Shaping The Economic Space In Russia

Soeren Keil, Sabine Kropp

Shaping The Economic Space In Russia:

Shaping the Economic Space in Russia Stefanie Harter, Gerald Easter, 2018-04-27 This title was first published in 2000 As the El tsin era has now drawn to a close numerous questions remain unanswered regarding the course of Russia s post Communist traditions El tsin s exit from the presidential stage provides an opportunity to assess the achievements of Russia s multi faceted reforms to explain the factors that have most shaped the reform process and to identify the trends that are likely to continue under a presidential successor This volume embodies such an effort Its contents are the product of a conference held in May 1999 at the Federal Institute for East European and International Studies in Cologne Germany The institute convened an international group of scholars representing a variety of academic approaches to the study of transition economies in general and Russia in particular The title of this volume has been taken from the overarching theme of the conference The goal was determine the extent to which pre existing structures and norms of economic and political life have been fundamentally altered by the El tsin administration s reform campaigns and how these factors themselves have influenced the reform process

Shaping the Post-Soviet Space? Laure Delcour, 2016-04-01 While the European Union EU is widely perceived as a model for regional integration the encouragement of regional co operation also ranks high among its foreign policy priorities Drawing on a wealth of sources and extensive fieldwork conducted in the Commonwealth of Independent States CIS Laure Delcour questions the pursuit of this external objective in EU policies implemented in the CIS and the existence of an EU regional vision in the post Soviet area She asks does the recent compartmentalization of EU policies correspond to a growing fragmentation of the former Soviet Union that cannot be considered as a region anymore Does it rather reflect the EU s own interests in the area Interested in exposing why the EU has not pursued a strategy of region building in the post Soviet area Delcour examines the disintegration dynamics affecting the area following the collapse of the USSR the interplay between different actors and levels of action in EU foreign policy making and the role of other region builders She takes a closer look at the strategic partnership with Russia European Neighbourhood Policy Eastern Partnership and Black Sea Synergy as a capability test for the European foreign policy to promote its foreign policy priorities and to raise a distinctive profile in the international arena

Russia's Oil Barons and Metal Magnates S. Fortescue, 2006-10-31 Russia s Oil Barons and Metal Magnates contains a critical analysis of the claims made against oligarchs In doing so it presents a detailed analysis of the place of the oligarchs in both the metals sector and in the Russian political economy

Owning Russia Andrew S. Barnes, 2018-07-05 During and after the breakdown of the Soviet Union a wide range of competitors fought to build new political and economic empires by wresting control over resources from the state and from each other In the only book to examine the evolution of Russian property ownership in both industry and agriculture Andrew Barnes uses interviews archival research and firsthand observation to document how a new generation of capitalists gained control over key pieces of the Russian economy by acquiring debt ridden factories and farms once owned

by the state He argues that although the Russian government made policies that affected how actors battled one another it could never rein in the most destructive aspects of the struggle for property Barnes shows that dividing the spoils of the Soviet economy involved far more than the experiment with voucher privatization or the scandalous behavior of a few Moscow based oligarchs In Russia the control of property yielded benefits beyond mere profits and these high stakes fueled an intense enduring and profound conflict over real assets This fierce competition empowered the Russian executive branch at the expense of the legislature dramatically strengthened managers in relation to workers created a broad array of business conglomerates and fundamentally shaped regional politics not only blurring the line between government and business but often erasing it *Resource Curse and Post-Soviet Eurasia* Vladimir Gel'man,Otar Marganiya,2010-08-06 By the end of the 2000s the term resource curse had become so widespread that it had turned into a kind of magic keyword not only in the scholarly language of the social sciences but also in the discourse of politicians commentators and analysts all over the world like the term modernization in the early 1960s or transition in the early 1990s In fact the aggravation of many problems in the global economy and politics against the background of the rally of oil prices in 2004 2008 became the environment for academic and public debates about the role of natural resources in general and oil and gas in particular in the development of various societies The results of numerous studies do not give a clear answer to questions about the nature and mechanisms of the influence of the oil and gas abundance on the economic political and social processes in various states and nations However the majority of scholars and observers agree that this influence in the most of countries is primarily negative *Resource Curse and Post Soviet Eurasia Oil Gas and Modernization* is an in depth analysis of the impact of oil and gas abundance on political economic and social developments of Russia and other post Soviet states and nations such as Kazakhstan and Azerbaijan The chapters of the book systematically examine various effects of resource curse in different arenas such as state building regime changes rule of law property rights policy making interest representation and international relations in theoretical historical and comparative perspectives The authors analyze the role of oil and gas dependency in the evolution and subsequent collapse of the Soviet Union authoritarian drift of post Soviet countries building of predatory state and pendulum like swings of Russia from state capture of 1990s to business capture of 2000s uneasy relationships between the state and special interest groups and numerous problems of geo economics of pipelines in post Soviet Eurasia **The Foundations of Russian Law** Marianna Muravyeva,2023-04-06 This accessible text explains how Russian law works in all its principal areas It elucidates the main concepts and frameworks behind Russian law and uses original legal sources and case law to explain how it operates in practice The contributors all of whom are leading experts on Russian law employ original research to further knowledge of the Russian legal profession legal culture judiciary and court systems providing a scholarly and practical account of Russian law for students and scholars alike It is essential reading for anyone seeking a deeper understanding of the subject **Russian Politics and Society** Richard Sakwa,2002-09-11 First

