Ireland's Great Famine in Irish-American History Mary Kelly, 2013-11-18
Ireland's Great Famine in Irish American History Enshrining a Fateful Memory offers a new concise interpretation of the history of the Irish in America Author and distinguished professor Mary Kelly's book is the first synthesized volume to track Ireland's Great Famine within America's immigrant history and to consider the impact of the Famine on Irish ethnic identity between the mid 1800s and the end of the twentieth century Moving beyond traditional emphases on Irish American cornerstones such as church party and education the book maps the Famine's legacy over a century and a half of settlement and assimilation This is the first attempt to contextualize a painful memory that has endured fitfully and unquestionably throughout Irish American historical experience

The History of Ellis Island and Immigration In America, 2018-01-19

INTRODUCTION From 1892 to 1924 Ellis Island was America's largest and most active immigration station where over 12 million immigrants were processed On average the inspection process took approximately 3 7 hours For the vast majority of immigrants Ellis Island truly was an Island of Hope the first stop on their way to new opportunities and experiences in America For the rest it

became the Island of Tears a place where families were separated and individuals were denied entry into this country
 Famous Ellis Island Immigrants Among the 12 million immigrants who passed through Ellis Island a handful achieved lasting fame and sometimes infamy after their arrival in America You may be surprised who you meet here On a typical day at the Ellis Island Immigration Station immigrants came face to face with inspectors interpreters nurses doctors social workers and many others As a large federal facility employing approximately five hundred employees at a time Ellis Island was a well organized workforce The complex work of processing thousands of immigrants a year required a full complement of staff Some names are known others remain anonymous but all of them contributed to the primary function of the Immigration Station on Ellis Island to make sure that newcomers to the United States were legally and medically fit to enter the country

Reading Power Adrienne Gear, 2013 **Encountering Children's Literature** Jane M. Gangi, 2004 In this text Jane M Gangi gives us a new perspective on how integrating the fine arts and literature fosters the active participation and in depth understanding that is as important for children as it is for teachers The heart of the book is a comprehensive treatment of children's literature with a strong emphasis on multicultural and international literature Jaquette **Famine Pots** LeAnne Howe, Padraig Kirwan, 2020-10-01 The remarkable story of the money sent by the Choctaw to the Irish in 1847 is one that is often told and remembered by people in both nations This gift was sent to the Irish from the Choctaw at the height of the potato famine in Ireland just sixteen years after the Choctaw began their march on the Trail of Tears toward the areas west of the Mississippi River Famine Pots honors that extraordinary gift and provides further context about and consideration of this powerful symbol of cross cultural synergy through a collection of essays and poems that speak volumes of the empathy and connectivity between the two communities As well as signaling patterns of movement and exchange this study of the gift exchange invites reflection on processes of cultural formation within Choctaw and Irish society alike and sheds light on longtime concerns surrounding spiritual and social identities This volume aims to facilitate a fuller understanding of the historical complexities that surrounded migration and movement in the colonial world which in turn will help lead to a more constructive consideration of the ways in which Irish and Native American Studies might be drawn together today
