Long Short War

Christopher Hitchens

Long Short War:

A Long Short War Christopher Hitchens, 2003 One of our most respected and controversial liberal thinkers makes the case for war in Iraq Written in his trademark contrarian voice Untitled on Iraq is comprised of Hitchens essays on the justification for war in Iraq and other related issues written for Slate com The Wall Street Journal The Nation and more as well as 25% new material on the war

A Long Short War Christopher Hitchens, 2003 One of our most respected and controversial liberal thinkers makes the case for war in Iraq Written in his trademark contrarian voice Untitled on Iraq is comprised of Hitchens essays on the justification for war in Iraq and other related issues written for Slate com The Wall Street Journal The Nation and more as well as 25% new material on the war

A Long Short War Christopher Hitchens, 2003 Imperial Delusions Carl Boggs, 2005 In this hard hitting critique Carl Boggs argues that the United States is dominated by a new militarism one that has become more potent and menacing since 9 11 He skillfully explores the origins and development of this new militarism and show its devastating effects on American society

Full Committee Consideration of S. 2117 United States. Congress. House. Committee on Armed Services, 1976 **The Great War** Marc Ferro, 2003-10-06 First published in 2003 Routledge is an imprint of Taylor Francis an informa company

Unhitched Richard Seymour, 2013-01-16 Among the forgettable ranks of ex Leftists Christopher Hitchens stands out as someone determined to stand out Rejecting the well worn paths of hard right evangelism and capitalist realism he identified with nothing outside his own idiosyncrasies A habitual mugwump who occasionally masqueraded as a Marxist the role he adopted late in his career as afree radical within the US establishment had ample precedents from his earlier incarnation It wasn't the Damascene conversion he described His long standing admiration for America his fascination with the Right as the truly revolutionary force his closet Thatcherism his theophobia and disdain for the actually existing Left had all been present in different ways throughout his political life Post 9 11 they merely found a new articulation For all that the Hitchensian idiolect was a highly unique marketable formula He is a recognizable historical type the apostate leftist and as such presents a rewarding entertaining and an enlightening case study

The Chickenhawk Syndrome Cheyney Ryan, 2009-05-16 In recent years the question of war and sacrifice has been a major topic of political debate and controversy If our country goes to war for reasons we endorse what is our responsibility to share in its sacrifices Does supporting a war mean serving in it Does it mean encouraging our children to do so Such questions have been posed by the so called chickenhawk phenomenon pro war leaders and their pro war children who call on Americans to assume the burden of war and its sacrifices but avoid those sacrifices themselves President Bush and other architects of the Iraq conflict were the most prominent chickenhawks Cheyney C Ryan argues that the chickenhawk issue is not just a matter of personalities it will remain with us for a long time even though the Bush administration has left office Ryan poses fundamental questions of war and personal sacrifice pointing to the basic disconnection in American politics generally between the support for war and the willingness to assume its costs

which he calls Alienated War Calling for the reinvigoration of civic involvement this illuminating and insightful book offers both a philosophical and historical exploration of America's citizen soldier tradition and the consequences involved in separating the citizenry from the armed forces

Trade in War Mariya Grinberg, 2025-08-15 Trade in War is an urgent insightful study of a puzzling wartime phenomenon states doing business with their enemies Trade between belligerents during wartime should not occur After all exchanged goods might help enemies secure the upper hand on the battlefield Yet as history shows states rarely choose either war or trade In fact they frequently engage in both at the same time To explain why states trade with their enemies Mariya Grinberg examines the wartime commercial policies of major powers during the Crimean War the two World Wars and several post 1989 wars She shows that in the face of two competing imperatives preventing an enemy from increasing its military capabilities and maintaining its own long term security through economic exchange states at war tailor wartime commercial policies around a product's characteristics and war expectations If a product's conversion time into military capabilities exceeds the war's expected length then trade in the product can occur since the product will not have time to affect battlefield outcomes If a state cannot afford to jeopardize the revenue provided by the traded product trade in it can also occur Grinberg's findings reveal that economic cooperation can thrive even in the most hostile of times and that interstate conflict might not be as easily deterred by high levels of economic interdependence as is commonly believed Trade in War compels us to recognize that economic ties between states may be insufficient to stave off war

