Shelley's mythmaking

Harold Bloom

Shelleys Mythmaking

Jean-Pierre Mileur

Shelleys Mythmaking:

Shelley's Mythmaking Harold Bloom, 1969 **Shelley's Mythmaking** Harold Bloom, 1969 **Shelley's theory of poetry** Earl J. Schulze, 2015-07-24 No detailed description available for Shelley's theory of poetry **Shelley's Process** Jerrold E. Hogle, 1989-01-12 In this set of thorough and revisionary readings of Percy Bysshe Shelley's best known writings in verse and prose Hogle argues that the logic and style in all these works are governed by a movement in every thought memory image or word pattern whereby each is seen and sees itself in terms of a radically different form For any specified entity or figure to be known for what it is it must be reconfigured by and in terms of another one at another level which must then be dislocated itself In so delineating Shelley's process Hogle reveals the revisionary procedure in the poet's various texts and demonstrates the powerful effects of radical transference in Shelley's visions of human possibility **Shelley's Living Artistry** Madeleine Callaghan, 2017 This study of the poetry and drama of Percy Bysshe Shelley reads the letters and their biographical contexts to shed light on the poetry tracing the ambiguous and shifting relationship between the poet's art and life For Shelley both life and art are transfigured by their relationship with one another where the poet participates in the eternal the infinite and the one but is equally bound up with and formed by the society in which he lives and the past that he inherits Callaghan shows that the distinctiveness of Shelley's work comes to rest on its wrong footing of any neat division of life and art The dazzling intensity of Shelley's poetry and drama lies in its refusal to separate the twain as Shelley explores and finally explodes the boundaries between what is personal and what is poetic Arguing that the critic like the artist cannot ignore the conditions of the poet's life Callaghan reveals how Shelley's artistry reconfigures and redraws the actual in his poetry The book shows how Shelley's poetic daring lies in troubling the distinction between poetry as aesthetic work hermetically sealed against life and poetry as a record of the emotional life of the poet **The Oxford Handbook of Percy Bysshe Shelley** Madeleine Callaghan, 2013 The book is an authoritative and up to date collection of original essays on one of the greatest of all English poets Percy Bysshe Shelley It covers a wide range of topics exploring Shelley's life and work from various angles **The Complete Poetry of Percy Bysshe Shelley** Percy Bysshe Shelley, 2021-05-04 This new volume of JHU Press's landmark Shelley edition contains posthumous poems edited from original manuscripts The world will surely one day feel what it has lost wrote Mary Shelley after Percy Bysshe Shelley's premature death in July 1822 Determined to hasten that day she recovered his unpublished and uncollected poems and sifted through his surviving notebooks and papers In Genoa during the winter of 1822-23 she painstakingly transcribed poetry interlined and broken into fragments so that the sense could only be deciphered and joined by guesses Blasphemy and sedition laws prevented her from including her husband's most outspoken radical works but the resulting volume Posthumous Poems of Percy Bysshe Shelley 1824 was a magnificent display of Shelley's versatility and craftsmanship between 1816 and 1822 Few such volumes have made more difference to an author's reputation The seventh volume of the acclaimed Complete Poetry of Percy Bysshe Shelley extracts

from Posthumous Poems those original poems and fragments Mary Shelley edited The collection opens with Shelley's enigmatic dream vision The Triumph of Life the last major poem he began and in the opinion of T S Eliot the finest thing he ever wrote There follow some of the most famous and beautiful of Shelley's short lyrics narrative fragments two unfinished plays and other previously unreleased pieces Upholding the standards of accuracy and comprehensiveness set by previous volumes every item in Volume 7 has been newly edited from the original manuscripts in some cases superseding texts that have stood since 1870 Extensive appendixes contain Mary Shelley's preface to Posthumous Poems Shelley's source for Ginevra and preparatory material for his play Charles the First Wide ranging discussions of the poems composition influences publication circulation reception and critical history accompany detailed records of textual variants for each work The editorial overview and commentaries offer insights into Mary Shelley's editorial strategies while proposing surprising new contexts and redatings Volumes 4 to 6 are in preparation

Shelley's Goddess Barbara Charlesworth Gelpi, 1992 The subject of Gelpi's new book is the importance of the mother infant relationship in Percy Bysshe Shelley's poetry and life However her book also uses Shelley as a touchstone by which to examine the rich historical and theoretical issues relevant to motherhood in the Romantic period Gelpi offers a detailed account of the historical rise in attention paid to mothering the changing cultural attitudes towards the role of the mother and the resulting effect on the nature of family life She further discusses the psychoanalytic Marxist and developmental approaches to the mother infant relationship particularly to the connection each makes between that relationship and the acquisition of language By combining psychoanalytic poststructuralist and feminist theory with extensive biographical material on Shelley and information on the position of mothers in England after 1790 Gelpi offers an important reassessment of Shelley's avowed feminism and the failure of his utopian vision

