town of Meddersville Three children disappeared that summer his cousin among them Nine year old Ethan believes he knows the killer but his story is so fanciful it is dismissed out of hand Twenty five years later children are once again disappearing in Meddersville Ethan returns to Meddersville to separate fact from childish fantasy to discover the truth behind Alice s disappearance and to bring her killer to justice The Summer We Lost Alice is a story of loss and grief of courage of family and ultimately of healing and the triumph of an enduring spirit Full length novel Contains paranormal elements a trace of mild language no explicit sex No child violence Keywords witch reincarnation dog psychic skeptic murder evil love family mystery death afterlife From the author My mother s name was Alice She grew up dirt poor on a small Kansas farm We don t have too many photos from that time but we do have two that stand out The first is a snapshot of my mother as a little girl with her older sister and a dog My mother wears a cereal box on her head like a crown This photo inspired the scene in the book where Alice crowns herself Queen of Bohemia My family on my father s side came from Bohemia so there s another family connection and the explanation for my strangely vowel impoverished last name The second photo shows my mother probably about age five with her two older sisters The sisters stand behind her in their black dresses looking very dour while my mother in her light colored dress plays with her fingers and smiles winsomely at the camera That s the spirit I wanted to capture in my fictional Alice My first book Risen is a supernatural thriller about people coming back from the dead not as zombies but perfectly healthy The idea was to explore the question What is the value of life without death The Summer We Lost Alice a more mainstream book not a horror novel is also about rebirth I was able to play with differing viewpoints about the afterlife from the skeptic s point of view Ethan in the story to the spiritual believer s Heather with a touch of traditional faith Flo It s a story of loss and how it destroys a family and how that family manages to come together to heal itself All wrapped in the guise of a paranormal mystery thriller And there s a dog of course Old Boo Got to have a dog *Archie*
