Contemporary Issues in Law ,1998 **Spiritual Community** David A. Teutsch,2005 Reimagine the Possibilities for Your Own Congregation We all share a deep human need for meaning in our lives a need to feel that we are part of something larger than ourselves Yet many of us have discovered that successful careers material affluence even loving families are not enough to satisfy this longing And too often the congregations and organizations in which we seek greater meaning are uninspiring or worse The answer lies in belonging to a strong spiritual community not just a collection of individuals but a dynamic integrated congregation linked by commitment and vision sustained by friendship and shared experience But how to build it Informative and encouraging wise and practical Spiritual Community looks at congregations and organizations what they are and what they might become and reveals the unique role they have the potential to play in refreshing our minds transforming our hearts and giving our lives meaning From establishing radiant centers to welcome people into the heart of the community to reclaiming the power of ritual to suggesting strategies for dealing with conflict Rabbi Teutsch offers practical solutions to challenges congregations commonly face making themselves into spiritual communities This is essential reading for every spiritual and lay leader for anyone who wants to transform their congregation or organization into a strong spiritual community Art Index Alice Maria Dougan,Margaret Furlong,1998 *Pentecost and Parousia* Peter D.

Hocken,2013-10-23 As the charismatic movement penetrated the Protestant churches and then impacted the Catholic Church great hopes for Christian unity were aroused among many These hopes peaked with the great Kansas City conference of 1977 and the Pentecost over Europe gathering in Strasbourg France in 1982 After these high points the Renewal s unity dynamic weakened at the same time as the ecumenical movement was losing momentum Dr Hocken argues that the charismatic movement was always a grace for unity and that this can be seen from how it began and spread Its deep orientation to unity finds its foundation in the end times significance of baptism in the Spirit poured out on Christians from so many traditions that reinforces the one hope for the coming of the Lord Many developments of the last twenty years indicate that the time is now ripe for an ecumenism of the Spirit within which the charismatic impulses of the Holy Spirit can purify and deepen the wider movement for Christian unity Growing reconciliation between Evangelicals and Catholics suddenly seems less utopian as Pope Francis shows the servant face of a humbler Catholic Church *Forthcoming Books* Rose Army,2002 *Introducing My Faith and My Community* Kerry M. Olitzky,2004 This guide will introduce you to Judaism in easy to understand terms and language Whether you are married to or dating a Jewish man or woman or are the parent

sibling or friend of someone in an interfaith relationship you will find this book to be a thorough and accessible entry to the Jewish faith and the cultural and social institutions of the Jewish world in America Rabbi Kerry M Olitzky speaks directly to you a person who stands on the periphery of Jewish culture and is only now beginning to move into the circle of Jewish faith and life

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved System and Story Gale Heide,2009-01-01 System and Story is intended to develop a means for bridging the gap between critics of system and those who may find value in doing systematics from a Biblically oriented context Narrative theologians have rightly identified and critiqued the development of system in academic theology Unfortunately they have not identified the ways in which systematic elements have always played a role in theological knowledge This study demonstrates the inherent systematic tendencies that still exist in narrative approaches to theology while at the same time acknowledging the appropriateness of aspects of the narrative critique of system The reaction against Enlightenment modernism is examined from the perspective of the heightened role of system in religious epistemology The work of Stanley Hauerwas serves to carry much of the conversation regarding the critique of system and a narrative alternative as it is discovered in communal formation After summarizing Hauerwas theology if such a thing is possible the final chapters explore the ecclesiological concerns of narrative theologians according to a more systematic rendering of pneumatology A Biblical rendering of pneumatology from the perspective of the Spirit's role in ecclesiology allows for a modest i e pre modern systematic presentation commensurate with narrative communal formation Thus the narrative attempt to once again do theology for the church is seen as compatible with a Scriptural i e modestly systematic theology of the Spirit *The Early Christian Community* Douglas A. Hume,2011 Douglas A Hume offers a narrative ethical reading of the passages depicting the early Christian community in Acts 2 41 47 and 4 32 35 He begins with a methodological exploration of how contemporary scholars may examine the impact of biblical narratives upon reader's moral imaginations Given the presence of friendship language in Acts the work subsequently launches into an examination of this idiom in Greco Roman philosophical and literary works by Aristotle Plutarch Diogenes Laertius and Iamblichus The author then proceeds to an exegetical examination of how friendship language is employed by Luke in the narrative summaries of Acts This ethical reading of the Acts 2 41 47 and 4 32 35 incorporates multiple features of narrative criticism and asks such wide ranging questions as the use of emotion point of view and characterization to shape the reading audience's perception of God the early Christian community and other characters within the story of Luke Acts This study has implications for biblical studies practical theology and contemporary understandings of ecclesiology *Feasting on the Word: Year A, Volume 1* David L. The Community Rules from Qumran Charlotte Hempel,2020-11-19 In this volume Charlotte Hempel offers the first comprehensive commentary on all twelve ancient manuscripts of the Rules of the Community works which contain the most important descriptions of the organisation and values ascribed to the movement associated with the Dead Sea Scrolls The best preserved copy of this work 1QS was one of the first scrolls to be published and has long dominated the scholarly assessment of the Rules The approach adopted in this commentary is to capture the distinctive nature of each of the manuscripts based on a synoptic translation that presents all the manuscripts at a glance Textual notes and Commentary deal with the picture derived from all preserved manuscripts The publication of the Cave 4 manuscripts in 1998 can be likened to a volcanic eruption that challenged prevalent notions of the Community Rules that were founded on the quasi archetypal status of the Cave 1 copy published in 1951 Since then the smoke has lifted and as the pieces have begun to settle we see green shoots emerging in the scholarly debate This commentary embraces the post volcanic landscape of the Community Rules which is carefully sifted for clues to establish a fresh reading of the material in conversation with the latest research on the Scrolls The evidence suggests that some of the practices described as the beating heart of the movement s organization reflect the aspirations of a privileged sub elite from the late Second Temple Period
