Shame Of Sin:

You Can't Sin Elijah T. Sog, 2010-05 In this book Elijah T Sog is given rare deep insight into the subject matter of sin from God's perspective as you dig into this book you will find that Christ already condemned sin and has given the power to put sin in subjection to all his children You will find out that the issue of Sin is not one of the issues of life but the issue of life it is your victory over sin that determines your placement in this life and the life to come and as the Spirit of God pours out His heart you will get answers If you ever want to be free from sin and stay free then read this book and study it and meditate on the content and you will find the truth in it will set you free Whosoever is born of God doth not commit sin for his seed remaineth in him and he cannot sin because he is born of God 1 John 3 9 It is clear that in this physical life many people have struggled with this statement and the most difficult part is where God says cannot sin this book will explain all that to you John says if you are born of God and God's seed remains in you and the Word is the seed you can't sin this is the summary of the content of this book that God has made all provisions for you not to sin and this book reveals where the provisions are and how to use them so that 1 John 3 9 may be fulfilled in your life To live in sin is to serve sin and no man can serve two masters this book is the manual on victory over sin and his works Honor, Shame, and the Gospel Christopher

The Naked Christ Dan Lé, 2012-08-22 The cross of Christ is undeniably central to the Christian faith But how can the cruelty and brutality of a two thousand year old Roman cross touch base with a hedonistic world that has been so desensitized towards violence Within the postmodern setting of a body obsessed culture Christianity urgently requires an innovative and stimulating way of understanding the cross and its atoning significance At the heart of this book is the Naked Christ an emblem through which the author draws on the rich resources of the Christian tradition in its portrayal of the cross He explores how the metaphors of nakedness and clothing can encapsulate aspects of atonement and enable them to be understood within a variety of contemporary contexts The Naked Christ is a useful resource for anyone seeking fresh ways to

express what the cross of Christ means to contemporary culture The Shameful Sin, with the Exceeding Sinfulness, and Evil Effects of it ,1743 **Help!
