

FULLERTON OVERWATCH PRESENTS:

SHATTERED BLUE LINE

By Tae Yang and Robert Watson

Shattered Blue Line

Patrick A. Davis

Shattered Blue Line:

The Shattered Blue Line Patrick A. Davis, 2010-06-15 INSIDE AN AIR FORCE ACADEMY SEX SCANDAL INVESTIGATION ANOTHER HEINOUS CRIME COMES TO LIGHT MURDER Major Nathan Malone figured his DWI charge was about to get him fired from the Office of Special Investigations Instead he s pulled from his holding cell to take on a shocking case during an ongoing Congressional investigation into a sex scandal at the U S Air Force Academy two female cadets are found brutally murdered Accustomed to living on the edge and used to his chiseled looks opening doors Malone finds his devil may care attitude is shaken to the core as he and his partner the uncompromising Marva Mother Hubbard track a sadistic killer intent on keeping the secrets of the past buried deep Deception Plan Patrick A. Davis, 2006-12-29 WHEN A U 2 SPY PLANE GOES DOWN IN A FIERY HEAP THE PILOT S DEATH IS A TRAGEDY BUT IT S NO ACCIDENT U S Colonel Ed Coffin is sent to South Korea the land of his birth to lead the most important and grim investigation of his career a secret U 2 spy plane has crashed under highly suspicious circumstances A former U 2 squadron commander Coffin is teamed up with his former lover the irrepressible OSI investigator Marva Mother Hubbard and together they learn that the plane s pilot was specifically targeted for death but why Navigating a geopolitical web strewn with murder ambition and betrayal Coffin is soon embroiled in a desperate race for survival But Coffin is also on another more personal mission and one way or the other it may be his last Salishan Michael Hollister, 2007-12 The stories compiled in this book are about the veterans of the SECOND INFANTRY DIVISION of the Army Division members have served in WWI WWII and Korea and they are still serving in South Korea Iraq and Fort Lewis today These are true stories written by the veterans of the Korean Conflict and passed on to me to be included in this book The book is dedicated to the brave men who fought to preserve our freedoms at a cost that many of us can only imagine The Commander Patrick A. Davis, 2010-06-15 After being unfairly denied promotion by a vindictive general Air Force investigator Major Burton Webber resigned his commission in disgust While working in his wife s shop outside South Korea s Osan Air Base he s asked for help by an old friend from the service A local Amerasian bar beauty has been savagely murdered in a lavish apartment and the powers that be want the case solved quickly and quietly But when his investigation points him toward the upper echelons of both the Korean and American governments he realizes that he s being used as a pawn in a twisted international conspiracy of money power and murder a conspiracy in which Burton Webber has just outlived his usefulness Lee's Tigers Terry L. Jones, 2002-02 Sometimes called the wharf rats from New Orleans and the lowest scrapings of the Mississippi Lee s Tigers were the approximately twelve thousand Louisiana infantrymen who served in the Confederate Army of Northern Virginia from the time of the campaign at First Manassas to the final days of the war at Appomattox Terry L. Jones offers a colorful highly readable account of this notorious group of soldiers renowned not only for their drunkenness and disorderly behavior in camp but for their bravery in battle It was this infantry that held back the initial Federal onslaught at First Manassas made possible General Stonewall Jackson s famed Valley Campaign contained

