemaking challenges the notions that peace is solely the absence of war that this negation is the only task of peacemakers and that history is exclusively written by military victors Without the victories of peacemakers and the resourcefulness of the peaceful he contends there would be no history to write This book is essential reading for students scholars policy shapers activists and general readers involved with how present forms of peace and peacemaking have been influenced by those of the past and how future forms can benefit by taking these into account

**Peace of the City** Terence Schilstra, 2021-04-30 Beyond the principles of this handbook the heart and themes of the book articulate the faithful pilgrimage of a community on mission Jesse Sudirgo Tyndale professor and Director of the Church in the City Masters of Divinity Program This book offers the reader genuinely practical step by step advice on what it looks like to lead a community on mission Jared Siebert New Leaf Network *Peace of the City A Handbook for Missional Communities* offers a selection of missional practices for any Christian small group or missional community seeking to love their community in the name of Jesus Each missional practice proceeds from the heart of Scripture the life of Jesus real life experiences and the history of the church including Benedictine and Franciscan missional practice

*The Church's Peace Witness* Marlin E. Miller, 1994 Should Christians be involved in making war This ever present issue gets new attention here within the context of

ecumenical discussion Seven chapters of this volume were originally prepared for the 1991 Faith and Order Consultation on the Apostolic Faith and the Church's Peace Witness Includes a selected bibliography of works on the church's diverse answers to questions of war and peace *All the Divine Names and Titles in the Bible* Herbert Lockyer, 1988-09-27 This is a unique classification of all scripture designations of the three persons of the Trinity In this exhaustive study one becomes acutely aware that the riches of God's self-revelation are inexhaustible

**Story-Formed Pathways to Peace** Dalton Reimer, 2018-09-11 The book *Story-Formed Pathways to Peace* calls readers to action around a single vision making peace a reality It draws on the unexpected power of stories to transform the world The stories retold here have resonated through the ages not only with those religious but also with thinkers artists musicians and others who have seen in them universal patterns of behavior Now retold with commentary as seen through the lens of conflict and peacemaking they illuminate pathways to peace as relevant today as when first told Each chapter is fronted with imagined headlines of the ancient story with actual parallel headlines from the present thus highlighting this connection of past and present It is then in going back that pathways toward peace are illuminated for the present and future The wisdom tradition of sacred texts is hereby extended

*Love [Your City]* Jacob Bloembergen, 2020-02-07 What if the church in your city becomes known for its love God is on the move and doing a new thing around the globe Citywide movements and global urban mission are two merging trends turning the church inside out In cities worldwide the church is becoming known for its love like Jesus said How can you start such a movement in your city town or community Most urban mission textbooks are written from and for a Western context but this book is different Jacob Bloembergen shares the story of Love Hanoi a campaign-turned movement that has been enjoying success since 2012 in the capital city of Vietnam In this book he provides the theological foundation of building the city and explains how urban mission concepts can be adapted for citywide movements in any cultural context Love Your City also features practical tools and helpful tips for students practitioners and mission leaders so that they too can start transforming their cities and making the church known for its love

**A Prophetic Peace** Alick Isaacs,2011-09-06 Real philosophy for the real world if you re interested in peace read it Ebor Challenging deeply held convictions about Judaism Zionism war and peace Alick Isaacs s combat experience in the second Lebanon war provoked him to search for a way of reconciling the belligerence of religion with its messages of peace In his insightful readings of the texts of Biblical prophecy and rabbinic law Isaacs draws on the writings of Ludwig Wittgenstein Jacques Derrida Abraham Joshua Heschel and Martin Buber among others to propose an ambitious vision of religiously inspired peace Rejecting the notion of Jewish theology as partial to war and vengeance this eloquent and moving work points to the ways in which Judaism can be a path to peace A Prophetic Peace describes an educational project called Talking Peace whose aim is to bring individuals of different

views together to share varying understandings of peace

**Explorations in African Biblical Studies** David T.

Adamo,2001-06-29 Finally I have managed to read the Manuscript of your book Exploration in African Biblical Studies I read it with much and personal interest You have taken up a set of very interesting and important issues which relate directly to the theological tasks of the Church in Africa I appreciate the contributions you are making in this area informative challenging and stimulating They show a good grasp of Biblical knowledge so that you speak with a good measure of authority As the book is a collection of essays each would need to be judged on its own merit There is no clear flowing link between them so as to form a unit I liked especially your treatment of African Cultural Hermeneutics This area has not received much attention and your essay would be instrumental in opening the way in that direction I do not feel so comfortable about the essay dealing with African American Hermeneutics My general feeling is that this is an area for African Americans to handle just as areas dealing directly with Africa should be left to us to tackle The essay on Cush Africa in the Old Testament is fascinating and informative You have made a very good case which among other things demolishes the Anti Africa attitude of many Western scholars What you have demonstrated here should be said a hundred times over and be said in the great centres of Biblical study the world over Professor J S Mbiti Germany Teaching Mitzvot Barbara Binder Kadden,Behrman House,Bruce Kadden,2005-06 This exceptional guide for learning and teaching about mitzvot offers overviews of 41 mitzvot in six areas holidays rituals word and thought tzedakah gemilut chasadim and ahavah All school programs for each mitzvah and more than 600 activities spanning all grade levels help you implement creative classroom techniques and enrich your students experiences **Word, Silence, and the Climate Emergency** Timothy J.

Gorringer,2020-11-18 Word Silence and the Climate Emergency God Ekklesia and Christian Doctrine is an exposition of Christian doctrine taking into account the current global emergency Gorringer grounds our knowledge of God first in the revelation to the prophets and specifically in their political stance but above all in Jesus of Nazareth God or the NAME Gorringer argues is the antithesis of all the gods of projection known in the silence of the cross and of the isolation cell In a Triune format the nature of God and the discourse of creation and providence are first considered before turning to the claim that God was in Christ The final third of the book considers the nature and task of ekklesia especially in the light of the global emergency which Gorringer argues is a confessional issue and the heart of ekklesia s present concern **The Israeli Peace**

**Movement** Leonie Fleischmann,2019-09-19 The Israeli peace movement has been in decline since the 2000s In particular the liberal Zionist groups who call for peace for the sake of the security and continuity of Israel have become paralysed and almost voiceless since the second Intifada However despite the stagnation around the Israeli Palestinian Peace Process this book argues that other important groups have emerged that present new ways to challenge the status quo These are radical groups that act in solidarity with the Palestinians and human rights organisations and whose aim is to reveal the realities of the occupation and hold the government to account Leonie Fleishmann argues that these groups have been and remain the

agenda setters pushing the more moderate groups to mobilise more quickly and encouraging them to take up more confrontational ideas Using social movements theory and based on 50 interviews and participant observation this book sheds light on contemporary Israeli peace activism
