*The Grain Market in the Roman Empire* Paul Erdkamp, 2005-11-03 This book explores the economic social and political forces that shaped the grain market in the Roman Empire Examining studies on food supply and the grain market in pre industrial Europe it addresses questions of productivity division of labour market relations and market integration The social and political aspects of the Roman grain market are also considered Dr Erdkamp illustrates how entitlement to food in Roman society was dependent on relations with the emperor his representatives and the landowning aristocracy and local rulers controlling the towns and hinterlands He assesses the response of the Roman authorities to weaknesses in the grain market and looks at the implications of the failure of local harvests By examining the subject from a contemporary perspective this book will appeal not only to historians of ancient economies but to all concerned with the economy of grain markets a subject which still resonates today

Rivers and the Power of Ancient Rome J. B. Campbell, 2012 Figuring in myth religion law the military commerce and transportation rivers were at the heart of Rome s increasing exploitation of the environment of the Mediterranean world In Rivers and the Power of Ancient Rome Brian Campbell explores

After the Past Willem Jongman, Marc Kleijwegt, 2017-09-18 What was funny about ancient jokes and why Why did the Roman state legislate to curb the behaviour of its obscenely rich and powerful elite if it never really expected such laws to be obeyed Why did it oppress

the poor and lavish public child support on them These are important questions but ancient Greeks and Romans could never have thought of them They never questioned the right of the rich to be rich They could not improve their understanding of Homeric gift giving with the experience of ritualized friendship among the Trobriand islanders Such questions and such answers can only come from those who live after the ancient past This volume honours the well known Dutch epigraphist and ancient historian H W Pleket Ten substantial essays reflect his wide range from early Greece to the Roman Empire and his taste for comparative economic and social history     Slavery and Society at Rome Keith R. Bradley,1994-10-13 This book first published in 1994 is concerned with discovering what it was like to be a slave in the classical Roman world

Drummond,2015-05-22 Imperial policy on the western frontier of the Roman Empire was the means by which the government controlled the frontier residents This book takes a topical approach to this study of the frontier subjects covered include the army farming commerce manufacturing religion and Romanization     **Empire of Pleasures** Andrew Dalby,2002 An evocative survey of the sensory culture of the Roman Empire showing how the Romans themselves depicted their food wine and entertainments in literature and in art     *The Cambridge Economic History of the Greco-Roman World* Walter Scheidel,Ian Morris,Richard P. Saller,2007-11-29 In this the first comprehensive survey of the economies of classical antiquity twenty eight chapters summarise the current state of scholarship in their specialised fields and sketch new directions for research They reflect a new interest in economic growth in antiquity and develop new methods for measuring economic development often combining textual and archaeological data that have previously been treated separately     Rome's Imperial Economy W. V. Harris,2011-02-03 An assessment of the economic success of Imperial Rome consisting of eleven previously published papers by the historian W V Harris with additional comments to bring them up to date Harris also includes a new study of poverty and destitution and a substantial introduction which ties the collection together     *The Roman Villa in the Mediterranean Basin* Annalisa Marzano,Guy P. R. Métraux,2018-07-12 This volume offers a comprehensive survey of Roman villas in Italy and the Mediterranean provinces of the Roman Empire from their origins to the collapse of the Empire The architecture of villas could be humble or grand and sometimes luxurious Villas were most often farms where wine olive oil cereals and manufactured goods among other products were produced They were also venues for hospitality conversation and thinking on pagan and ultimately Christian themes Villas spread as the Empire grew Like towns and cities they became the means of power and assimilation just as infrastructure such as aqueducts and bridges was transforming the Mediterranean into a Roman sea The distinctive Roman Italian villa type was transferred to the provinces resulting in Mediterranean wide culture of rural dwelling and work that further unified the Empire     **Dieting for an Emperor** Grant,2018-07-17 The commentary indicates Oribasius source for each quotation or paraphrase assesses the accuracy and comprehensibility of the contents and suggests the reasons behind the recommendations and rejections of

certain cakes breads fruits and vegetables To aid further research in the field of ancient dietetics a detailed word index is appended The introduction summarises the more important points about the medical theories behind the humours and qualities and how regulating the intake of foods could assist in the maintenance of good health     *The Ecology of the Ancient Greek World* Robert Sallares,1991 A pioneering study in historical population biology this book offers the first comprehensive ecological history of the ancient Greek world It proposes a new model for treating the relationship between the population and the land centering on the distribution and abundance of living organisms     *Collegia Centonariorum* Jinyu Liu,2009 The collegia centonariorum were often seen as the municipal fire brigades or status groups of sorts in the Roman cities Through a close investigation of the chronological development and geographical distribution of the collegia centonariorum their legal privileges and the prosopographical data of members and patrons this volume reveals a much more complex picture of their origins characters and compositions in various regions from the first century BC to the fourth century AD Intricately connected with the textile economy the collegia centonariorum illustrate how elements as diverse as material demand from the military and the city of Rome legal infrastructure urban development and organizations of urban based craftsmen and tradesmen may have interfaced with each other in the Roman world