the Union breakthrough at Spotsylvania's Bloody Angle and led Lee's last offensive actions at Fort Stedman and Appomattox. Despite all their vices, Lee's Tigers emerged from the Civil War with one of the most respected military records of any group of southern soldiers. According to Jones, the unsavory reputation of the Tigers was well earned for Louisiana probably had a higher percentage of criminals, drunkards, and deserters in its commands than any other Confederate state. The author spices his narrative with well-chosen anecdotes, among them an account of one of the stormiest train rides in military history. While on their way to Virginia, the enlisted men of Coppens Battalion uncoupled their officers' car from the rest of the train and proceeded to partake of their favorite beverages. Upon arriving in Montgomery, the battalion embarked upon a drunken spree of harassment, vandalism, and robbery. Meanwhile, having commandeered another locomotive, the officers arrived and sprang from their train with drawn revolvers to put a stop to the disorder. The charge of the Light Brigade, one witness recalled, was surpassed by these irate Creoles. Lee's Tigers is the first study to utilize letters, diaries, and muster rolls to provide a detailed account of the origins, enrollments, casualties, and desertion rates of these soldiers. Jones supplies the first major work to focus solely on Louisiana's infantry in Lee's army throughout the course of the war. Civil War buffs and scholars alike will find Lee's Tigers a valuable addition to their libraries. — *George B. McClellan* H. J. Eckenrode, Bryan Conrad, 2019-01-13

THIS IS MORE THAN THE STORY OF Little Mac. It is the story also of that dark center of intrigue, the nation's capital in 1862 of Washington shaking in its shoes for fear of an invasion by gaunt, hairy beings riding into Washington like Centaurs and perhaps setting fire to the Capitol, a Washington dominated by politicians and partisans where party strife and bitterness were so strong that some members of the government itself preferred Union defeat to a victory which might make a Democrat McClellan a national hero and a presidential possibility, a Washington in which even the President and his Cabinet showed a childish impatience because McClellan did not remove the threat to the capital overnight in spite of a liquid terrain and the greatest military combination in modern history, Lee and Jackson, a Washington rotten with military gossip and spy talk in back alleys. THIS BOOK ORIGINATED in studies made by the historians of the Conservation Commission in the Richmond battlefield area which is comprised in the Richmond Battlefield Park, a charge of the commission. These battlefields are the best preserved and least studied because long inaccessible in the country. A detailed examination of the terrain convinced the historians, both of them Southerners, that McClellan was a great general and that he has been underestimated by historians. Their opinion was confirmed by a study of the records. They came to the conclusion that it was McClellan who prevented the defeat of the North in 1861-62 when the Confederacy was relatively stronger than it was at a later time. Believing that politics should not be permitted to influence military judgments, they have written this book partly for the purpose of doing justice to a great man who has suffered at the hands of history. It is based on the ground itself and the original sources and is believed to be a contribution to American and Virginia history. Foreword — *Nova Samuel R. Delany*, 2002-06-11

Given that the suns of Draco stretch almost sixteen light years from end to end, it stands to reason that the

cost of transportation is the most important factor of the 32nd century And since Illyrion is the element most needed for space travel Lorq von Ray is plenty willing to fly through the core of a recently imploded sun in order to obtain seven tons of it The potential for profit is so great that Lorq has little difficulty cobbling together an alluring crew that includes a gypsy musician and a moon obsessed scholar interested in the ancient art of writing a novel What the crew doesn't know though is that Lorq's quest is actually fueled by a private revenge so consuming that he'll stop at nothing to achieve it In the grandest manner of speculative fiction Nova is a wise and witty classic that casts a fascinating new light on some of humanity's oldest truths and enduring myths

