Sharp Rise In Crime:

Crime, Policing and Punishment in England, 1750-1914 David Taylor,1998-12-14 One of the fastest growing and most exciting areas of historical research in recent years has been the study of crime and the criminal The intrinsic fascination of the subject is enhanced by the fact that between the mid eighteenth century and early twentieth century the English criminal justice system was fundamentally transformed as a new disciplinary state emerged Drawing on recent research this book provides a comprehensive and up to date synthesis of these important changes

Sex Crime and the Media Chris Greer,2012-12-06 This title discusses the representation of sex crime in the newsprint media in Northern Ireland It formulates recommendations for positive and realistic change in the way the press report sex crime and in the way relevant agencies act as sources in the news production process

Crimes of the Powerful Dawn Rothe,David Kauzlarich,2022-05-26 As politicians and the media perpetuate the stereotype of the common criminal crimes committed by the powerful remain for the most part invisible or are reframed as a bad decision or a rare mistake This is a topic that remains marginalized within the field of criminology and criminal justice yet crimes of the powerful cause more harm perpetuate more inequalities and result in more victimization than street crimes Crimes of the Powerful White Collar Crime and Beyond is the first textbook to bring together and show the symbiotic relationships between the related fields of state crime white collar crime corporate crime financial crime and organized crime and environmental crime Dawn L Rothe and David Kauzlarich introduce the many types of crimes their theoretical relevance and issues surrounding regulations and social controls for crimes of the powerful Themes covered include media culture and the Hollywoodization of crimes of the powerful theoretical understanding and the study of the crimes of the powerful typology of crimes of the powerful with examples and case studies victims of the crimes of the powerful the regulation and resistance of elite crime Fully updated and revised the new edition includes new chapters on occupational crime crimes against the environment and further coverage of representations of resistance to crimes of the powerful in popular culture An ideal introductory text for both undergraduate and postgraduate students taking modules on the crimes of the powerful white collar crime state crime and green criminology this text includes chapter summaries activities and discussion questions and lists of additional resources including films websites regulatory agencies and additional readings
