Monette, 1987 *Kindred Spirits* is a book for Christians who thirst for spiritual kinship in a vibrant community sensible religion for everyday living and commitment to the people around us that are hurting the most It puts us in touch with a centuries old tradition of religious communal living and commitment to the poor **Religious Life in a New Millennium Volume One** Sandra M. Schneiders, I.H.M., **The Once and Future Pastor** William Chris Hobgood, 1998-12-31 Hobgood examines new pressures on clergy that are emerging in the post Christendom era financial stresses the effects of a conflicted and confrontational culture the needs of an increasing number of people living broken or dependent lives dysfunctional behavior on the part of pastors and parishioners questions regarding clergy respect and job satisfaction How is ministry being affected by these changes What skills will clergy need as they enter the new century An invaluable resource thoroughly grounded in research and full of practical observations for clergy judicatory executives seminary professors and long range planners From Chaos To Mission Gerald A. Arbuckle, 1996-01-10 Formation is a rite of passage or initiation ritual This book draws on the findings of social anthropological studies of initiation rituals and contemporary biblical studies of rites of passage Since initiation rituals are of critical importance in the life journeys of individuals and groups the book s central theme is relevant to educationalists and ritual leaders in the Church and secular society Most religious congregations founded since the thirteenth century were formed for prophetic ministry to a world in change yet for centuries before Vatican II their candidates were rarely trained explicitly for this task Through years of quasi indoctrination and voluntary incarceration they were taught in a monastic atmosphere of unchanging order that the world was evil and to be avoided Conformity to a theological ecclesiastical and pastoral status quo was the most esteemed value in a candidate This emphasis was contrary to the very nature of active religious life Religious must be prophetic challengers of the status quo within the Church and society Training for membership in active religious congregations therefore must now be radically reformed but there are no road maps available to direct educationalists in developing programmes that would stimulate candidates to be radically creative in ministry *From Chaos to Mission* creates a framework for radical thinking and practical action about the critical issue of formation of religious for mission today Charity Alive Mary Olga McKenna, 1998 *Charity Alive* Sisters of Charity Halifax 1950 1980 is the sequel to Sister Maura Power s chronicle of the first one hundred years of the congregation s history Ryerson 1956 Based on congregational records and interviews with members of the order the book traces describes and assesses the events which moved the Sisters from the traditional patterns of religious life over the first century into the 1980 s It shows the Sisters response to the documents of Vatican II and the economic cultural and religious challenges during three decades of adaptation renovation and renewal *Charity Alive* also presents the transformation effected within the congregation which liberated the Sisters and empowered them to reach beyond their traditional ministries of education

Bishop C.H. Mason and the Roots of the Church of God in Christ Bishop Ithiel C. Clemmons, Ph.D., 2012-06 The Church of God in Christ (COGIC) the first major denomination to spring from the fires of the Azusa Street revival profoundly affected the history of the black church. Its tremendous influence can be traced to the dynamic spiritual life of its founder Charles Harrison Mason. The son of a slave and a leader in the holiness movement of his day, Mason traveled to Azusa Street in 1907 where he received the baptism of the Holy Spirit. Returning home, he discovered that visions, spontaneous healing and deliverance followed him. A new power accompanied his preaching and he experienced freedom from former limitations. Mason's vibrant spiritual life enabled him to lead a fledgling movement from its infancy to a powerful prophetic community over the next fifty years. Beginning in the rural South in the decades following the Reconstruction Era, the denomination gradually moved into urban areas during the 1900s. No matter where its ministers, however, the COGIC Church holds in tension the dynamics of holiness, spiritual encounter and prophetic Christian social consciousness. Facing the challenges of our generation, the COGIC Church desires to maintain the legacy of its founder as it prepares for another century of work and witness. Our younger generations need to know the rich legacy bequeathed to them by the pioneers of the Church of God in Christ. Presiding Bishop Chandler D. Owens: Every pastor in our denomination and beyond should have a worn and well-read copy of this book. Bishop Charles E. Blake Sr.: This valuable book should be in the hands of every member of the Church of God in Christ. Bishop C. L. Anderson: God gave Bishop C. H. Mason an anointing to preach powerfully to heal the sick and to sing out in spontaneous worship. May we covet the same anointing that transformed thousands in his day. Bishop J. Neaul Haynes: We are the descendants of a mighty move of God that began at Azusa Street. This book will help us to pass on an equally dynamic spiritual life to our successors, taking the Church of God in Christ into the next century. Bishop P. A. Brooks: Church leaders would do well to emulate the dynamic spiritual life of our founder, Bishop C. H. Mason. Bishop O. T. Jones Jr.: Bishop Clemmons reminds us that our denomination was forged in the fires of a pentecostal revival that continues to impact our society today. Bishop Gilbert E. Patterson: Our roots establish our legacy and provide the springboard for the future. This documentation is a

Shiver,2015-12-04 This is the first extensive examination of the life of Ken Sumrall and his firm belief in the modern day apostolic restoration movement It presents Sumrall s journey from his Baptist beginnings through his experience of the baptism of the Holy Spirit through his learning struggles with Liberty Fellowship of Churches and Ministers and into his birthing of Church Foundational Network It represents Sumrall in his own light while dealing with his paradigm changes concerning church government the heart of which revolved around the restoration of modern day apostles Godly government was grounded in godly relationships with one s apostle whom Sumrall understood as a spiritual father For Sumrall the best biblical government for the New Testament church today is a theocracy Instead of a centralized hierarchical church government Sumrall advanced a decentralized network of churches connected relationally This volume contains the major influences upon Sumrall s thinking and the progress of his comprehension of the life of the church as family Moreover it