Union Command Failure in the Shenandoah David Powell, 2018-12-19 The Battle of New Market in the Shenandoah Valley suffers from no lack of drama interest or importance The ramifications of the May 1864 engagement which involved only 10 000 troops were substantial Previous studies however focused on the Confederate side of the story David Powell's Union Command Failure in the Shenandoah Major General Franz Sigel and the War in the Valley of Virginia May 1864 provides the balance that has so long been needed Union General Ulysses S Grant regarded a spring campaign in the Valley of Virginia as integral to his overall strategy designed to turn Robert E Lee's strategic western flank deny his Army of Northern Virginia much needed supplies and prevent other Confederates from reinforcing Lee It fell to Union general and German transplant Franz Sigel to execute Grant's strategy in the northern reaches of the Shenandoah while Maj Gen George Crook struck elsewhere in southwestern Virginia Sigel's record in the field was checkered at best and he was not Grant's first choice to lead the effort but a combination of politics and other factors left the German in command Sigel met Confederate Maj Gen John C Breckinridge and his small army on May 15 just outside the crossroads town of New Market The hard fought affair hung in the balance until finally the Union lines broke and Sigel's Yankees fled the field Breckinridge's command included some 300 young men from the Virginia Military Institute's Corps of Cadets VMI's presence and dramatic role in the fighting ensured that New Market would never be forgotten but pushed other aspects of this interesting and important campaign into the back seat of history Award winning author David Powell's years of archival and other research provides an outstanding foundation for this outstanding study Previous works have focused on the Confederate side of the battle using Sigel's incompetence as sufficient excuse to explain why the Federals were defeated This methodology however neglects the other important factors that contributed to the ruin of Grant's scheme in the Valley Union Command Failure in the Shenandoah delves into all the issues analyzing the campaign from an operational standpoint Complete with original maps photos and the skillful writing readers have come to expect from the pen of David Powell Union Command Failure in the Shenandoah will satisfy the most demanding students of Civil War history

The Die-Hards in the Great War: Vol. 2 Everard Wyrall, 2013-01-21 The Die Hards is the nickname of the Middlesex Regiment earned at the battle of Albuera in the Peninsular War in May 1811 The Regiment was one of five that had four regular battalions before the outbreak of war it also had two Special Reserve battalions 5th and 6th and four Territorial battalions 7th to 10th During the

course of the war another thirty nine battalions were formed making the Regiment the second largest along with the King's Liverpool though not all battalions survived to the end of the war twenty four of them went abroad serving on the Western Front Gallipoli Italy Macedonia Mesopotamia India Egypt Palestine Gibraltar and Siberia Losses amounted to 12 720 81 Battle Honours and 5 VCs were awarded The Middlesex were in it right from the start the first soldier of the BEF to be killed was L Cpl Parr 4th Middlesex on 21 August 1914 and the first officer to be killed was from the same battalion Major W H Abell at Mons on 23 August This is not a history that deals with each battalion independently there are too many of them The narrative describes the fortunes of the twenty four active service battalions with very good maps in the various theatres of war though mainly on the Western Front and on every page there is in the margin the date of the action or event being described and the battalion or battalions involved The first volume covers 1914 to the end of 1916 and the second takes up the story from the beginning of 1917 to the armistice including a chapter on operations in Siberia and Murmansk involving the 25th Battalion which didn't get home till September 1919 Speaking of his battalion 25th the CO said One and all behaved like Englishmen the highest eulogy that can be passed upon the conduct of men Sentiments like that expressed today would almost get you clapped in irons There is no Roll of Honour nor list of Honours and Awards There is a very useful appendix listing all the active service battalions with the brigades and divisions to which they were allocated with any subsequent changes and the theatres in which they served

DAWN OF THE APOCALYPSE Edgar Allan Poe, William Hope Hodgson, Jack London, Ernest Bramah, Jonathan Swift, Cleveland Moffett, Anthony Trollope, Richard Jefferies, William Dean Howells, Ayn Rand, Samuel Butler, Milo Hastings, Edward Bellamy, Fritz Leiber, Irving E. Cox, Philip Francis Nowlan, Richard Stockham, Ignatius Donnelly, Owen Gregory, H. G. Wells, E. M. Forster, Fred M. White, Mary Shelley, Edward Bulwer-Lytton, Rokeya Sakhawat Hossain, George Griffith, Edwin A. Abbott, Arthur Dudley Vinton, Gertrude Barrows Bennett, Hugh Benson, 2023-12-16

