Showdown At Armageddon:

Showdown at Armageddon George E. Vandeman, 1987 **Our Crumbling Civilization and Collapsing Universe of 5 Percent** Plammoottil Cherian, 2021-01-11 It is the biggest question of all in the universe when and from what universe came into being and how it expanded It puzzled Einstein and many other cosmologist after him Finally they have discovered the particle which they mysteriously named the God particle As the mystery surrounds this particle their quest will either end in finding God the source of the particle or not In an age when biblical truth are considered fairytales by many a scientists someone must be bold enough to tell the truth that in the beginning the universe was void and darkness prevailed in the entire cosmos until God separated darkness by his eternal light and used 5 percent of the dark matter to create the universe and everything within it Dr Cherian courageously links the Scriptures and the science behind the dark matter and the scientists who were divinely guided to name it the God particle Newton s and Einstein s dreams have been materialized and though not accepted by the vast majority of scientists openly many are compromising that universe formed from a cosmic evolution and life evolved abiogenetically and God interjected his presence into the process of evolution to claim his role a most absurd stand While the latest scientific discoveries tackled the biggest mystery of the universe scientific discoveries have corroborated the truth man humanity is nothing but specks of the dust Ps 103 14 While God who created the universe sits enthroned above the circle of the earth and stretches out expanse the heavens like a canopy and spreads them out like a tent Isa 40 22 is also holding the universe in his hands Dr Cherian brings to light the neglected truth that science and theology are the perfect match of God s truth in the universe Most of the scientific discoveries deciphered during the last five hundred years are recorded in the Bible including water in the exoplanets and the dark matter and dark energy that have been discovered recently The author has succinctly explained with specific biblical references and explanations The author also reveals that from Plymouth Rock to Independence Hall and throughout the length and breadth of America the profound Christian heritage is engrained in every inch of the land and America cannot negate God from our land God s systematic order of creation was schemed as stages of unguided evolution All Christians of the nation must reinvent the declaration by the Supreme Court of the United States in 1892 that This a Christian Nation and present day lawmakers must adhere to that with freedom and liberty for all Like a skilled attorney the author explains America is part of the Israel of God and a member of the Commonwealth of Israel as explained by Apostle Paul The United States of America and the United Kingdom are two nations blessed by God under the protection of the Almighty God and we have a moral mandate to preserve our godly culture and civilization and lead other nations to follow before Armageddon which is imminent **Watchman! Watchman! What of the Night?** Kenneth Stanford, 2019-08-23 The title Watchman Watchman What of the Night was selected on the basis of the soon to unfold Great Tribulation Period GTP The purpose of the title is to attract an interest in the reply that the watchman gave I see the dawn coming and also a Night It is this approaching Night that the watchman saw which represents the

judgments of God and the wrath of man that will unfold during the GTP In essence the GTP will last for seven years the last week in Daniel s prophecy that concludes the 367 weeks upon the Children of Israel There is a strong indication that this Night which horrified the watchman is likely to commence anytime between mid 2023 AD and mid 2025 AD You can follow my deliberations in this regard in this second book however there is also complimentary information in Who s Paying Attention Please refer **The Time Is Near** Ian Foley,2016-05-31 The Time Is Near the second and final volume of a paired set builds upon the foundations laid in the first volume to offer a comprehensive and systematic interpretation and explanation of the final book of the Bible Revelation The author Ian Foley summarizes the findings of the first volume before turning to an exploration of this often misunderstood biblical book This volume explains how two books of apocalyptic literature Daniel and Revelation have similar structures display similar styles of writing and offer seamlessly connecting content The benefit of this comparison comes in recognizing that the ambiguities and confusions of meaning that typically accompany readings of Revelation fade away The reader then receives a clear view of a complete prophetic picture of Gods plan for his world stretching from 605 BC to the end of this age and beyond In its thirty two parts The Time Is Near presents concise statements of position that begin with Daniel dwell on Jesus and Paul and then focus primarily on Revelation By offering this overall summary of a clear word of prophecy and by supporting it with immersion in the Bible and reflection on historical events The Time Is Near invites readers reflection and testing In a time in which the worldwide church faces great challenges The Time Is Near speaks clearly of refreshingly new insights that will help Christians to face those challenges and to resolve their uncertainties about the meaning of Revelation for this world and the next *The Lord of the Sabbath Opens His Book of Revelation* Christopher Fung,2017-09-11 Intuitive logical thinking would suggest that Revelation should be One biblically coherent and complete narration That uses only natural and biblical symbols To retell God s consistent work from beginning to end That reveals Jesus and his resurrection as the focus To call for decisive response from every person For the creation which God loves and will glorify To close God s written oracle to humankind But almost no one has been able to demonstrate these Through the lens of God bringing his created order from the beginning to his final Sabbath in Jesus Christ and noticing an overlooked peculiarity of Revelation chapter 20 is glaringly different to the rest of the chapters the mysteries of Revelation are shown to be plainly manifested truths already in the Bible rather than esoteric and hidden teachings still to be deciphered Centering Jesus in all things Revelation filters out inconsequential and errant teachings and highlights the essential core of Judeo Christianity to prompt a response from every person made in God s image Poignantly it shines a light on the current global crises environmental political religious and economic This book s common sense context first exegesis sets it apart from most other Revelation commentaries on the market **Decade of Destiny** George E. Vandeman,1989