The Origins of the First World War William Mulligan, 2017-04-13 A second edition of this leading introduction to the origins of the First World War and the pre war international system William Mulligan shows how the war was a far from inevitable outcome of international politics in the early twentieth century and suggests instead that there were powerful forces operating in favour of the maintenance of peace He discusses key issues ranging from the military public opinion economics diplomacy and geopolitics to relations between the great powers the role of smaller states and the disintegrating empires In this new edition the author assesses the extensive new literature on the war's origins and the July Crisis as well as introducing new themes such as the relationship between economic interdependence and military planning With well structured chapters and an extensive bibliography this is an essential classroom text which significantly revises our understanding of diplomacy political culture and economic history from 1870 to 1914

Trials of War Criminals Before the Nuernberg Military Tribunals Under Control Council Law No. 10, Nuremberg, October 1946-April, 1949: Case 12: U.S. v. von Leeb (High Command case), 1949 **Professional Journal of the United States Army**, 1973 *Military Review*, 1989

Between War and Politics Patricia Owens, 2007-08-30 In this major new assessment of Hannah Arendt's writings on International Relations Patricia Owens provides a compelling case for Arendt's continued relevance to debates about suicide bombing genocide the ethics of war civilian casualties and the dangers of lies and hypocrisy in wartime

The Gallup Poll George Gallup, 2003 Features a compilation of polls taken by the Gallup

Organization This title offers commentary and analysis placing topics in a readable historical context **Strategy in War and Peace** Aaron Edwards, 2016-12-08 A lively introduction to the practical application of strategy in war and peace Read and download the introduction for free now pdf Strategy is a central concept in international security and one that travels across the academic disciplines of politics international relations and history By why is it so important Aaron Edwards unpacks key strategic episodes from world history and politics to help readers to understand the role of strategy and the scholarly and policy debates surrounding it Discover how strategic theory can be used to navigate the complex and uncertain international security environment that we live in today Assesses the practical utility of strategy in the modern world and emphasises its analytical value in the practical business of national and international security Examines the politics of strategy in times of both war and peace Themes covered include International relations technology ethics irregular war including counter insurgency counter terrorism and hybrid warfare the resurgence of great power rivalries in the early 21st century the rise of non state actors Case studies include Guerrilla warfare and strategy in regions from South East Asia to the Middle East US nuclear strategy in the Cold War Russian intervention in Ukraine British strategy at the end of empire the UN s role in resolving conflict after the Cold War US led coalition strategy in Afghanistan the challenge posed by Al Qaeda and Islamic State Daesh Christopher Hitchens and His Critics Simon Cottee, Thomas Cushman, Christopher Hitchens, 2008-06 Hitchens author of the New York Times bestselling *God Is Not Great* is one of the most controversial and prolific writers of his generation This volume brings together Hitchens most incisive reflections on the war on terror the war in Iraq and the state of the contemporary Left *The Cautious Bear* Efraim Karsh, 2019-06-26 This book analyzes Soviet military engagement in Middle East wars in the post 1967 era It clarifies the nature and characteristics of this engagement offers an explanation for its occurrence and tries to predict future trends **Defeat and Division** Douglas Porch, 2022-08-25 Defeat and Division launches a definitive new account of France in the Second World War In this first volume Douglas Porch dissects France s 1940 collapse the dynamics of occupation and the rise of Charles de Gaulle s Free France crusade culminating in the November 1942 Allied invasion of French North Africa He captures the full sweep of France s wartime experience in Europe Africa and beyond from soldiers and POWs to civilians in arms colonial subjects and foreign refugees He recounts France s struggles to reconstruct military power within the context of a global conflict with its armed forces shattered into warring factions and the country under Axis occupation Disagreements over the causes of the 1940 debacle and the subsequent requirement for the armistice mirrored long standing fractures in politics society and the French military itself as efforts to reconstitute French military power crumbled into Vichy collaboration De Gaulle s exile resistance Alsace Moselle occupation struggles and a scuffle for imperial supremacy **First Concurrent Resolution on the Budget--fiscal Year 1977: Foreign policy and the budget, National defense budget** United States. Congress. Senate. Committee on the Budget, 1976