DAWN OF THE APOCALYPSE is an anthology that traverses the layered narratives of speculative fiction immersing readers in apocalyptic dystopian and utopian worlds that reflect both caution and curiosity about humanity's fate From the chilling whispers of gothic horror to the intricate tapestries of futuristic dystopias this collection encapsulates a diverse array of literary styles The anthology features standout stories that challenge societal norms question the boundaries of reality and explore the human psyche amidst tumultuous change Collectively these works woven by visionaries of speculative fiction delve into the complexities of civilization's twilight inviting readers to ponder the precarious dance between progress and peril The anthology brings together celebrated authors whose varied backgrounds enrich the themes of apocalypse and rebirth From the visionary insights of H G Wells and Mary Shelley architects of literary science fiction to the thought provoking narratives of lesser known yet equally impactful voices like Ignatius Donnelly and Rokeya Sakhawat Hossain this collection is anchored in a rich historical and cultural tapestry Embracing movements like Rationalism Romanticism and Feminism these authors offer unique and multifaceted perspectives that deepen our

understanding of the societal ethical and existential dilemmas explored within these tales DAWN OF THE APOCALYPSE is a compelling invitation to explore the depths of human imagination and its implications for our world Through its blend of perspectives and styles the collection offers readers a unique opportunity to engage with timeless narratives that provoke thought and foster dialogue This anthology is not only an enriching addition to the reader s collection but also a vital cultural artifact that inspires reflection on humanity s future Engage with these stories for their educational value and for the powerful insights they provide into the dynamics of change and the resilience of the human spirit

History of the East Lancashire Regiment in the Great War 1914-1918 Sir Cecil Lothian Nicholson,1936 The Die-hards in the Great War: 1916-1919 Everard Wyrall,1926 **Battle Story: Cambrai 1917** Chris McNab,2012-02-29 Cambrai 1917 was the battle that sowed the seeds of future combined arms tank and infantry warfare while remaining a battle of singular drama in its own right If you truly want to understand what happened and why read Battle Story Detailed profiles explore the background of the generals of the two opposing forces as well as what made up the average German and British soldier First person contemporary sources bring the reader into the world of the Battle of Cambrai and show what it was like to be in the thick of battle Detailed maps highlight key points in the battle and the surrounding area Photographs place you on the front line of the unfolding action Orders of battle reveal the composition of the two opposing forces army in detail Packed with fact boxes this short introduction is the perfect way to explore this important battle *Canadian Expeditionary Force, 1914-1919* G.W.L. Nicholson,Mark Osborne Humphries,2015-11-01 Colonel G W L Nicholson s Canadian Expeditionary Force 1914 1919 was first published by the Department of National Defence in 1962 as the official history of the Canadian Army s involvement in the First World War Immediately after the war ended Colonel A Fortescue Duguid made a first attempt to write an official history of the war but the ill fated project produced only the first of an anticipated eight volumes Decades later G W L Nicholson already the author of an official history of the Second World War was commissioned to write a new official history of the First Illustrated with numerous photographs and full colour maps Nicholson s text offers an authoritative account of the war effort while also discussing politics on the home front including debates around conscription in 1917 With a new critical introduction by Mark Osborne Humphries that traces the development of Nicholson s text and analyzes its legacy Canadian Expeditionary Force 1914 1919 is an essential resource for both professional historians and military history enthusiasts

The High Frontier Stuart Slade,2013-04-29 Living and working in space is man s greatest challenge The men and women serving on the Manned Orbiting Laboratories and the new Manned Orbital Weapons Station know the are the leading edge of most important project humanity has ever attempted The conquest of space will guarantee man s survival Yet there may not be enough time left On Earth one empire is collapsing under its own weight and there are those in its government who would prefer to suffer utter destruction rather than defeat Will a conspiracy to stop them succeed Another is trying to repair the damage from previous blunders and rebuild its relations with the rest of the world Can they succeed

