Never have the human mind been as troubled as today and never have each individual been more insignificant In many people this creates a desolate feeling inside except for a few that can compensate with an activity Yet this is often never enough to feel truly alive This is no accident it is a historical trend that seems to get worse A time of trouble is brewing where humans are at a crossroads where a choice between freedom and serfdom is the only two options What guides this trend is something we all use every day we can't help it because we are all in its clutches Halting our potential to be what we are born for our forgotten side waits for us all if we are brave enough to accept it **Human Nature in Its Wholeness**

The Better Angels of Our Nature S. C. Gylanders,2006-11-14 On the eve of Shiloh one of the bloodiest battles of the Civil War a mysterious visitor appears at General William Tecumseh Sherman s camp Without family or home with only a uniform and the name of Jesse this prepossessing stranger is an intriguing mix of naivet and wisdom ignorant of the most basic conventions of warfare yet uncannily familiar with even the most intimate details of Sherman s personal life and career Jesse in turn has only one desire to remain by Sherman s side for reasons only Jesse knows and isn t revealing Initially unwilling to become a father figure to this beguiling visitor Sherman is finally unable to resist such devotion and tenacity He takes Jesse under his wing determined to train this enigmatic creature in the art of war and provide the strength and wisdom needed to survive its horrors Resourceful and courageous Jesse soon earns the respect of Sherman s men especially the compassionate but plain talking surgeon Seth Cartwright and Thomas Ransom a noble and handsome young infantry officer No matter their destiny neither man can divert Jesse s mission But what is the truth What is Jesse s purpose and why has this fascinating youth appeared at this most crucial time in Sherman s life and in the life of the bitterly divided nation In the end we are forced to ask Who is under whose wing The Better Angels of Our Nature brilliantly re creates the drama and brutality of America s Civil War Set in the momentous fourteen month period spanning Shiloh and Vicksburg a time that turned the tide of war and determined the nation s fate this harrowing lyrically written novel is filled with unforgettable characters and wondrous twists that will give readers pause to reconsider events familiar to us all Meticulously researched and movingly written this masterwork will remain with readers long after the last page is savored
