Longest War Israel In Lebanon:

The Longest War Jacobo Timerman, 1982 Forfatteren er født i Ukraine I mange år journalist i Argentina Arresteredes og udvist til Israel Med anledning af Israels invasion i Libanon retter han en stærk anklage mod Israels regerings katastrofale politik som har ført direkte til massakren i Beirut **Historical Dictionary of Israel** Bernard Reich, David H.

Goldberg, 2016-08-30 Since its creation the State of Israel has been a magnet for attention A country beset by conflict in its region and faced with the need to integrate mainly Jewish immigrants of disparate backgrounds into a modern and advanced democratic state and society Israel has preoccupied observers scholars and journalists since its independence in May 1948 Although a Jewish state Israel is also a democratic state that guarantees the rights of all of its citizens including its large Arab and Moslem minority in law and in practice Israel and its modern history and politics have been the subject of substantial and often highly partisan literature being hotly and vigorously debated both at home and abroad This third edition of Historical Dictionary of Israel contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1100 cross referenced entries on significant persons places events government institutions political parties and battles as well as entries on Israel's economy society and culture This book is an excellent access point for students researchers and anyone wanting to know more about the various diplomatic and political personalities institutions organizations events concepts and documents that together define the political life of the Jewish state of Israel

Syria's Terrorist War on Lebanon and the Peace Process M. Deeb, 2003-07-03 This study demonstrates that Syria's role in the Middle East has been since 1974 an unabated terrorist war against all attempts to resolve peacefully the Arab Israeli conflict Marius Deeb provides evidence that Syria's role in Lebanon since 1975 has been to perpetuate the conflict among the various Lebanese communities in order to keep its domination of Lebanon **40 Km Into Lebanon** H. Thomas

Davis, 1995-10 The wars fought between the Arab nations and the Israel have drawn the attention of military analysts for nearly five decades Tactical warfare as well as performance of modern weapons have been of particular interest Since the Israel was created in 1948 the weaponry on both Israeli and Arab sides has grown in quantity and sophistication and tactical doctrine on both sides has evolved as well The lessons to be learned from Israel's 1982 invasion of Lebanon point more particularly however to politics not military tactics or modern arms Chapters include Clausewitz and the philosophy of war and politics Bibliography Maps and tables Politics and Government in Israel Gregory S. Mahler, 2011 This even handed and thorough text explores Israeli government and politics First tracing the history and development of the state Mahler then examines the social religious economic and cultural contexts within which Israeli politics takes place The book explains the operation of political institutions and behavior in Israeli domestic politics as well as Israel's foreign policy setting and apparatus the Palestinian conflict and the question of Jerusalem and the Middle East peace process overall This clear and concise text provides an invaluable starting point for all readers needing a cogent introduction to Israel today Sabra and

Shatila Bayan Nuwayhed Al-Hout,2004-08-20 Now available for the first time in English this classic book is the most comprehensive authoritative account of the Sabra and Shatila massacre and what happened and who was responsible Taking place over three bloody days in the Lebanese capital Beirut the Sabra and Shatila massacre was committed against Palestinian refugees by Lebanese militias aided and supervised by the Israeli Army which had encircled the district Driven by the horror of what occurred author Bayan Nuwayhed al Hout interviewed survivors and set up an oral history project immediately after the massacre to preserve testimonies Containing interviews with the victims families in addition to statistical data and attempts to determine the number of victims this book is a courageous attempt to make sense of what happened and an important political document in its own right **The Arab-Israeli War Since 1948** Alex Woolf,2014-11-01 Why has the Arab Israeli War lasted so long and been fought in so many different ways Why is it of such global importance And how has it affected people on both sides of the conflict This book seeks to relate the overall events and chronology of the war and shows its impact on everyday lives **Historical Dictionary of the Arab-Israeli Conflict** P R Kumaraswamy,2015-10-08 Competing Jewish and Arab national claims over the Holy Land form the core of the Arab Israeli conflict thereby transforming it into the most intensely fought struggles in the history of humanity The conflict evokes unparalleled passion and hostility not only among its immediate participants and neighbors but also in the wider international community The involvement of three principal monotheistic religions makes the conflict a truly universal contestation As a result it often contributes to bouts of violence turmoil and terrorism in the Middle East and beyond This second edition of Historical Dictionary of the Arab Israeli Conflict covers the history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 600 cross referenced entries important events key personalities official positions of principal states and the UN and other efforts to find a peaceful settlement This book is an excellent access point for students researchers and anyone wanting to know more about this conflict **Arabs & Israel For Beginners** Ron David,2007-08-21 Arabs Israel For Beginners covers the Middle East from ancient times to the present tells the truth in plain English and is one of the few non scholarly books that is relentlessly fair to both Jews and Arabs If you want to continue to believe fairy tales about Arabs in Israel don t touch this book it will surely be hazardous to your closed mind If you want the truth about 12 000 years of Middle Eastern History then Arabs Israel For Beginners is the perfect place to start **The A to Z of the Arab-Israeli Conflict** P R Kumaraswamy,2009-07-24 For over a century the conflict between the Arabs and Jews has remained the most intractable problem confronting the world Hardly a day passes that the Arab Israeli Conflict is not headlined in the media It has turned the Arabs and Israelis against one another and embittered relations within the two communities while drawing the rest of the world into the circle of disruption The A to Z of the Arab Israeli Conflict provides factual background through an introductory essay a chronology a bibliography and hundreds of cross referenced dictionary entries on the more significant persons places and events including the various wars

