## **Shaped By The Bible:**

Shaped by the Bible Will Willimon, 2020-07-30 Shaped by the Bible offers sound information about the ways congregations are formed and reformed by the biblical message and the living Word William Willimon discusses the ways Scripture can form us reform us and challenge us as well as the ways we hide from close our ears to and evade the Bible's claim on us As Christians the church is where we listen as God speaks and where we are taught to speak to God with the conviction that God hears us and cares The supreme evidence of this divine human dialogue is the Bible Dr Willimon believes that if we are truly People of the Book our lives will reflect this individually as well as corporately in congregational life Willimon maintains that once congregations become confronted by the biblical message their response will be unique in the life of the community Bible-Shaped Teaching John Shortt, 2014-12-17 The Bible can and should be an environment in which we live and move and have our being an environment in which we are shaped by God in different and interrelated ways As with aspects of our physical environment we may have never noticed many elements of this spiritual environment before or may have only the vaguest sense of their influence While we may be more familiar with certain elements we may not realize the full extent of their influence or be too preoccupied to see how they relate to form the larger whole of how we are shaped This book looks one by one at several ways in which the Bible's environment influences us as people and in particular shapes our beliefs attitudes and practices as teachers in the classroom It is concerned with helping readers to be at one and the same time faithful to our common calling as educators and faithful to the Scriptures as Christians **Women and the Authority of Scripture** Sarah Heaner Lancaster, 2002-09-01 The theological impact of accepting the absolute authority of biblical scripture is enormous especially for women who attend and serve churches But until now few books have been willing to address this issue head on Sarah Lancaster looks at the way women in the church have dealt with the question of scriptural authority and how they can address it in the future Some women she says accept the authority of the Bible without question and stay in church without change of attitude or action Others deny that the Bible has any authority completely leaving Christianity in the belief that the Bible and Christian tradition are irredeemably patriarchal Still others recognize that while scripture is largely patriarchal it is authoritative for their life of faith The Bible possesses a narrative coherence its story resonating in our own lives For women the Bible can continue to ring true to their experience letting them acknowledge scripture's authority in spite of its problems The Bible is not about patriarchy it is about how God is present to us and interacts with us in order to bring us to fullness of life Lancaster says that women can criticize those things in scripture that help maintain a patriarchal world without invalidating scripture's authority Scripture she argues informs forms and transforms With its combination of narrative and feminist theology Women and the Authority of Scripture brings a powerful new perspective to the doctrine of biblical authority in the contemporary world Sarah Heaner Lancaster is Associate Professor of Theology Methodist Theological School in Delaware Ohio She is an ordained elder in the North Texas

Conference of the United Methodist Church She lives in Westerville Ohio

### **The Bible's Many Voices** Michael

Carasik,2014-04-01 The most common English translations of the Bible often sound like a single somewhat archaic voice In fact the Bible is made up of many separate books composed by multiple writers in a wide range of styles and perspectives It is as Michael Carasik demonstrates not a remote text reserved for churches and synagogues but rather a human document full of history poetry politics theology and spirituality Using historic linguistic anthropological and theological sources Carasik helps us distinguish between the Jewish Bible's voices the mythic the historical the prophetic the theological and the legal By articulating the differences among these voices he shows us not just their messages and meanings but also what mattered to the authors In these contrasts we encounter the Bible anew as a living work whose many voices tell us about the world out of which the Bible grew and the world that it created

The Bible's Authority in Today's Church Frederick Houk Borsch, 1999-08-01 How important is the Bible in today's church This book provides the clear answer that the Bible is fundamental to the church's vitality and continuance Ignoring the Bible or limiting its importance in the church is the precursor to spiritual death and communal dissolution Here then is a lively study debate and conversation particularly within the Episcopal Church in the United States concerning the authority and function of the Bible in today's church A helpful leader's guide has been added to assist those who would use the book in adult study groups      *Gospel Shaped Worship Leader's Guide* Jared Wilson, 2015-04-13 Leader's Guide for the Worship track of Gospel Shaped Church from The Gospel Coalition exploring how a church should be a worshipping community Gospel Shaped Church is a curriculum from The Gospel Coalition that will help whole congregations pause and think carefully and prayerfully about the kind of church they are called to be This seven week whole church curriculum explores what it means to be a worshipping community The Leader's Guide contains everything you need to lead this flexible course Christians are people who have discovered that the one true object of our worship is the God who has revealed himself in and through Jesus Christ For most believers worship is what happens for an hour on Sunday morning as we sing and pray together But the Bible reveals a much bigger vision for what worship really is and how it should shape our lives So what exactly is worship What should we be doing when we meet together for church on Sundays And how does that connect with what we do the rest of the week As we search the scriptures together we will discover that true worship is more than this it is to encompass the whole of life This engaging and flexible resource will challenge us to worship God every day of the week with all our heart mind soul and strength This flexible resource will train your whole church through teaching preaching daily reading and small group Bible study and discussion or any combination of those elements The overall aim is that your church will embark on a journey to discover the kind of people they should be as they are shaped by the gospel of Jesus Christ Works alongside the Gospel Shaped Worship DVD and the Gospel Shaped Worship Handbook for use by church members      **Humor in the**

*Americanism: The Fourth Great Western Religion* David Gelernter, 2007-06-19 What does it mean to believe in America Why do we always speak of our country as having a mission or purpose that is higher than other nations Modern liberals have invested a great deal in the notion that America was founded as a secular state with religion relegated to the private sphere David Gelernter argues that America is not secular at all but a powerful religious idea indeed a religion in its own right Gelernter argues that what we have come to call Americanism is in fact a secular version of Zionism Not the Zionism of the ancient Hebrews but that of the Puritan founders who saw themselves as the new children of Israel creating a new Jerusalem in a new world Their faith based ideals of liberty equality and democratic governance had a greater influence on the nation s founders than the Enlightenment Gelernter traces the development of the American religion from its roots in the Puritan Zionism of seventeenth century New England to the idealistic fighting faith it has become a militant creed dedicated to spreading freedom around the world The central figures in this process were Abraham Lincoln Teddy Roosevelt and Woodrow Wilson who presided over the secularization of the American Zionist idea into the form we now know as Americanism If America is a religion it is a religion without a god and it is a global religion People who believe in America live all over the world Its adherents have included oppressed and freedom loving peoples everywhere from the patriots of the Greek and Hungarian revolutions to the martyred Chinese dissidents of Tiananmen Square Gelernter also shows that anti Americanism particularly the virulent kind that is found today in Europe is a reaction against this religious conception of America on the part of those who adhere to a rival religion of pacifism and appeasement A startlingly original argument about the religious meaning of America and why it is loved and hated with so much passion at home and abroad

**God Speaks** Dr. Craig Evans, 2015-08-18 Dr Craig Evans opens the door to the inquiring mind as to why 1 God chose to create the Bible 2 those vital things we so often miss when we do read Scripture and 3 why it really matters that we pay attention to the Word of God at all

**Writing on the Tablet of the Heart** David M. Carr, 2005-03-10 This book explores a new model for the production revision and reception of Biblical texts as Scripture Building on recent studies of the oral written interface in medieval Greco Roman and ancient Near Eastern contexts David Carr argues that in ancient Israel Biblical texts and other texts emerged as a support for an educational process in which written and oral dimensions were integrally intertwined The point was not incising and reading texts on parchment or papyrus The point was to enculturate ancient Israelites particularly Israelite elites by training them to memorize and recite a wide range of traditional literature that was seen as the cultural bedrock of the people narrative prophecy prayer and wisdom
