Mother-Infant Attachment and Psychoanalysis Mary Y. Ayers, 2014-06-11 Winner of the 2004 Gradiva Award from the National Association for the Advancement of Psychoanalysis The issue of shame has become a central topic for many writers and therapists in recent years but it is debatable how much real understanding of this powerful and pervasive emotion we have achieved Mother Infant Attachment and Psychoanalysis argues that shame can develop during the first six months of life through an unreflected look in the mother's eyes and that this shame is then internalised by the infant and reverberates through its later life The author further expands on this concept of the look through a powerful and extensive study of the concept of the Evil Eye an enduring universal belief that eyes have the power to inflict injury Finally she presents ways of healing shame within a clinical setting and provides a fascinating analysis of the role of eye contact in the therapeutic encounter This book brings together a unique blend of theoretical interpretations of shame with clinical studies and integrates major concepts from psychoanalysis Jungian analysis developmental psychology and anthropology The result is a broad understanding of shame and a real understanding of why it may underlie a wide range of clinical disorders *Looking into the eyes of a poet* Mekesha Serrette, 2012-06-25 Looking into the eyes of a poet is spiritually uplifting This book is about God's love and his devotion to us Worshiping him and thanking him for his divine interference in our lives Our spiritual experiences with the human community and nature the beauty of the earth and discovering the essence of our being **The Complete Book of Amulets & Talismans** Migene González-Wippler, 1991 Examine the infinite variety of charms and fetishes found in every civilization from the distant past to the present Learn the entire history of these tools their geography how they are part of each man and woman's search for connection with spiritual forces and how to make and use them Loaded with hundreds of illustrations this is the ultimate reference guide *THE NEW WORLD STORY* H.S. Envy Mike Fabarez,2023-11-07 It s often undetected but if you knew the damage it was causing you d do everything possible to root it out Envy It s insidious Pervasive Corrosive In the age of materialism and social media it s difficult not to feel the creep of this increasing and ever present temptation Pastor and teacher Mike Fabarez diagnoses the problem of this

pervasive sin He brings the reader to biblical stories with often overlooked ties to envy that expose and demonstrate the seriousness and harm caused by our unexamined motives When envy is allowed to reside unchecked in our hearts there are internal relational and societal costs Envy explores all of these But we are not left to despair Instead we are invited to know a kind and gracious Father who calls us to identify and assault this enemy We can live with satisfaction and contentment This book explores biblical ways to shore up our hearts and minds and close the gaps that leave us vulnerable to envy s temptations By understanding life in the body of Christ readers learn to truly rejoice with those who rejoice And we leave with a deeper capacity for grace and selfless love With a pastoral heart Fabarez reassures Christians of a divine hope and promise of an eternal kingdom where hearts are content and joy is full