and negotiations The history religion culture and archeology that this rivalry has sparked between the Arabs and Israelis over the same piece of territory is traced in this book which offers the essential details using neutral terms and thereby allowing readers to draw conclusions for themselves

Frank Maria Paul D. Garrett, Kathleen A. Purpura, 2007 An authorized biography of Frank Maria 1913 2001 a tough compassionate battler for peace and justice for all parties in the war torn Middle East Frank s lifetime service to God and nation are followed from his Depression era upbringing in Lowell MA through the beginnings of a promising career in labor management and political analysis As war breaks in 1967 however Frank abandons his best interests to concentrate his talents attention and energies on making Americans aware of the tragedy facts of the Holy Land Through the next several decades and repeated wars Frank dogs politicians religious leaders and journalists about rethinking the one sided approach to the Palestinian Israeli question which prevents peace Had they heeded this voice from the wilderness today s world would be far safer

Military Occupations in the Age of Self-Determination James Gannon, 2008-07-30 This book offers a perspective decidedly different from that of the Bush Administration and its neoconservative supporters Since the United Nations embraced the right of national self determination in 1945 the historical odds have been unfavorable to great powers that impose military occupations on smaller nations This point is bolstered by the evidence from history and is particularly pertinent to the American occupation of Iraq where a robust insurgency has delayed projected successes by the administration and wartime planners Drawing on historical antecedents to the occupation of Iraq Gannon examines events such as the British Struggles in Palestine French enterprises in Algeria the Soviet debacle in Afghanistan and other instances in which occupying powers to demonstrate the struggles and failures of occupying powers in the face of determined insurgencies Since the United Nations adopted the principle of national self determination in 1945 great powers like the United States that occupy smaller nations like Iraq lose more often than not when confronted with credible insurgencies The evidence is taken from recent history the Zionist victory over Britain in Palestine and the defeats of France in Algeria America in Vietnam the Soviet Union in Afghanistan and Israel in Lebanon On the surface these outcomes seem perverse powerful modern armies brought down by rag tag rebels The explanation comes from the types of warfare fought Great powers are equipped to fight other great powers in great battles over large territory Rebels fight shadow wars neutralizing the fire power and mobility of the occupying army Insurgencies continue for years allowing political considerations to come into play including propaganda international pressure and the stream of dead and wounded returning from the war zone The home front turns against the war and new policymakers conclude that the nation s interests are best served by getting out History is not an exact science so the judgment here is expressed in probability not certainty witness the British defeat of insurgencies in Malaya and Kenya before giving up these colonies and the four decades old Israeli occupation and partial colonization of the West Bank

Reconceptualizing Deterrence Elli Lieberman, 2013 This book offers a reconceptualisation of conventional deterrence theory and applies it to

enduring rivalries in the Middle East The work argues that many of the problems encountered in the development of deterrence theory lay in the fact that it was developed during the Cold War when the immediate problem it had to address was how to prevent catastrophic nuclear wars The logic of nuclear deterrence compelled a preoccupation with the problem of stability over credibility however because the logic of conventional deterrence is different the solution of the tension between credibility and stability is achieved by deference to credibility due to the requirements of reputation and costly signaling This book aims to narrow the gap between theory and evidence It explores how a reconceptualization of the theory as a process that culminates in the internalization of deterrence within enduring rivalries is better suited to account for its final success a finding that has eluded deterrence theorists for long This interdisciplinary book will be of much interest to students of deterrence theory strategic studies international security Middle Eastern studies and IR in general

