Adult Piano Adventures Classics Book 2 - Symphony Themes, Opera Gems and Classical Favorites Nancy Faber, Randall Faber, 2017-05-01 Faber Piano Adventures In this inspiring collection late elementary to early intermediate pianists will find appealing arrangements that advance skills while exploring masterworks of Western music The famous orchestral keyboard and operatic repertoire here spans four periods of music history In the Baroque Classical section discover the elegance of Bach the beauty of Mozart and the passion of Beethoven Through the pages of the Romantic Impressionistic section sample the lyricism of Chopin the drama of Grieg and the atmosphere of Debussy May the melodies of these and many other composers open an enduring world of expression and sound Musical Concerns Jerrold Levinson, 2015-04-02 This volume presents a new collection of essays all of them dealing with music by Jerrold Levinson one of the most prominent philosophers of art today It follows in the line of Levinson's earlier collections *Music Art and Metaphysics* 1990 *The Pleasures of Aesthetics* 1996 and *Contemplating Art* 2006 and is representative of the most stimulating work being done under the rubric of analytic aesthetics The essays which are wide ranging should appeal to aestheticians philosophers musicologists music theorists music critics and music lovers of all kinds Three of the twelve essays comprising the volume have not previously been published and in somewhat of a departure for Levinson four of the essays focus on music in the jazz tradition

Music Teacher and Piano Student, 1945 **Guided Imagery & Music (GIM) and Music Imagery Methods for Individual and Group Therapy** Denise Grocke, Torben Moe, 2015-05-21 This edited volume systematically describes the major adaptations of the Bonny Method of Guided Imagery which accommodate a variety of contexts and client groups The international contributors who each use these adaptations in their own clinical practice provide theoretical and practical details of the approach used for their client group **Catalog of Copyright Entries** Library of Congress. Copyright Office, 1957 Grainger the Modernist Suzanne Robinson, Kay Dreyfus, 2016-03-09 Unaccountably Percy Grainger has remained on the margins of both American music history and twentieth century modernism This volume reveals the well known composer of popular gems to be a self described hyper modernist who composed works of uncompromising dissonance challenged the conventions of folk song collection and adaptation re visioned the modern orchestra experimented with ego less composition and designed electronic machines intended to supersede human application Grainger was far from being a self sufficient maverick working in isolation Through contact with innovators such as Ferruccio Busoni L on Theremin and Henry Cowell promotion of the music of modern French and Spanish schools appreciation of vernacular jazz and folk musics as well as with the study and transcription of non Western music he contested received ideas and proposed many radical new approaches By reappraising Grainger's social and historical connectedness and exploring the variety of aspects of modernity seen in his activities in the British American and Australian contexts the authors create a profile of a composer propagandist and visionary whose modernist aesthetic paralleled that of the most advanced composers of his day and in some

cases anticipated their practical experiments

The Aesthetics of Music Roger Scruton, 1999 Now available in paperback this is perhaps the first comprehensive account of the nature and significance of music from the perspective of modern philosophy and the only treatment of the subject which is properly illustrated with music examples The book starts from the metaphysics of sound distinguishes sound from tone analyses rhythm melody and harmony and develops a novel account of music as the intentional object of an imaginative perception The argument explores the various dimensions of musical organization and musical meaning and shows exactly how and why music is an expressive medium The Aesthetics of Music explains and criticizes many fashionable theories in the philosophy and theory of music and mounts a case for the moral significance of music its place in our culture and the need for taste and discrimination in both performer and listener The various schools of musical analysis are subjected to a critical examination and recent criticism of tonality as the foundation of musical order are rehearsed and rejected Scruton defends the objectivity of aesthetic values lays down principles of criticism and ends with an energetic critique of modern popular music
