Elizabeth and Monty Charles Casillo, 2021-05-25 Violet eyed siren Elizabeth Taylor and classically handsome Montgomery Clift were the most gorgeous screen couple of their time Over two decades of friendship they made separately and together some of the era's defining movies including *Cat on a Hot Tin Roof* *The Misfits* *Suddenly Last Summer* and *Cleopatra* Yet the relationship between these two figures one a dazzling larger than life star the other hugely talented yet fatally troubled has never truly been explored until now Monty Elizabeth likes me but she loves you Richard Burton When Elizabeth Taylor was cast opposite Montgomery Clift in *A Place in the Sun* he was already a movie idol with a natural sensitivity that set him apart At seventeen Elizabeth was known for her ravishing beauty rather than her talent Directors treated her like a glamorous prop But Monty took her seriously inspiring and encouraging her In her words That's when I began to act To Monty she was Bessie Mae a name he coined for her earthy private side The press clamored for a wedding convinced this was more than friendship The

truth was even more complex Monty was drawn to women but sexually attracted to men a fact that if made public would destroy his career But he found acceptance and kinship with Elizabeth Her devotion was never clearer than after his devastating car crash near her Hollywood home when she crawled into the wreckage and saved him from choking Monty's accident shattered his face and left him in constant pain As he sank into alcoholism and addiction Elizabeth used her power to keep him working In turn through scandals and multiple marriages he was her constant Their relationship endured until his death in 1966 right before he was to star with her in *Reflections in a Golden Eye* His influence continued in her outspoken support for the gay community especially during the AIDS crisis Far more than the story of two icons this is a unique and extraordinary love story that shines new light on both stars revealing their triumphs demons and the loyalty that united them to the end Praise for Elizabeth and Monty Casillo weaves an engrossing story about the intertwined lives of his subjects the parallel worlds of privilege that they came from the personal misfortunes that each suffered and the seemingly inextricable path that led to that fateful night The author approaches them both with sympathy and comes away with a melodrama as good as any that they ever starred in *The New York Times* In a riveting new book that brings Hollywood's golden age to life with colorful well researched details and interviews with stars who knew Taylor and Clift Casillo explores the intense bond the two shared *People Magazine* A new dual biography details a relationship that became a Hollywood legend *Town Country* Their on screen magic translated outside of the spotlight and the duo enjoyed a long lasting friendship that's explored in the new book *Elizabeth and Monty The Untold Story of Their Intimate Friendship* by Charles Casillo Classic movie buffs get a glimpse into their unique bond *Southern Living* As Casillo reveals in *Elizabeth And Monty The Untold Story Of Their Intimate Friendship* they had an intense even romantic relationship which while never consummated would weigh heavily on Taylor's life propelling her into a string of misguided marriages *Daily Mail UK* So jammed packed with sex pill popping alcoholism affairs breakdowns suicide attempts and multiple brushes with death that most readers will want to read it in one greedy high caloric gulp Readers may come for the nonstop scandals but what will keep them reading is Casillo's deeply empathetic and nuanced portrait of two Hollywood stars who forged a loving and loyal friendship *Shelf Awareness* Has the feel of a novel A well researched work that will appeal to readers who like their celebrity biographies juicy *Library Journal* In this dual biography their intertwined lives and careers are recounted with new and vivid detail and their FriendshipGoals are considered from all angles by Casillo the author of *Marilyn Monroe The Private Life of a Public Icon* and *Outlaw The Lives and Careers of John Rechy* The book is incisive on the politics and personalities of bygone Hollywood an understanding Casillo credits to friends like the late screenwriter and film historian Gavin Lambert *Inside Daisy Clover* *The Roman Spring of Mrs Stone* *Everything Zoomer*

Flannery O'Connor's Manhattan Katheryn Krotzer Laborde, 2024-08-20 This book offers a unique twist to the *Who's Who* of midcentury writers editors and artists Much is made of Flannery O'Connor's life on the Georgia dairy farm Andalusia a rural setting that clearly influenced her writing But before she lived on that farm before she

showed signs of having lupus before she became dependent on her mother and then succumbed to the disease at thirty nine O Connor lived in the northeast She stayed at the artists colony Yaddo in 1948 and early 1949 and lived in Connecticut with good friends from fall of 1949 through all of 1950 But in between those experiences and perhaps more importantly O Connor lived in Manhattan In her biographies little is said of her time in Gotham in some sources this period gets no more than one sentence But little is said because little has been known In Flannery O Connor s Manhattan the author s goal is to explore New York City from O Connor s point of view To do this the author consults not just letters both unpublished and published and biography but five personal address books housed in Emory s Stuart A Rose Manuscript Archives and Rare Book Library The result is a book of interest to both the O Connor fan and the O Connor scholar not to mention those interested in midcentury Manhattan Flannery O Connor s Manhattan is part guide to the who was who and who lived where of New York from roughly 1948 to 1964 at least those as they mattered to O Connor It also acts as a window to the writer s experiences in the city whether she was coming into town for a series of meetings or strolling down Broadway on her way to lunch In the end it is the combination of the who she knew and the what she did that formed O Connor s personal view of what is arguably the most famous of American cities
