Shamanic Wisdom In The Pyramid Texts The Mystical Tradition Of Ancient Egypt:

Shamanic Wisdom in the Pyramid Texts Jeremy Naydler, 2004-12-09 A radical reinterpretation of the Pyramid Texts as shamanic mystical wisdom rather than funerary rituals Reveals the mystical nature of Egyptian civilization denied by orthodox Egyptologists Examines the similarity between the pharaoh's afterlife voyage and shamanic journeying Shows shamanism to be the foundation of the Egyptian mystical tradition To the Greek philosophers and other peoples of the ancient world Egypt was regarded as the home of a profound mystical wisdom While there are many today who still share that view the consensus of most Egyptologists is that no evidence exists that Egypt possessed any mystical tradition whatsoever Jeremy Naydler's radical reinterpretation of the Pyramid Texts the earliest body of religious literature to have survived from ancient Egypt places these documents into the ritual context in which they belong Until now the Pyramid Texts have been viewed primarily as royal funerary texts that were used in the liturgy of the dead pharaoh or to aid him in his afterlife journey This emphasis on funerary interpretation has served only to externalize what were actually experiences of the living not the dead king In order to understand the character and significance of the extreme psychological states the pharaoh experienced states often involving perilous encounters with alternate realities we need to approach them as spiritual and religious phenomena that reveal the extraordinary possibilities of human consciousness It is the shamanic spiritual tradition argues Naydler that is the undercurrent of the Pyramid Texts and that holds the key to understanding both the true nature of these experiences and the basis of ancient Egyptian mysticism

consciousness of the heart an innate knowledge of the entirety of the universe While all human beings possess this consciousness of the heart our modern culture has largely lost the ability to tap into this inborn knowledge By examining the material accomplishments of ancient Egypt and how their seemingly deeper awareness of their inner world created a harmonious outer world we can begin to understand how modern psychotherapy through a Jungian perspective could be instrumental in achieving a more profound and meaningful personal experience of life Ancient Egypt and Modern Psychotherapy will be insightful reading for analytical psychologists in practice and in training Jungian psychotherapists and psychologists and academics and students of Jungian and post Jungian studies and ancient spirituality *Shamanic Mysteries of Egypt* Nicki Scully,Linda Star Wolf,2007-03-20 A book of wisdom teachings and rituals that invoke ancient Egyptian deities to awaken human consciousness Provides guided shamanic visualizations to invoke 26 of the most significant gods Takes the reader through shamanic portals of death rebirth and illumination Reconciles internal conflict through a sacred marriage of heart and mind In *Shamanic Mysteries of Egypt* Nicki Scully and Linda Star Wolf renew humanity's connection to the ancient gods of Egypt the neteru Voices from these divine ancestors remind us of the healing power of the heart and call us to bring their consciousness into the present to help us remember our true nature as divine humans with sacred purpose The authors provide rituals meditations and rites of passage to help us meet our personal and planetary challenges with grace wisdom and love The shamanic initiations provided are invoked directly experienced and transformed into embodied wisdom that awakens consciousness and illumines the intelligence of the heart Scully and Star Wolf focus their rituals on 26 of the primary divine entities that preside over the ancient mysteries whose roots are in Old Kingdom and pre historic Egypt This fresh interpretation of ancient mysteries unites the energies of Thoth and Anubis to guide us through the current cycle of Earth changes and to help us remember who we really are at heart Through these passages Anubis lives up to his ancient title as the Opener of the Way and Thoth as the Architect of Higher Learning Together they evoke their power to unite heart and mind in the sacred marriage that brings transformation renewal and the awakening of consciousness *The Union of Isis and Thoth* Normandi Ellis,Nicki Scully,2015-11-17 An initiatic guide to temple construction on the spiritual and physical planes Details the initiations for consecrating yourself as a divine vessel Guides you in building a sacred inner temple for connecting with the gods of Egypt Delivers shamanic journeys and initiations on ascension shamanic death and renewal soul retrieval and healing multidimensional realities and more Deep within each of us lives a primal memory of a time when the natural world was recognized as divine and our temples were built from sacred materials enlivened through magic Temples were not places you visited once a week they were centers of community divine work healing and wisdom places where Heaven and Earth meet This union of Heaven and Earth the sacred temple is also a union of Thoth and Isis the Egyptian god of wisdom and the creative cosmic force and the Egyptian goddess of civilizing knowledge Their relationship established the celestial teachings on Earth for Thoth taught Isis all the mysteries

and magic she knows and Isis acted as Thoth's instrument to deliver the teachings in a form humanity could use. In this initiatic guide to temple building on the spiritual and physical planes Normandi Ellis and Nicki Scully explain how to create a communal spiritual structure for connecting with the ancient Egyptian pantheon as well as how to consecrate yourself and become a vessel suitable for divine wisdom and a home for your personal gods. The authors detail the construction, shamanic visioning and ritual consecration of a Moon Temple dedicated to Thoth. They explore teachings that help you develop relationships with the Egyptian neteru and realize your place within the family of the Egyptian pantheon. They guide you as you create your inner heart temple, the adytum, a safe place in which to receive guidance and access your higher spiritual bodies and oracular gifts. They provide shamanic journeys and initiations on ascension, shamanic death and renewal, soul retrieval and healing multidimensional realities and more. By creating a sacred temple within and without, we each can take part in the union of Isis and Thoth and restore the magic of the Egyptian mysteries to our time. *Shamanic Egyptian Astrology* Linda Star Wolf, 2010

Invoking the Scribes of Ancient Egypt Normandi Ellis, Gloria Taylor Brown, 2011-10-28. Tools to powerfully write about and manifest your life using the power found in the sacred sites of ancient Egypt. Reveals how to create meaning from one's life experiences and manifest new destinies through spiritual writing. Contains meditations and creative writing exercises exploring sacred themes in the Egyptian Book of the Dead and other hieroglyphic texts of ancient Egypt. Shares transformative and inspiring pieces written by those who've attended the authors' Egyptian sacred tours. Within each of us is a story, a sacred story that needs to be told of our heroic efforts and of our losses. The scribes of ancient Egypt devoted their lives to the writing of sacred stories. These technicians of the sacred were masters of hieroglyphic thinking or heka, the proper words in the proper sequence with the proper intonation and the proper intent. Learning heka provided scribes with the power to invoke and create worlds through their words and thoughts. To the writer, heka is a magical way to create meaning from experience. Through heka, we manifest new visions and new relationships to ourselves and to others. We can make new art filled with beauty and light. Revealing the spiritually transformative power of writing, the authors take us on a journey of self-discovery through the sacred sites of Egypt, from the Temple of Isis to the Great Pyramid of Giza. Through meditations and creative writing exercises exploring the powerful themes found in the hieroglyphic texts of ancient Egypt and the Egyptian Book of the Dead, they show how through writing we can live beyond the ordinary, give our dreams form and discover who we really are and what our lives really mean. Sharing transformative and inspiring pieces written by those who've attended their Egyptian sacred tours, the authors reveal how writing your spiritual biography allows you to reconnect to the creativity and divine within, face your fears, offer gratitude for what you have, manifest new destinies and recognize your life as part of the sacred story of Earth.
