A Filmmaker's Guide to Sound Design Matthew Polis, Peter Rea, 2023-09-29 This illuminating book offers a unique view into the art of sound design and the post production audio process. It was written for filmmakers and designed to bridge the creative gap between directors, producers and the artists and technicians who are responsible for creating the full soundtrack. Building on over 50 years of combined expertise in teaching filmmaking and sound design, experienced instructor and author Peter Rea and sound designer Matthew Polis offer a cogent, clear and practical overview of sound design principles and practices, from exploring the language and vocabulary of sound to teaching readers how to work with sound professionals and later to overseeing the edit mix and finishing processes.