before their enemies use a horrifying new weapon against them As these crises converge to threaten destruction a baffling mystery is solved But the question remains will humanity have time to scale The High Frontier **Generation Of Warriors** Perry Short,2007-06-06 The time frame is June through September of 1863 The characters were real people The story follows the lives of five men who defended their homeland in America s most costly war The novel is set in Northwest Georgia A heavily researched book about brave people making their way through impossible circumstances and about families torn apart Their lives were not easy and this event made life unbearable and impossible to stay in their homes The main character Spillbsy Dyer at thirty five had to remain faithful in his duty as an officer and resist the temptation to desert the Army knowing his nearby family was in harm s way Other characters were part of a mass movement by rail of troops stationed in Richmond Virginia and transported to Northern Georgia They were among the ones who historian Mary Chesnut wrote about when she recorded At Kingsville N C I caught a glimpse of our army God Bless these brave fellows Not one man intoxicated not one rude word did I hear It was a strange sight Miles of platform cars soldiers rolled in their blankets lying in rows heads covered and fast asleep In their gray blankets packed in regular order they looked like swathed mummies All these fine fellows going to kill or be killed Why These men were part of the 132 000 soldiers who descended on the farm land of Northwestern Georgia from all areas of this young country in the drought ridden summer of 1863 **Life Pictures** Robert Love Taylor,1907 The Discrepancy Method Bernard Chazelle,2000 The discrepancy method is the glue that binds randomness and complexity It is the bridge between randomized computation and discrepancy theory the area of mathematics concerned with irregularities in distributions The discrepancy method has played a major role in complexity theory in particular it has caused a mini revolution of sorts in computational geometry This book tells the story of the discrepancy method in a few short independent vignettes It is a varied tale which includes such topics as communication complexity pseudo randomness rapidly mixing Markov chains points on the sphere and modular forms derandomization convex hulls Voronoi diagrams linear programming and extensions geometric sampling VC dimension theory minimum spanning trees linear circuit complexity and multidimensional searching The mathematical treatment is thorough and self contained In particular background material in discrepancy theory is supplied as needed Thus the book should appeal to students and researchers in computer science operations research pure and applied mathematics and engineering **CHOP Line** Henry V. O'Neil,2016-11-29 THE FOURTH INSTALLMENT IN THE GRIPPING SIM WAR SERIES Things are looking grim for the human Alliance against the Sims A revolution on Celestia is draining the war zone of badly needed troops and Alliance Chairwoman Reena Mortas is being blamed for the debacle Her husband and predecessor Chairman Olech Mortas remains missing in the faster than light mode of travel known as the Step Jander and Ayliss Mortas are putting their lives on the line against the Sims he with the hardcore Orphan Brigade and she with the elite all female Banshees But when the mysterious alien shapeshifter from Jander s past reappears he is sent on a secret mission that could possibly allow humanity

to finally communicate with the Sims and end the war Meanwhile Reena's attempts to find her missing husband are yielding surprising revelations from inside the Step that could answer two of humanity's greatest questions Who gave us the Step What is making the Sims In the penultimate book of the Sim War series the truth of these hidden space entities begins to emerge

International Peacekeeping: The Yearbook of International Peace Operations Harvey Langholtz, Boris Kondoch, Alan Wells, 2007-03-31 International Peacekeeping is devoted to reporting upon and analyzing international peacekeeping with an emphasis upon legal and policy issues but is not limited to these issues It is recognized that in today's world there is a wealth of information available from the internet and through other sources It is therefore the goal of this Yearbook to make this information available in one publication which both organizes and records events over the course of a year through analytical articles a chronicle primary documents and a bibliography Topics include inter alia peacekeeping peace war conflict resolution diplomacy international law international security humanitarian relief humanitarian law and terrorism The Yearbook is of scholarly quality but is not narrowly theoretical It provides the interested public diplomats civil servants politicians the military academics journalists NGO employees and serious citizens with a document of record comment and a starting point for further research on peacekeeping and related topics This is achieved not only by the provision of basic documents on CD ROM such as Security Council Resolutions and Reports of the UN Secretary General but also by expert commentaries on world events Peacekeeping is treated in a pragmatic light seen as a form of international military cooperation for the preservation or restoration of international peace and security Attention is focused not only on UN peacekeeping operations but other missions as well This Yearbook is the continuation of the journal International Peacekeeping