Foretaste of Armageddon Jimmy Surgence,2015-01-15 We hear much about Armageddon these days Just what is meant by Armageddon Is it a real event that is actually going to happen What does the Bible tell us about Armageddon Just before the Second Coming the evil forces of the world will declare war on Jesus and his people He will appear and win the war without ever firing a shot The light of his countenance will disperse and overthrow his enemies At that time he will rescue his people worldwide from the forces allied against them HalleluYah I'm Free Dorian Nash,2025-07-22 When I look back over my life all I can say is HalleluYah I m free free from sin free from perversion free from oppression free from witchcraft free from bondage free from the traditions of men free from religion And to think and to know now it was all because of witches and warlocks who were close to me family friends and people in my inner circle manipulating me behind the scenes in the spirit realm Trust ye not in a friend put ye not confidence in a guide Keep the doors of thy mouth from her that lieth in thy bosom For the son dishonoureth the father the daughter riseth up against her mother the daughter in law against her mother in law a man s enemies are the men of his own house Micah 7 5 6 And ye shall be betrayed both by parents and brethren and kinsfolk and friends and some of you shall they cause to be put to death And ye shall be hated of all men for my name s sake But there shall not an hair of your head perish Luke 21 16 18 And yes they tried to kill me 2

After Dispensationalism Brian P. Irwin,2023-05-03 What God wants his people to know about the end times Christians fixation on the end times is not new While eschatological speculation has sometimes resulted in distraction or despair Scripture does speak about the end So what does God most want us to know and do with prophecy In **After Dispensationalism** Brian P Irwin and Tim Perry sympathetically yet critically sketch the history beliefs and concerns of dispensationalism Though a minority view in the sweep of church history and tradition dispensationalism is one of the most influential end times systems today and there is much to learn from it And yet sometimes it gets sidetracked by overlooking the prophets main concerns Irwin and Perry reexamine the key texts and show that Ezekiel Daniel and Revelation primarily

Competing Fundamentalisms Sathianathan Clarke, 2017-03-29 Why do certain groups and individuals seek to do harm in the name of God? While studies often claim to hold the key to this frightening phenomenon, they seldom account for the crucial role that religious conviction plays, not just in radical Islam but also in the fundamentalist branches of the world's two other largest religions, Christianity and Hinduism. As the first book to examine violent extremism in all three religions together, *Competing Fundamentalisms* draws on studies in sociology, psychology, culture, and economics while focusing on the central role of religious ideology to paint a richer portrait of this potent force in modern life. Clarke argues that the forces of globalization fuel the aggression of these movements to produce the competing feature of religious fundamentalisms, which have more in common with their counterparts across religious lines than they do with the members of their own religions. He proposes ways to deescalate religious violence in the service of peacemaking. Readers will gain important insights into how violent religious fundamentalism works in the world's three largest religions and learn new strategies for promoting peace in the context of contemporary interreligious conflict.

Berserk Style in American Culture K. Farrell, 2011-08-01 Focusing on post-Vietnam America using perspectives from psychology, anthropology, and physiology, this book demonstrates the need for criticism to unpack the confusions in language and cultural fantasy that drive the nation's fascination with the berserk style.

PREPARE Beverly Ridgewell, 2016-02-08 The heart of God is for us to understand the book of Revelation. *PREPARE* was written for that purpose. Beginning with an eye-opening foundation in Daniel, *PREPARE* unveils the end times in a riveting chapter-by-chapter walk-through of the book of Revelation. You will have a clear understanding of the timeline, events, and their significance for the end times when you finish this book. And you will see just how close we are to Christ's return. In *PREPARE*, you will learn the proper sequence of events in the book of Revelation: the three conditions necessary to automatically trigger the end times; two are in place, and the third is ready to go; about the rapture: is it pretrib, midtrib, posttrib, or something else; the riddle unveiling Antichrist's identity; the necessary conditions for the second coming of Christ; and the onset of God's wrath. *PREPARE* is for pastors who have been afraid to teach Revelation until now, the average Christian who is grasping to understand what is happening in this world and how it relates to Biblical prophecy.

ARMAGEDDON'S SONG 3 'FIGHT THROUGH' ANDY FARMAN, 2015-02-12 The world is at war from the steamy jungles of South America to the high ice of mountain glaciers. This is the third of a five-part tale of global war and the people under arms on both sides of the conflict. NATO won the Battle of the Atlantic at terrible cost and not only in men, women, and material but to the planet also. In Europe, the NATO army is close to exhaustion, grimly holding its ground along the Elbe and Saale rivers, buying time for the US and Canadian 4 Corps to arrive, but their grit and determination are frustrating an enemy becoming ever more desperate, and a finger hovers over a button marked Nuclear Release.