published in 2002 Routledge is an imprint of Taylor Francis an informa company Russian Governance in the 21st Century
Irina Isakova,2004-06-01 A stimulating new analysis of the dramatic systemic changes of the Russian state principles of the governance and its foreign policy orientation It reviews the extent of changes in Russian approaches to geopolitics and the most appropriate geopolitical development patterns that influenced the transformation of Russian foreign policies and military strategic thinking on the eve of the 21st century **Routledge Handbook of Russian Politics and Society**

Graeme Gill,James Young,2013-03 There is an ever burgeoning number of books analyzing the Russian experience or aspects of it This Handbook is the first single volume which gives both a broad survey of the literature as well as highlighting the cutting edge research in the area Through both empirical data and theoretical investigation each chapter in the Routledge Handbook Russian of Politics and Society examines both the Russian experience and the existing literature points to research trends and identifies issues that remain to be resolved Offering focused studies of the key elements of Russian social and political life the book is organized into the following broad themes General introduction Political institutions Political Economy Society Foreign Policy Politically economically and socially Russia has one of the most interesting development trajectories of any major country This Handbook seeks to answer questions about democratic transition the relationship between the market and democracy stability and authoritarian politics the development of civil society the role of crime and corruption and the creation of a market economy Providing a comprehensive resource for scholars and policy makers alike this book is an important contribution to the study of Russian Studies Eastern European studies and International Relations

How Russia Really Works Alena V. Ledeneva,2006-10-26 Ledeneva explores practices in politics business media and the legal sphere in Russia in the 1990s **The Vanishing Rouble** Paul Seabright,2000-11-30 An accessible and authoritative analysis of barter in the former Soviet Union *Modernisation in Russia since 1900* Markku Kangaspuro,Jeremy Smith,2006-12-27 Modernisation has been a constant theme in Russian history at least since Peter the Great launched a series of initiatives aimed at closing the economic technical and cultural gap between Russia and the more advanced countries of Europe All of the leaders of the Soviet Union and post Soviet Russia have been intensely aware of this gap and have pursued a number of strategies some more successful than others in order to modernise the country But it would be wrong to view modernisation as a unilinear process which was the exclusive preserve of the state Modernisation has had profound effects on Russian society and the attitudes of different social groups have been crucial to the success and failure of modernisation This volume examines the broad theme of modernisation in late imperial Soviet and post Soviet Russia both through general overviews of particular topics and specific case studies of modernisation projects and their impact Modernisation is seen not just as an economic policy but as a cultural and social phenomenon reflected through such diverse themes as ideology welfare education gender relations transport political reform and the Internet The result is the most up to date and comprehensive survey of modernisation in Russia available which highlights both one of the perennial

problems and the challenges and prospects for contemporary Russia *Emerging Federal Structures in the Post-Cold War Era* Soeren Keil, Sabine Kropp, 2022-05-18 This book conceives federalism not as a static institutional architecture but as a dynamic formation always in flux This may entail processes of federalization but in some cases also lead to de federalization It looks at emerging federal structures worldwide and analyses federal structures their emergence operation and categorization The contributors highlight that the emergence of these federal structures has multiple facets from the recognition of ethnic diversity to the use of federalism as a tool of conflict resolution Identifying and categorizing processes of federalization and defederalization in a variety of cases the book provides much needed empirical and theoretical discussion on emerging federal structures and the changing nature of federalism in the post Cold War era **Russian**

