Origins of the Dream W. Jason Miller, 2015-02-03 Since Martin Luther King Jr's I Have a Dream speech some scholars have privately suspected that King's dream was connected to Langston Hughes's poetry Drawing on archival materials including notes correspondence and marginalia W. Jason Miller provides a completely original and compelling argument that Hughes's influence on King's rhetoric was in fact evident in more than just the one famous speech King's staff had been wiretapped by J. Edgar Hoover and suffered accusations of communist influence so quoting or naming the leader of the Harlem Renaissance who had his own reputation as a communist would only have intensified the threats against the civil rights activist Thus the link was purposefully veiled through careful allusions in King's orations In *Origins of the Dream* Miller lifts that veil and shows how Hughes's revolutionary poetry became a measurable inflection in King's voice He contends that by employing Hughes's metaphors in his speeches King negotiated a political climate that sought to silence the poet's subversive voice By separating Hughes's identity from his poems King helped the nation unconsciously embrace the incendiary ideas behind his poetry

Soul Transformation Donald W Ekstrand, 2012-09 The three steps of salvation in a nutshell are these becoming a Christian living the Christian life and going to heaven Theologians refer to these three steps as Justification Sanctification and Glorification The first and third steps are instantaneous experiences but the second step sanctification is a life long process whereby the Holy Spirit works in the believer s life to bring about practical holiness and transform his character into the likeness of Christ It is this second step of salvation with which the believer struggles because it requires putting to death the deeds of the body saying no to our sin nature and obeying the promptings of the Holy Spirit saying yes to God this is the essence of spiritual warfare Sadly most churches in the West today pretty much ignore the issue of Sanctification and just focus on Justification either out of ignorance about what Scripture teaches or out of fear that living a holy life is essentially legalism But living a life of obedience to Christ in the power of the Holy Spirit has nothing to do with legalism legalists think they gain favor with God by being good but believers obey Christ out of gratitude because they already have favor with God The key to sanctified living is gratitude The Bible emphatically describes God as being both loving and holy yet western Christianity primarily focuses on God s love and says almost nothing at all about His holiness As such the central message of most churches is one of love and forgiveness with scarcely a word being said about holiness and death to sin and self Satan is thrilled with our one dimensional Christianity because it essentially leaves believers lukewarm impotent and ineffectual This book presents God s blueprint for spiritual development and portrays the transformational experiences every believer goes through in life they include ups and downs highs and lows peaks and valleys joy and suffering victory and defeat these experiences are the norm for every believer none of us get a painless trouble free road to glory Incidentally the material presented in this book reflects the teachings of the most respected Christian theologians since the reformation individuals the evangelical community has long recognized as being pillars of the faith To our lamentable regret however these teachings no longer have a prominent place in the vast majority of churches in the West It is time for believers in America today to reconsider the fullness of God s call upon their lives Donald W Ekstrand is a retired pastor adjunct professor and author Dr Ekstrand holds degrees in finance business education theology and divinity and is a graduate of Arizona State University Talbot School of Theology and Western Seminary He has served as pastor teacher ministry consultant and executive administrator for more than 40 years Don and his wife Barbara have two grown daughters and reside in Phoenix

