Muslim Civic Cultures and Conflict Resolution John N. Paden, 2006-03-30 The question of whether Islam is compatible with democracy may best be answered not from the classical sources or even from the cauldron of Middle East politics but from the lived experiences of Muslim communities around the world. In large and diverse countries the varied political values of different cultures can make or break the democratic experiment. Regardless of their cultural context transitions from military to civilian rule require attention to the grassroots civic cultures that form the foundations of democratic federalism. John Paden, a noted expert on West African and Islamic societies, uses Nigeria as a critical case study of how a diverse country with a significant Muslim population is working to make the transition to a democratic society. Although little studied, the non-Arab Muslim communities of West Africa are an important indicator as to whether Islamic democracy in a diverse nation is possible. Nigeria's success is vital to regional and global stability. As the largest country in Africa with a population that is about half Muslim and half Christian or traditional animist, Nigeria is also the seventh largest producer of oil in the world and has gone through a series of political traumas ranging from civil war to military rule. The current democratic government is trying to balance rule of law concerns at a time when many communal tensions are coming to the surface. *Muslim Civic Cultures and Conflict Resolution in Nigeria* takes us inside the complex world of Nigerian politics with a focus on the ways Muslim civic cultures deal with matters of leadership and conflict resolution. The book provides an essential context to the current international concern with issues ranging from Shari'a law and communal violence to the broader war on terrorism. It argues that the requirement for regional political cooperation serves as a counterbalance to more extreme forms of political expression. Paden shows that if the Nigerian political model of

ASIWAJU: The Biography of Bolanle Ahmed Adekunle Tinubu Moshood Ademola Fayemiwo, PhD & Margie Neal-Fayemiwo, Ed.D, 2017-07-06 Asiwaju Tinubu, national leader APC, engineered the first takeover of power by the opposition in Nigeria in 2015. He was the only politician standing as governor of Lagos state, southwest Nigeria, between 1999 and 2007. This was a period the political blitzkrieg unleashed by the People's Democratic Party (PDP) under former President Olusegun Obasanjo swept the southwest like a tsunami and all opposition governors lost their seats. Tinubu retained his seat and administered Lagos state for eight progressive years without a cent kobo from the PDP-controlled Federal Government. Who is Bolanle Tinubu? Where was he born and how did he grow up? What was his parentage like in the 1950s? What does Tinubu want in Nigeria? This is the first comprehensively researched biography of Jagaban.