The Great Day Dr. Festus K. Akinnifesi, 2021-10-21 The most remarkable story ever revealed starts like this: And war broke out in heaven. Michael and his angels fought with the dragon. The Great Day is anchored on the allegorical story of the woman in

Revelation 12 and her adversary which led to the war in heaven the root of all wars and woes on earth In her the unchangeable and eternal purpose of God for humanity was perfectly sealed The author presents three stages of war by her Antagonist a first war in heaven then many wars on earth then a final war from heaven before the messianic kingdom of Christ The result is a prophecy book that is almost as dramatic and moving as a novel yet it is not a fiction Interpreting the entire end time prophecies from this vantage point is what sets this book apart from the rest In particular four unique discoveries have transformed this book to a new prophetic treasure that every Christian must possess The reader will discover early in the book how the invention of another woman Asherah the mother of Baal later coded as Babylon in Revelation 17 became Satan's greatest game changer Who is the real Gog and Magog the Antichrist that would occupy Israel Why Russia is not the Gog of Magog of Ezekiel's prophecy Understanding the sequence and purpose of the 21 plagues the seven seals and the sets of retributory plagues of tribulation seven trumpets and seven bowls of wrath How are the unleashing of these unprecedented apocalyptic plagues linked to the two powerful prophets in Revelation 11 What will be the roles of the armies of raptured saints following King Jesus for the Armageddon war The Great Day is a must read for every Christian concerned about the end time our eternal destiny The entire kingdom agenda of Jesus is about the End times

Windows on a World Gone Wrong Ian Heard, 2001 [The American Apocalypse](#) Terry James, 2009-02-01 Does America the most powerful nation on Earth appear in Bible prophecy Some people believe the United States will be wiped out in a nuclear attack Others say it is where the Antichrist will rise And many people wonder what life will be like in America during the seven year Tribulation But what can we know for sure And what events are setting the stage for the last days not only in America but globally Terry James who has spoken and written extensively on Bible prophecy addresses these issues and more as he examines the pivotal role America will play The irreversible move toward one world government The rise in world spirituality yet hatred toward true Christianity The danger signs in America's faltering economic system The new world superpower on the horizon The peace that will lead to the world's greatest war A fascinating survey of what is to come

Millennium, Messiahs, and Mayhem Thomas Robbins, Susan J. Palmer, 2013-10-28 As we approach the Millennium apocalyptic expectations are rising in North America and throughout the world Beyond the symbolic aura of the millennium this excitement is fed by currents of unsettling social and cultural change The millennial myth ingrained in American culture is continually generating new movements which draw upon the myth and also reshape and reconstruct it Millennium Messiahs and Mayhem examines many types of apocalypticism such as economic racist environmental feminist as well as those erupting from established churches Many of these movements are volatile and potentially explosive Millennium Messiahs and Mayhem brings together scholars of apocalyptic and millennial groups to explore aspects of the contemporary apocalyptic fervor in all original contributions Opening with a discussion of various theories of apocalypticism the editors then analyze how millennialist movements have gained ground in largely secular societal circles Section three discusses the links between

apocalypticism and established churches while the final part of the book looks at examples of violence and confrontation from Waco to Solar Temple to the Aum Shinri Kyo subway disaster in Japan Contributors James Aho Dick Anthony Robert Balch Michael Barkun John Bozeman David Bromley Michael Cuneo John Dimitrovich John Hall Massimo Introvigne Philip Lamy Ronald Lawson Martha Lee Barbara Lynn Mahnke Vanessa Morrison Mark Mullins Ansun Shupe Susan Palmer Thomas Robbins Philip Schuyler and Catherine Wessinger **Discourse** ,1965 *The Phaeton Continuum* Charles Williams,2007-02 Thirty five years after the detonation of the atomic bomb over Nagasaki and the withdrawal of the spirit of Jesus Christ from Earth luckless P I Phaeton Troupe is hired to unravel the mystery of the disappearance of Natalie Pierce a college co ed Uncovering the truth not only sets Phaeton on a course of confrontation with a brilliant sadistic mafia crime lord plotting global domination but entangles him in a web of intrigue spun by powerful reality defying galactic life forms Risking another round of racial turmoil in Los Angeles Phaeton must navigate a maze of deceit and conflicting motives and interests of fiercely determined forces including his client Natalie s mother On both sides of the clouds Phaeton is marked for death Only by surviving such ordeals as his brains being frozen his insides roasted and an encounter with a six fisted ex pug will he not only learn the fate of Natalie Pierce but embark upon a quest to save the human race from nuclear extermination and restore the spirit of Christ to the world Can he