Persuasions and Prejudices Irving Horowitz, 2017-07-05 Review essays and statements written for special occasions may reveal as much about the writer as those written about this is the presumption undergirding this collection of thirty five years of criticism and commentary by Irving Louis Horowitz For this volume he selected his comments on famous near famous and infamous sociologists political scientists and assorted literary figures in between Taken as a whole this volume will surprise and delight readers who are acquainted with Horowitz s other works as well as those who are interested in the people he writes about The book covers notable social scientists from Arendt to Zetterberg and such major figures in between as Becker Bell de Jouvenel Mills Parsons Solzhenitsyn and more than eighty others who have had an effect on the contemporary social and political landscape Each is critically examined sometimes positively other times negatively Horowitz was a major figure in his own right and his writing here displays the kind of refreshing frankness experts will expect and the general reader will appreciate The underlying assumption behind the volume giving its disparate parts a unified characteristic is that together these observations on others amount to a general perspective on social science held by the author Whether his larger ambition is accepted or disputed there is no doubt that the volume provides a standard against which to measure the literary quality of writing in the world of professional social research

The Palestine Question Henry Cattán, 2022-10-10 First published in 1988 The Palestine Question presents the highlights of the Palestine issue in a succinct objective and well documented manner The author reveals a fundamental fact which has apparently been overlooked namely that the conflict is not restricted to the territories seized by Israel in 1967 that is the West bank and the Gaza Strip which represent 20% of Palestine but concerns an area five times greater that is the whole territory of Palestine as well as the fate of more than 5 million Palestinians The author has done what has not been done before he offers judicious peace plan based on right and justice for the intractable Arab Israeli conflict and its root cause the Palestine problem This book constitutes an indispensable reference work and essential reading for all who are concerned with Middle East and world peace

Historical Dictionary of Latin American Literature and Theater Richard Young, Odile Cisneros, 2010-12-18 The Historical Dictionary of Latin

Three Plays of Maureen Hunter Hunter, Maureen, 2003 Book is clean and tight No writing in text Like New

Congress Monthly, 1984

The Encyclopedia of the Arab-Israeli Conflict Spencer C. Tucker, Priscilla Roberts, 2008-05-12 This exhaustive work offers readers at multiple levels key insights into the military political social cultural and religious origins of the Arab Israeli conflict The Encyclopedia of the Arab Israeli Conflict A Political Social and Military History is the first comprehensive general reference encompassing all aspects of the contentious Arab Israeli relationship from biblical times to the present with an emphasis on the era beginning with World War I The Encyclopedia of the Arab Israeli Conflict goes beyond simply recapping military engagements In four volumes with more than 750 alphabetically organized entries plus a separate documents volume it provides a wide ranging introduction to the distinct yet inextricably linked Arab and Israeli worlds and worldviews exploring all aspects of the conflict The objective analysis will help readers understand the dramatic events that have impacted the entire world from the founding of modern Israel to the building of the Suez Canal from the Six Day War to the Camp David Accords from the assassinations of Anwar Sadat and Yitzhak Rabin to the rise and fall of Yasser Arafat the 2006 Palestinian elections and the Israeli Hezbollah War in Lebanon

The International Self Mira M. Sucharov, 2012-02-01 The International Self explores an age old question in international affairs one that has been particularly pressing in the context of the contemporary Middle East what leads long standing adversaries to seek peace Mira M Sucharov employs a socio psychoanalytic model to argue that collective identity ultimately shapes foreign policy and policy change Specifically she shows that all states possess a distinctive role identity that tends to shape behavior in the international realm When policy deviates too greatly from the established role identity the population experiences cognitive dissonance and expresses this through counternarratives an unconscious representation of what the polity collectively fears in itself propelling political elites to realign the state's policy with its identity Focusing on Israel's decision to embark on negotiations leading to the 1993 agreement with the Palestine Liberation Organization PLO Sucharov sees this policy reversal as a reaction to the unease generated by two events in the 1980s the war in Lebanon and

the first Palestinian Intifada that contradicted Israelis perceptions of their state as a defensive warrior Her argument bridges the fields of conflict resolution Middle East studies and international relations
