Look At Australia:

Looking for Australia John Hirst, 2010-09 What are the qualities at the heart of Australian culture How did they arise What distinguishes us from other nations beyond a fondness for calling each other mate And what do such national quirks reveal about our society our past and our attitudes towards it Looking for Australia is a fascinating collection of essays by historian John Hirst Together they form a multi faceted portrait of Australia as a distinctive nation with its own political culture character and style and particular ways of seeing itself Among other subjects Hirst considers the effects of convict origins on national character what drove the bushrangers to their daring deeds and why Australia has compulsory voting He examines whether Aborigines played a part in the origins of Australian Rules football and asks whether Curtin was indeed our greatest prime minister He discusses how best to tell Australia s history and after reflecting on our past as a British dependency makes a stirring case for a future fully independent republic

Australia Juliet Pietsch, Haydn Aarons, 2012-11-01 The latter years of the first decade of the twenty first century were characterised by an enormous amount of challenge and change to Australia and Australians Australia s part in these challenges and changes is borne of our domestic and global ties our orientation towards ourselves and others and an ever increasing awareness of the interdependency of our world Challenges and changes such as terrorism climate change human rights community breakdown work and livelihood and crime are not new but they take on new variations and impact on us in different ways in times such as these

The Rock: Looking into Australia's 'Heart of Darkness' from the edge of its wild frontier Aaron Smith , 2020-12-01 Journalist Aaron Smith s new memoir holds up a unique mirror to Australia What he sees is at once amazing disturbing and revealing The Rock explores the failings of our nation s character its unresolved past and its uncertain future from the vantage point of its most northerly outpost Thursday Island Smith was the last editor fearless journalist and the paperboy of Australia s most northerly newspaper the Torres News a small independent regional tabloid that until it folded in late 2019 was the voice of a predominantly Torres Strait Islander and Aboriginal readership for 63 years across some of the most remote and little understood communities in Australia The Rock is a story of self discovery where Smith grapples to understand a national identity marred by its racist underbelly where he is transplanted from his white boy privileged suburban life to being a racial and cultural minority and an outsider Peppered with his experiences Smith gradually and sensitively becomes embedded in island life while vividly capturing the endless and often farcical parade of personalities and politicians including Scott Morrison and Tony Abbott Smith pulls no punches while he reflects on the history of Terra Australis incognita dissecting what is truly Australia and its gaping cultural and moral divide A credit to regional journalism Aaron carried on the fine

tradition of the Torres News holding governments to account and telling stories of everyday life in the Straits never shying away from controversies lifting all the rocks and even out foxing prime minister Tony Abbott on his visit to Mabo's grave Stefan Armbruster SBS Aaron Smith makes a huge and extremely valuable contribution to journalism in Australia With insight and commitment he brings issues of national and international significance to audiences in Australia and beyond Dr Tess Newton Cain Griffith Asia Institute Aaron's journalism has provided a rare and valuable insight into issues affecting the Torres Strait Islander community Navigating cultural protocols and geographical challenges he has given a voice to some of Australia's most marginalised people and shared important stories that would otherwise have gone unheard Ella Archibald Binge Sydney Morning Herald

Southern Asia, Australia and the Search for Human Origins Robin Dennell, Martin Porr, 2014-02-24 This volume summarizes what is and is not known about the earliest evidence of our species outside Africa from Arabia to Australia Most books on the origins of modern human behavior and the expansion of our species across the world focus on evidence from Africa Europe and the Levant which have been extensively researched This book focuses instead on the important areas of southern Asia such as Arabia and India as well as evidence from Australia which deserve far wider attention than they have hereto received

A Future for Regional Australia I. W. Gray, Geoffrey Lawrence, 2001-07-31 This book interprets the predicament faced by Australia's regional people from their own perspective and proposes a means by which they can act together to find a secure future under globalisation It argues that neoliberalism in combination with its real world effects in economic policy are driving regional Australia further into social environmental and economic decay The book will be of great interest to all concerned about the future of regional Australia and will make a lively and relevant text for students studying the social sciences in the countryside or in the major cities

A Soul for Australia? John Gatt-Rutter, Peter Willis, 2014-12-31 Fosco speaks as a member of Post Christian Society that has emerged

from the Great Walk Out from established religion but as one who cannot subscribe to the Economic Myth of Rational Humanism Fosco's text which he dubs *My Reality* is republished in this volume accompanied by six exploratory essays ranging from the supportive to the dismissive which seek to open up debate on the issues which he poses Can we work towards a society in which humane values prevail or must we accept that ours is for lack of a better the best of possible worlds

Australia's 'war on terror' Discourse Kathleen Gleeson, 2016-04-08 Too often existing literature has conflated the discourses that enabled the War on Terror ignoring the contextual specificities of the states that make up the Coalition of the Willing Australia's war on terror Discourse fills this gap by providing a full and sustained critical analysis of Australian foreign policy discourse along with the theoretical synthesis for a specific model of critical discourse analysis of the subject The language of then Prime Minister Howard is the primary focus of the book but attention is also paid to the language of key ministers political opponents and other prominent actors The voices of those who challenged the dominant discourse are also considered to shed light on the ways in which discourses can be destabilised Kathleen Gleeson shows how Howard successfully invoked narratives of identity and sovereignty that resonated with his audience and promoted his reworked narrative of Australia whilst facing dissent from many actors who voiced their opposition most successfully when they capitalised on inconsistencies within the discourse

The Discovery of Australia George Arnold Wood, 1922 *The Cloud* Jack A. Hancock, 2016-12-27 In the year 2110 something strange is happening on earth The color yellow has mysteriously disappeared from the world taking with it much of the sun's warmth and leaving the earth in peril of freezing Colonel Aaron Post a former Air Force pilot and wife Janice a retired Attorney General of the United States are summoned to Washington DC by the President Together with a group of experts the colonel is tasked with preventing the end of civilization NASA has determined that there is a cloud of dust spreading between the earth and the sun Its origins are unknown but its placement seems to be deliberate Could there be an extraterrestrial race plotting to invade the earth Only time will tell In this novel a mysterious dust cloud in space obscures the sun and eliminates the color on earth threatening the existence of all life on the planet