Energy Power and Foreign Relations Jeronim Perovic, Robert W. Orttung, Andreas Wenger, 2009-02-20 This book examines Russia's new assertiveness and the role of energy as a key factor in shaping the country's behavior in international relations and in building political and economic power domestically since the 1990s Energy transformed Russia's fortunes after its decline during the 1990s The wealth generated from energy exports sparked economic recovery and political stabilization and has significantly contributed to Russia's assertiveness as a great power Energy has been a key factor in shaping Russia's foreign relations in both the Eurasian and global context This development raises a host of questions for both Russia and the West about the stability of the Russian economy how Russia will use the power it gains from its energy wealth and how the West should react to Russia's new found political weight Given that energy is likely to remain at the top of the global political agenda for some time to come and Russia's role as a key energy supplier to Europe is unlikely to diminish soon this book sheds light on one of the key security concerns of the 21st century where is Russia headed and how does energy affect the changing dynamics of Russia's relations with Europe the US and the Asia Pacific region This book will be of interest to students of Russian politics energy security international relations and foreign policy in general Jeronim Perovic is a senior researcher at the Center for Security Studies at ETH Zurich Robert Orttung is a visiting scholar at the Center for Security Studies at the Swiss Federal Institute of Technology ETH in Zurich and a senior fellow at the Jefferson Institute Andreas Wenger is professor of international security policy and director of the Center for Security Studies at ETH Zurich

Eastern Europe, Russia and Central Asia 2003, 2000 *Perspectives on EU-Russia Relations* Debra Johnson, Paul F. Robinson, Paul Robinson, 2005 This book explains how the internal dynamics of transition have influenced the relationship between Russia and the EU Taking an holistic approach the authors present a balanced analysis exploring EU Russian and US perspectives on the Russian EU relationship and examine a range of political economic business and security issues including the Northern dimension of Russian EU relations the Chechen situation Russian domestic economic policy trade the business environment energy and EU technical assistance They also address such questions as Will bilateral relations be achieved with a Western or Russian model Who is the main driver of Russian EU relations Is Russia converging with the EU

in terms of business culture legal environment and systems Does the Russian EU link provide a new model for EU external relations

The EU in a Trans-European Space Serena Giusti,Irina Mirkina,2019-02-19 This book examines political social and economic interactions in highly interconnected areas stretching from Europe to Eastern Europe North Africa the Middle East and East Asia labelled as Trans Europe The first part of the book focuses on the interests of several leading actors in Trans Europe The second part deals with the actions of national actors trying to compete with the EU influence in their shared neighbourhood The third part studies cross border issues such as economic dynamics migration flows and energy markets in the Trans European space

Russia Irvin Studin,2017-12-30 This book examines how Russia the world s most complicated country is governed As it resumes its place at the centre of global affairs the book explores Russia s overarching strategies and how it organizes itself or not in policy areas ranging from foreign policy and national security to health care education immigration science sport agriculture the environment and criminal justice The book also discusses the structures and institutions on which Russia relies in order to deliver its goals in these areas of national life as well as what s to be done in policy terms to improve the country s performance in its first post Soviet century Edited by Irvin Studin the book includes contributions from a tremendous list of Russia s leading thinkers and specialists including Alexei Kudrin Vladimir Mau Alexander Auzan Simon Kordonsky Fyodor Lukyanov Natalia Zubarevich and Andrey Melville

Regional politics in Russia Cameron Ross,2024-06-04 This innovative multi contributed book now available in paperback argues convincingly that Russia will never be able to create a viable democracy as long as authoritarian regimes are able to flourish in the regions The main themes covered are democratisation at the regional level and the problems faced by the federal states in forging viable democratic institutions in what is now a highly asymmetrical Federation A major strength of the book lies in its combination of thematic chapters with case studies of particular regions and republics Very little has been published to date on the actual processes of democratisation in particular republics and regions The book takes into account the literature available on the new institutionalism and outlines the importance of institutions in developing and maintaining democracy It looks at the importance of sovereignty federalism and democratic order and considers the distinct problems of party building in Russia s regions Electoral politics are also considered fully before the book goes on to consider the whole issue of regional politics and democratisation in five particular areas of Russia Novgorod the Komi Republic Russia s Far East Tatarstan and Bashkortostan The authors the majority of whom are internationally recognised experts in their field have been drawn from Britain the USA Russia and Germany giving the book a truly global perspective

Russia's Federal Relations Elena Chebankova,2009-12-04 This book examines the origins underlying foundations and dynamics of the federal reforms conducted by President Putin throughout the eight years of his presidency discussing the intentions of the federal centre and the very different results that have turned out

Shaping The Economic Space In Russia Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Shaping The Economic Space In Russia PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Shaping The Economic Space In Russia PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free

downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Shaping The Economic Space In Russia free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Shaping The Economic Space In Russia Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Shaping The Economic Space In Russia is one of the best book in our library for free trial. We provide copy of Shaping The Economic Space In Russia in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Shaping The Economic Space In Russia. Where to download Shaping The Economic Space In Russia online for free? Are you looking for Shaping The Economic Space In Russia PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Shaping The Economic Space In Russia. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Shaping The Economic Space In Russia are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your

computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Shaping The Economic Space In Russia.