Criticism in the Wilderness Geoffrey H. Hartman, 2007-01-01 Originally published in 1980 this now classic work of literary theory explores the wilderness of positions that grew out of the collision between Anglo American practical criticism and Continental philosophic criticism This second edition includes a new preface by the author as well as a foreword by Hayden White A key text for understanding the fate of reading in the Anglophone world over the last fifty years Hayden White from the Foreword Criticism in the Wilderness may be the best most brilliant most broadly useful book yet written by an American about the sudden swerve from the safety of established decorum toward bravely theoretical mainly European forms of literary criticism Terrence Des Pres Nation A polemical survey that reaffirms the value of the Continental tradition of philosophical literary criticism Notable Books of the Year New York Times Book Review

Romantic Poetry Karl Kroeber, Gene W. Ruoff, 1993 This anthology fills the need for a comprehensive up to date collection of the most important contemporary writings on the English romantic poets During the 1980s many theoretical innovations in literary study swept academic criticism Many of these approaches from deconstructive new historicist and feminist perspectives used romantic texts as primary examples and altered radically the ways in which we read Other major changes have occurred in

textual studies dramatically transforming the works of these poets The world of English romantic poetry has certainly changed and Romantic Poetry keeps pace with those changes Karl Kroeber and Gene W Ruoff have organized the book by poet Blake Wordsworth Coleridge Byron Shelly and Keats and have included essays representative of key critical approaches to each poet s work In addition to their excellent general introduction the editors have provided brief helpful forewords to each essay showing how it reflects current approaches to its subject The book also has an extensive bibliography sure to serve as an important research aid Students on all levels will find this book invaluable *Shelley and the Revolutionary Sublime* Cian Duffy,2005-10-06 Offering a genuinely fresh set of perspectives on Shelley s texts and contexts Cian Duffy argues that Shelley s engagement with the British and French discourse on the sublime had a profound influence on his writing about political change in that age of revolutionary crisis Examining Shelley s extensive use of sublime imagery and metaphor Duffy offers not only a substantial reassessment of Shelley s work but also a significant re appraisal of the sublime s role in the cultural history of Britain during the Romantic period as well as Shelley s fascination with natural phenomena

Literary Revisionism and the Burden of Modernity Jean-Pierre Mileur,2023-11-10 Literary Revisionism places Bloom his ally Geoffrey Hartman and their contemporary literary situation in a broad historical and theoretical context by exploring the provenance of the revisionist stance in the origins of the New Testament canon in the works of the Sensibility Poets and the great Romantics and in the emergence of our own secular modernity The results is an uncanny sense of the wholeness of the tradition ironically coupled with an awareness that we are cut off from the past by the very insistence with which we employ criticism to maintain the fiction of an isolate modernity This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1985 **Shelley** Michael O'Neill,2014-09-19 Attacked by T S Eliot and F R Leavis Shelley s poetry has over the last few decades enjoyed a revival of critical interest His radical politics and arrestingly original poetic strategies have been studied from a variety of perspectives formalist deconstructionist new historicist feminist and others Of all the Romantics Shelly has benefited most from the so called theoretical revolution as is borne out by the wide range of recent critical work represented in this volume The 134 essays selected analyse many of Shelley s finest poems including Alastor Julian and Maddalo Prometheus Unbound Adonais and The Triumph of Life Michael O Neill s informed Introduction explores the contours of this debate Detailed headnotes to the individual essays explanations of difficult terms and a further reading section provide invaluable guides to the reader This collection illuminates the enduring and contemporary significance of the work of a major poet *Coleridge and Shelley* Sally West,2016-05-23 Sally West s timely study is the first book length exploration of Coleridge s influence on Shelley s poetic development Beginning with a discussion of Shelley s views on Coleridge as a man and as a poet West argues that

there is a direct correlation between Shelley's desire for political and social transformation and the way in which he appropriates the language imagery and forms of Coleridge often transforming their original meaning through subtle readjustments of context and emphasis While she situates her work in relation to recent concepts of literary influence West is focused less on the psychology of the poets than on the poetry itself She explores how elements such as the development of imagery and the choice of poetic form often learnt from earlier poets are intimately related to poetic purpose Thus on one level her book explores how the second generation Romantic poets reacted to the beliefs and ideals of the first while on another it addresses the larger question of how poets become poets by returning the work of one writer to the literary context from which it developed Her book is essential reading for specialists in the Romantic period and for scholars interested in theories of poetic influence

