**The Shattered Dream** Iftekhar Ahmed, 2024-10-22 About my book The book entitled The Shattered Dream A bouquet of short stories is my maiden creation in which I endeavoured to present such stories which mainly highlight the dark elements and sinister as well as malicious intent of some hidden enemies who besiege us from all around thereby ruining our peace and serenity of minds The common man sometimes feel utterly miserable and lonesome in dealing with such malignant forces Life is not always a bed of roses for everybody rather it is replete with unconquerable and insurmountable diabolical elements casting their magical spell on all of us thereby making us enchained in their fetters without presenting any exit passage whatsoever therefrom All the stories of this book not only raise thought provoking questions in the minds of the readers but they also make them experience the pangs and sufferings of this mundane yet mysterious world along with the protagonists of each story The purpose of this book is to explore the bitter truth of human life which is mostly poignant and filled with profound sorrow and grief

*Our Shattered Dreams* Martha Gutierrez, 2016-04-05 Despite our hurts and disappointments in life we were created with a purpose Each scene we lived regardless of the pain inflicted to our soul in the end when all the pieces of the puzzle are put together we will be able to see the magnificent masterpiece and then we will be able to understand that there was a reason for every shattered dream Have you wondered if anyone can relate to your pain This book will help you to discover the beauty among the thorns will encourage you to continue the fight you are engaged in and to never give up because you are making the difference in the midst of your surroundings There is no victory without a battle Some abandon their dreams for different reasons This book will inspire you to be an overcomer to be the conqueror you were created and equipped to be even before you realized that you are in a battlefield You are not alone There are others like you who are warriors and understand that it doesnt matter the many pieces they have to pick up from the floor and start all over again they keep fighting for the prize It

doesn't matter how you feel or how many barriers you have to run over you are not alone Your descendants are your fans and witnesses One day they will reap the fruit of your efforts While the breath of life is still in us there is hope and the sky is the limit Every hurt and every disappointment is a stepping stone to your final destination You are not alone Don't give up

**Origins of the Dream** W. Jason Miller, 2015-02-03 Since Martin Luther King Jr's I Have a Dream speech some scholars have privately suspected that King's dream was connected to Langston Hughes's poetry Drawing on archival materials including notes correspondence and marginalia W. Jason Miller provides a completely original and compelling argument that Hughes's influence on King's rhetoric was in fact evident in more than just the one famous speech King's staff had been wiretapped by J. Edgar Hoover and suffered accusations of communist influence so quoting or naming the leader of the Harlem Renaissance who had his own reputation as a communist would only have intensified the threats against the civil rights activist Thus the link was purposefully veiled through careful allusions in King's orations In *Origins of the Dream* Miller lifts that veil and shows how Hughes's revolutionary poetry became a measurable inflection in King's voice He contends that by employing Hughes's

metaphors in his speeches King negotiated a political climate that sought to silence the poet's subversive voice By separating Hughes's identity from his poems King helped the nation unconsciously embrace the incendiary ideas behind his poetry

*Searching for the Spirit of the West* Luigi Morelli,2023-05-29 How can the West rediscover its authentic spirit Exploring the period from 1899 to 1945 from the end of the US frontier and the writing of *The Wonderful Wizard of Oz* to the conclusion of World War II and the dropping of the atom bomb Luigi Morelli traces the events that led the United States to become the world s dominating imperial force America he demonstrates is deeply connected to Britain Germany and Eastern Europe particularly Russia Yet despite their tragic collective histories there is hope for the future if only America can claim its true task *Searching for the Spirit of the West* challenges many of the falsehoods that pass for mainstream history Utilizing a wealth of documented evidence from the research of overlooked historians economists social and spiritual thinkers the author takes a symptomatic view of the past revealing hidden longer term trends This approach offers a new understanding of events such as the rise of Nazism the Great Depression the new Deal and even the roles of banking and clandestine brotherhoods in world history Morelli also appraises *The Wonderful Wizard of Oz* in parallel

with America's cultural achievements Through imagination L Frank Baum's contemporary fairy tale enables us to intuit the true mission of the West and its potential contribution to world culture now and in the future     The Work of the British Law Commissions Shona Wilson Stark,2017-07-13 The Law Commission of England and Wales and the Scottish Law Commission were both established in 1965 to promote the reform of the laws of their respective jurisdictions Since then they have each produced hundreds of reports across many areas of law They are independent of government yet rely on governmental funding and governmental approval of their proposed projects They also rely on both government and Parliament and occasionally the courts or other bodies to implement their proposals This book examines the tension between independence and implementation and recommends how a balance can best be struck It proposes how the Commissions should choose their projects given that their duties outweigh their resources and how we should assess the success or otherwise of their output Countries around the world have created law reform bodies in the Commissions image They may wish to reflect on the GB Commissions responses to the changes and challenges they have faced to reappraise their own law reform machinery Equally the GB Commissions may seek inspiration from other commissions experiences The world the GB Commissions inhabit now is very different from when they were established They have evolved to remain relevant in the face of devolution the UK's changing relationship with the European Union increasing pressure for accountability and decreasing funding Further changes to secure the future of independent law reform are advanced in this book     On Wings of Storm Anthony Yeo,2006
