Look Up Lift Up:

Look Up Jim Zeigler, 2017-11-17 *Look Up Redemption in This Generation* by Jim Zeigler is a result of over 25 years study of Jesus Olivet Discourse With a general synopsis the author relates Bible prophecy in an easy to read book of what Jesus said to His Disciples on the Mount of Olives as they asked about the end of the age in Matthew 24 tell us then when shall these things be And what shall be the sign of thy coming and of the end of the world Matthew 24 3 Taking readers through his belief of when the time clock started to tick 1948 the author magnifies Scripture revealing a journey through Bible prophecy of the End Times without complicated overuse of Scripture Offering faith and hope in Jesus this book Is an excellent read to obtain a grasp of what Jesus said as He spoke to His Disciples about the coming end of the age With the inclusion of Scripture Bible prophecy is an important topic He notes that we can see Scripture fulfilled before our very eyes and that God s Word will not return to Him void With modern day events seemingly in our daily headlines this book gives readers a compass to go by Offering Scripture from Old and the New Testaments that shed light on the very things Jesus spoke of in His discourse on the Mount of Olives In particular the author has framed this book upon God s Word bringing a deeper understanding to the mystery of Bible prophecy in layman s terms with an easy to follow format *Look Up Redemption in This Generation* is recommended for individual use or within a small group This book comes highly recommended to those individuals that want to study the Word and a book that is supported Scripture **Look Up!** Jimmy Evans, 2023-01-31

EVERYTHING CHANGES WHEN THE RAPTURE COMES You ve heard about the Rapture You ve probably read about what will happen to the people who are left behind on earth But did you know the Bible has even more to say about those who will go with Jesus when He comes The Rapture isn t scary or confusing For people who believe in Jesus it will be the best day of their lives and things will only get better after that Once we see Jesus nothing will ever be the same So look up Jesus is about to redeem everything about us In *Look Up Awaiting the Rapture and Our Final Redemption* end times prophecy expert Pastor Jimmy Evans tells us the Bible reveals exactly what we can expect when Jesus returns for His bride the Church The Rapture isn t dreadful news but it is great news because Jesus is bringing total redemption to His followers In *Look Up* you will discover God s eternal plan for humanity How Jesus will change you immediately What heaven will be like for all eternity Your future is better and brighter than you know or can even imagine *Looking Up (Updated & Expanded Edition)* Troy Brewer, 2023-01-17 **SIGNS IN THE HEAVENS** Until the mid 20th century the heavens were the greatest show on Earth Ancient people recognized the same constellations we do today though they understood the signs behind those pictures in the sky in a way that s been lost to us until now Troy Brewer reveals the connection between the story in the stars and the

Keep Looking Up! Leland Maples, 2015-11-10 When I walked into the Big Spring Federal Prison Camp over thirty years ago I had no idea that God was going to change everything about my life I had no burden for inmates I was only going to teach a Bible class in prison because I could not get out of it For six years I drove 120 miles round trip every Friday night for

that class The last two years of the six we drove back over on Saturday afternoon after visitation to work with the families It was during this time that the prison system began to expand at a rapid pace When we started into the prison in Big Spring it was the only prison west of Fort Worth in the entire state now we have about forty Men with vision like Don Gibson and Emmett Solomon were busy putting people and programs in place to meet the spiritual need of the largest prison system in the free world Linda and I were the greenest of all the volunteers Thank God the good ones took us under their wings and taught us

When I Look Up Ron Gallo,2021-11-21 Most Christian books have a problem For they speak from an adult perspective and not a child s They leave out the most important aspect of the foundation when walking with God and that is the child They say do ABCDE to get a better walk with God That s fine but we forget about the growth of the child and there characteristics is the Christian life template for an adult to look at and learn from This is the reason why children come before adults it s so we can see who God sees God doesn t see us as we see each other as adults in arrogance God doesn t care about your social status or you can have more degrees than a thermometer you are his child God sees adults as tall children So now let s look deeper into a child s life and how it relates to Gods foundation the family Understanding the child then you will understand yourself and what God wants from us as adults Looking at the genesis of a child we can see many attributes and characteristics of a child that God wants to see in us We can shadow and be a reflection of childlike not childish as Jesus said in the book of Mathew Jesus clearly states unless you re like a child you shall not enter Right off the bat Jesus is drawing the line in the sand Children have many characteristics that we miss as adults and forget that we went through these same characteristics ourselves From looking up having child like faith being able to be led humility believability no pride or self righteousness etc This fascinating book being different will enhance any reader parent to take a stronger look at their own Christian life and check off the boxes to see if there in alignment with Gods standards There a chapter on being blind when your awake yet we trust him in sleep and other great gems of wisdom
