Sideshow 1st Edition:

Murder in the First Edition Lauren Elliott, 2019-09-24 Addie Greyborne is preparing for the holidays at her bookstore in seaside New England but a winter storm is coming in more ways than one Addie's getting into the spirit for the upcoming Charity Auction especially since she's got an 1843 copy of Charles Dickens's *A Christmas Carol* to donate Her former colleagues at the Boston Public Library have confirmed that its worth runs toward the high five figures which should help with the new pediatric wing Her mood darkens though when a visitor from the past appears Jonathan Hemingway the father of her late fiancé His presence stirs up sad memories for Addie but also has her fuming when Jonathan true to his womanizing ways runs off for a lunchtime liaison with Teresa Lang who's in charge of the auction Soon after Addie heads to Teresa's office at the hospital and finds the poor woman's dead body What she doesn't find is her valuable first edition What sort of Scrooge would steal from sick children and commit murder in the process As a Nor'easter bears down and a mystery emerges about Jonathan's past Addie must find out if she can appraise people's motives and characters as well as she can appraise rare books

We Got to Play Baseball Greg Olson, Ocean Palmer, 2012-03-01 *We Got to Play Baseball* is a remarkable collection of favorite memories from 60 Hall of Famers All Stars veteran ballplayers managers coaches umpires and others directly involved in Major League Baseball Their stories range from the 1950s to current day As a teammate Gregg was a terrific story teller and always fun to be around Baseball is filled with wonderful stories and Otter has done a great job of pulling them together into one place He asked his many friends in the game to contribute their story and the result is a fun enjoyable book that provides us with insights into the world of the big leaguers that aren't often shared Cal Ripken Jr Hall of Famer With this collection of stories Gregg has brought back a lot of fantastic memories and reminded me how much fun a major league clubhouse can be Jim Abbott Major League pitching star There is nothing like a good baseball story and nothing like hearing a good baseball story from an actual player who was there Gregg Olson knew even in his playing days that the clubhouse culture was unique and he has given fans a true inside look with *We Got to Play Baseball* gathering his own stories and the stories of many others Fans will love reading about players pranks travel high jinks and much more Ken Rosenthal FOX SportsT

Driving Down Russia's Spine Paul Richardson, 2016-06-01 On one level this book is the story of an epic 6000 kilometer road trip from the frigid shores of the Barents Sea to Sochi Russia's southernmost tip on the Black Sea Dubbed The Spine of Russia the adventure tasked a mismatched duo of Russian and American journalists with capturing a view of Russia from the ground to collect powerful images and honest human stories that offered a more subtle complex picture of the world's largest country But this book is far more than just a travel essay For it intertwines fascinating subject profiles with digressions into historical and cultural themes relevant to understanding modern Russia It is a story told with humor and with the insight derived from the author's three decades of intimate interactions with Russia Among the many interesting stories in the book An expedition to The Well to Hell A music school in one of the most polluted towns on earth An energetic youth activist branded as a foreign agent Russia's largest manufacturer of barbells who also makes cloudberry preserves A roadside berry seller recently paroled from prison A blacksmith who is a Jehovah's Witness A bone chilling trip to the foundation place of the Russian state The slightly off kilter leader of St Petersburg's Cossack community A retired village doctor who can't stop working because he won't be replaced A piece of Nebraska transplanted into the middle of Russia's Black Earth region There were also craft beer makers ballroom dancers policemen restaurant owners an opera student a priest a single mother an accessibility activist teachers docents a best selling author soap makers journalists a sailor a winemaker and a woman taking on the male dominated world of Russian hockey And no trip to Russia would be complete without a run in with security officials in leather jackets So there is also that Taken together the stories from this epic road trip create a compelling portrait of Russia and its people The book could not be more timely recent events show how vital it is for Americans to continue working to understand Russia

Spark the Brain, Ignite the Pen (FIRST EDITION) Samuel Totten, Helen Eaton, Shelley Dirst, Clare Lesieur, 2006-03-01 Contributors to the book teach a wide array of grade levels K through college and subject areas e.g. English social studies math science and health and the quick writes included in the book are ideal for use in a variety of classroom subjects and settings We believe that the book will find an extremely receptive audience among K-12 teachers teacher educators preparing future teachers and teachers and trainers of trainers

involved in inservice programs and summer writing institutes Many published resources offer lists of writing topics for classroom use however they lack the pedagogical approach that informs the quick write concept Although one published quick write resource offers literary prompts for grades 5 12 we know of no other book that provides such varied examples of this particular strategy particularly our inclusion of a wide variety of stimuli versus the common and sole use of literary texts and their use for a wide array of content areas versus the usual and sole focus of English Language Arts

Psychology in Policy Kevin R. Carriere, 2022-07-20 This book takes an insider perspective of the psychological issues of creating policy Instead of considering what the products of policy are often the case in psychological and political science work this book examines the individual processes present in proposing and engaging with policy The individual who engages with the policy and its meanings the individual who resists the policy through conformity and the individual who writes the policy for their own ideological purposes are all political actors in a psychological system This book puts forward a cultural political psychology as the psychological study of the process of values policy and power dynamics Through exploring public policy through private policy generation and individual interaction this book pushes theoretical understandings of policy and activism in new ways Centering on an individual's own values in facing various policy restrictions from governments parents or peers the importance of examining collective actions and also collective inactions of individuals is noted and expanded on in the text The book provides applications of its arguments through examining the processes of unionization and actualized democracy It seeks to point out new research avenues including the hypogeneralization of values one's exclusion through activism and everyday revolutions This book addresses the centrality of the individual and meaning making systems when considering where policy politics and psychology intersect This book is primarily addressed to psychologists and political scientists interested in how to make change in public policy While the experiences within the book are United States centric the thoughts and theories behind them are meant to be applicable to a wide variety of political systems As there is currently very little literature on the topic this book seeks to fill the gap and offer concise information on such an important dimension of cultural and political psychology It is expected that the book will be of great interest for researchers in these areas as well as for graduate level students In particular this book will be relevant to researchers and students working on political psychology public policy development community psychology social representations semiotics activism and social movements to name a few
