would eventually produce world class Canadian events and racers that course would also ultimately change the purpose of the sport from personal recreation to mass entertainment As technological innovations drove up the costs of competing at the top ranks racers were forced to rely on sponsors who commercialized and ultimately gained control of the sport The end result Charters argues was the marginalization of the amateur competitor and of the CASC itself Based on extensive research into the CASC s records and dozens of interviews with former competitors and officials *The Chequered Past* opens a window into the rich but virtually unknown history of the auto sport and claims for it a place in Canadian sports history **Cars & Parts** ,1988 Mustang 1964 1/2 - 1973 David Newhardt,2003 *The Specification Book for U.S. Cars, 1930-1969* G.