The Supplement of Reading Tilottama Rajan, 2018-03-15 Tilottama Rajan illuminates a crisis of representation within romanticism evident in the proliferation of stylistically and structurally unsettled literary texts that resist interpretation in terms of a unified meaning The Supplement of Reading investigates the role of the reader both in romantic literary texts and in the hermeneutic theory that has responded to and generated such texts Rajan considers how selected works by Coleridge Wordsworth Blake Shelley Godwin and Wollstonecraft explore the problem of understanding in relation to interpretive difference including the differences produced by gender class and history

The Other Mary Shelley Audrey A. Fisch, Anne Kostelanetz Mellor, Esther H. Schor, 1993 Although Frankenstein is now widely read little attention has been paid to the considerable corpus of Mary Shelley's other works Ironically the excitement of the last decade of feminist approaches to Frankenstein has obscured the persona of its author This book presents the other Mary Shelley the writer whose shrewd assessments of Romanticism gender and society resonate strongly in the setting of contemporary politics culture and feminism

Shelley and nonviolence Art Young, 2015-07-24 No detailed description available for Shelley and nonviolence

Figural Space William D. Melaney, 2021-04-15 This book is concerned with the continuing viability of both Freud and Hegel to the reading of modern literature The book begins with Julia Kristeva's attempts to relate Hegelian thought to a psychoanalytically informed conception of semiotics that was first explored in her influential study *The Revolution of Poetic Language* and then modified in later books that develop semiotics in new directions Kristeva's agreements and disagreement with Hegel are important to the book's argument which ultimately defends Hegel against familiar poststructuralist detractions However the book's conceptual argument requires a historical exposition with chapters devoted to literary figures ranging from Spenser to Ishiguro One of the purposes of the book is to demonstrate that Hegel's contribution to modern thought is at least partially exhibited in the history of literature which also corroborates some of the deeper insights of psychoanalysis

Dante and the Romantics A. Braid, 2004-09-30 The British Romantic poets were among the first to realise the centrality of the Divine Comedy for the evolution of the European epic This study explores the significance of Dante for Percy Bysshe Shelley John Keats and William Blake What was their idea of Dante Why did they

feel the need to approach his Christian epic on the afterlife This study aims to answer these questions by focusing on the three poets preoccupation with form and language **Romantic Echoes in the Victorian Era** Andrew Radford, 2017-03-02

In tracing those deliberate and accidental Romantic echoes that reverberate through the Victorian age into the beginning of the twentieth century this collection acknowledges that the Victorians decided for themselves how to define what is Romantic The essays explore the extent to which Victorianism can be distinguished from its Romantic precursors or whether it is possible to conceive of Romanticism without the influence of these Victorian definitions Romantic Echoes in the Victorian Era reassesses Romantic literature s immediate cultural and literary legacy in the late nineteenth century showing how the Victorian writings of Matthew Arnold Wilkie Collins the Bront s the Brownings Elizabeth Gaskell Charles Dickens Gerard Manley Hopkins Thomas Hardy and the Rossettis were instrumental in shaping Romanticism as a cultural phenomenon Many of these Victorian writers found in the biographical literary and historical models of Chatterton Coleridge Byron Shelley Keats and Wordsworth touchstones for reappraising their own creative potential and artistic identity Whether the Victorians affirmed or revolted against the Romanticism of their early years their attitudes towards Romantic values enriched and intensified the personal creative and social dilemmas described in their art Taken together the essays in this collection reflect on current critical dialogues about literary periodisation and contribute to our understanding of how these contemporary debates stem from Romanticism s inception in the Victorian age

Unveiling the Power of Verbal Beauty: An Emotional Sojourn through **Shelleys Mythmaking**

In a world inundated with displays and the cacophony of instantaneous interaction, the profound energy and mental resonance of verbal beauty often disappear into obscurity, eclipsed by the continuous onslaught of noise and distractions. However, located within the musical pages of **Shelleys Mythmaking**, a charming perform of fictional splendor that pulses with natural thoughts, lies an unforgettable trip waiting to be embarked upon. Published by way of a virtuoso wordsmith, that enchanting opus instructions visitors on a mental odyssey, gently exposing the latent potential and profound impact stuck within the complex internet of language. Within the heart-wrenching expanse of this evocative examination, we shall embark upon an introspective exploration of the book is central subjects, dissect their charming publishing type, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
