**A Thousand Shards of Glass** Michael Katakis, 2014-02-13 A visceral and eviscerating lament for the USA the country Katakis loved but can no longer bear to live in Once upon a time Michael Katakis lived in a place of big dreams bright colours and sleight of hand That place was America One night travelling where those who live within illusions should never go he stared into the darkness and glimpsed a faded flag where shadows gathered revealing another America It was a broken place bred from fear and distrust a thousand shards of glass filled with a people who long ago had given away all that was precious a people who had been sold for so long a foreign betrayal that finally came from within and for nothing more than a handful of silver These essays letters and journal entries were written as a farewell to the country Michael loves still and to the wife he knew as his True North A powerful and personal polemic A Thousand Shards of Glass is Michael's appeal to his fellow citizens to change their course a cautionary tale to those around the world who idealise an America that never was and crucially a glimpse beyond the myth to a country whose best days could still lie ahead **Shards of Glass** Philip

Brunetti, 1999 **Complete Dream Book** Gillian Holloway, 2006-07 The average person will dream over 150 000 dreams in a lifetime each one a complex web of imagery and deeper meaning The Complete Dream Book uses the interpretation of 28 000 actual dreams from contemporary dreamers just like you to help you access the substance and meaning of your own dreams Discover Who's who in your dreams Which dreams recur during certain life stages The true meaning behind your nightmares Why you have certain dreams again and again How to tell if a dream is worth interpreting and if you've done it correctly The phenomenon of precognitive dreams The Complete Dream Book is the only dream interpretation book based on concrete data about real people's dreams and how the real events in their lives relate to their nighttime visions