Arizona *In Season and Out of Season* David Gitari, 2011-05-26 A challenging collection of 25 prophetic sermons preached between 1975 and 1994 by Bishop David Gitari Throughout these sermons Gitari is at pains to apply the biblical message to the complex contemporary scene in Kenya influenced by the example of such preachers as Martin Luther King and John Stott unafraid to speak out on social and political issues and against corruption and justice Where appropriate the setting and background to the preaching of the sermon is provided as well as events which followed the preaching Fatal Infatuation: Love, Betrayal, and Tragedy Pasquale De Marco, 2025-04-15 In *Fatal Infatuation Love Betrayal and Tragedy* we delve into the dark side of human desire exploring the destructive power of forbidden love and its devastating consequences Through a series of thought provoking chapters we dissect the complexities of relationships gone awry examining the allure of forbidden romance the pain of betrayal and the desperate search for redemption This book is not a mere collection of stories it is a journey into the human psyche a meditation on the nature of love and loss and a cautionary tale about the dangers of unbridled passion Through evocative prose and insightful analysis we unravel the tangled threads of relationships torn apart by betrayal deceit and the relentless pursuit of forbidden desires From the intoxicating power of infatuation to the haunting echoes of loss *Fatal Infatuation Love Betrayal and Tragedy* delves into the depths of human emotion exploring the resilience of the human spirit in the face of adversity This book is a testament to the enduring power of love and the devastating consequences it can bring when it turns destructive Within these pages you will find thought provoking insights into the human condition lessons learned from the mistakes of others and a renewed appreciation for the preciousness of life and the importance of cherishing the connections we have with others *Fatal Infatuation Love Betrayal and Tragedy* is a must read for anyone who has ever experienced the highs and lows of love and loss It is a book that will stay with you long after you finish reading it leaving you with a deeper understanding of the complexities of human relationships This book is not a story with a narrative that continues topic by topic Instead it is a collection of thought provoking chapters that explore different aspects of love betrayal and tragedy Each chapter stands alone providing readers with a unique perspective on these timeless themes If you like this book write a review on google books *Forget What?* Steve Wheeler, 2009-09 Whenever certain names are mentioned or past experiences are thought of do you get that sick queasy gut wrenching feeling in the pit of your stomach Do you feel hindered held back or held captive by those past events Are your feelings compounded with guilt when you hear the preacher say You must forget those things which are behind and press toward those things which are ahead and you can't forget those past things You're not alone In the book *Forget What The Philippian Misconception* author Steve Wheeler tackles the misconception taken from Philippians 3:13-14 that we are to simply forget past events and move on to the future This misconception has been created because preachers and well meaning believers alike have taken a passage of Scripture out of context and forced it to say something it was never meant to say The result of this teaching is that the world especially the church world is full of people trying to succeed in life but hindered by things that have happened long ago things that

have never been dealt with In Forget What The Philippian Misconception Steve first clears up the truth concerning Philippians 3 13 14 exposing those things that we are called to forget He then moves on to challenge us to deal with past events bring them into the open and be set free from their terrible grip Once dealt with those things that held us can now be used to help others Author Steve Wheeler has been in the preaching ministry for twenty years He is a graduate of Mid America Christian University He currently resides in Mustang Oklahoma with his wife Dorie and two sons Brent and Luke

Fortress Israel Patrick Tyler, 2012-09-18 Once in the military system Israelis never fully exit writes the prizewinning journalist Patrick Tyler in the prologue to Fortress Israel They carry the military identity for life not just through service in the reserves until age forty nine but through lifelong expectations of loyalty and secrecy The military is the country to a great extent and peace will only come Tyler argues when Israel s military elite adopt it as the national strategy Fortress Israel is an epic portrayal of Israel s martial culture of Sparta presenting itself as Athens From Israel s founding in 1948 we see a leadership class engaged in an intense ideological struggle over whether to become the light unto nations as envisioned by the early Zionists or to embrace an ideology of state militarism with the objective of expanding borders and exploiting the weaknesses of the Arabs In his first decade as prime minister David Ben Gurion conceived of a militarized society dominated by a powerful defense establishment and capable of defeating the Arabs in serial warfare over many decades Bound by self reliance and a stern resolve never to forget the Holocaust Israel s military elite has prevailed in war but has also at times overpowered Israel s democracy Tyler takes us inside the military culture of Moshe Dayan Yitzhak Rabin Ariel Sharon and Benjamin Netanyahu introducing us to generals who make decisions that trump those of elected leaders and who disdain diplomacy as appeasement or surrender Fortress Israel shows us how this martial culture envelops every family Israeli youth go through three years of compulsory military service after high school and acceptance into elite commando units or air force squadrons brings lasting prestige and a network for life So ingrained is the martial outlook and identity Tyler argues that Israelis are missing opportunities to make peace even when it is possible to do so The Zionist movement had survived the onslaught of world wars the Holocaust and clashes of ideology writes Tyler but in the modern era of statehood Israel seemed incapable of fielding a generation of leaders who could adapt to the times who were dedicated to ending Israel s isolation or to changing the paradigm of military preeminence Based on a vast array of sources declassified documents personal archives and interviews across the spectrum of Israel s ruling class FortressIsrael is a remarkable story of character rivalry conflict and the competing impulses for war and for peace in the Middle East
