

The background of the book cover is a stylized, abstract illustration. On the left, a figure with long, flowing golden hair and a crown is depicted in a dynamic, almost dancing pose, wearing a yellow and orange robe. The figure's face is partially obscured by the flowing hair. The background is a mix of deep reds, purples, and blues, suggesting a dramatic, perhaps sunset or sunrise, sky. Dark, jagged shapes resembling mountains or rocks are visible in the lower right. The overall style is reminiscent of mid-20th-century modernist art.

Lopes, 2014-12-17 The imperialist ambitions of China, which invaded Tibet in the late 1940s, have sparked the spectacular spread of Tibetan Buddhism worldwide and especially in western countries. This work is a study on the malleability of a particular Buddhist tradition on its adaptability in new contexts. The book analyses the nature of the Tibetan Buddhism in the Diaspora. It examines how the re-signification of Tibetan Buddhist practices and organizational structures in the present refers back to the dismantlement of the Tibetan state headed by the Dalai Lama and the fragmentation of Tibetan Buddhist religious organizations in general. It includes extensive multi-sited fieldwork conducted in the United States, Brazil, Europe, and Asia, and a detailed analysis of contemporary documents relating to the global spread of Tibetan Buddhism. The author demonstrates that there is a de-institutionalized and de-territorialized project of political power and religious organization which, among several other consequences, engenders the gradual autonomization of lamas and lineages inside the religious field of Tibetan Buddhism. Thus, a spectre of these previous institutions continues to exist outside their original contexts and they are continually activated in ever new settings. Using a combination of two different academic traditions, namely the Brazilian anthropological tradition and the American Buddhist studies tradition, it investigates the process of cultural re-signification of Tibetan Buddhism in the context of its Diaspora. Thus, it will be a valuable resource to students and scholars of Asian Religion, Asian Studies, and Buddhism. *Soul Reflections* Marilyn C.
