Look Out Tiger:

Animals That Make Me Say Look Out! (National Wildlife Federation) Dawn Cusick, 2016-08-23 Hey Look out Sharp eyed readers will need to keep their eyes peeled in this engaging look at how animals of all shapes and sizes blend in and survive in their native ecosystems How do animals deal with danger From crocodiles standing on their tails to great white sharks with their jaws wide open to well camouflaged venomous snakes prospective naturalists and conservationists will have a lot to look out for in this exploration of dynamic ecosystems and the animals that hide and hunt in them Back matter includes glossary curated reading list and a scavenger hunt

In Search of Tiger Tom Callahan, 2007-12-18 Tom Callahan has written the seminal book on golfing great Tiger Woods Woods who has gone out of his way to protect his privacy has never allowed himself to get close enough to a writer to be properly examined on the page And as a consequence his fans know relatively little about him except what s divulged in quick tournament interviews or the scarce information parsed out on occasion by one of his handlers Which is to say we know next to nothing about one of the most famous people in the world Callahan commonly regarded as one of the best all round sports writers in the country has followed Tiger around the world of golf for more than seven years enjoying a certain access to the man and his family He even went so far as to travel to Vietnam to learn the fate of the South Vietnamese soldier who was Earl Wood s best friend during the war and his son s namesake Tiger is twenty years old when the book opens and twenty seven when it closes During those years Callahan covered Woods at all the Majors including the Masters the U S Open and the British Open culminating in Tiger s heart stopping race to make history by clinching the string of Majors affectionately nicknamed the Tiger Slam As the pulse of golf was measured by the curve of his swing Tiger made everyone s heart skip a beat as he attempted to win the Grand Slam a year later Along the way Tom Callahan hears from everyone who is anyone in the world of Tiger Woods including Phil Mickelson Jack Nicklaus David Duval Butch Harmon Ernie Els and of course Tiger s rather ubiquitous mother and father As much as we learn about Tiger how he sees himself in relation to the courses he plays on and the players he has learned from and competed with we also enjoy a bird s eye view of golf as it is now with Tiger on the scene and as it was for centuries before In Search of Tiger catalogs and dissects moments and influences in Tiger s guarded life and unprecedented career moments that unveil him his awesome drive and his enormous talent Tom Callahan has written a classic of its kind a book to rank with the best in its genre He has done what few have even attempted he has found the real Tiger Woods

Screw Your Courage Lee Marcus, 2000-12 The rainbow nation of South Africa is teetering on the brink of the new Millennium accompanied by the sound of outraged toyi toyi ing protesting over unemployment lack of

housing taxi violence police handlers and their dogs So visibly all is as usual but under the surface something fearful is brewing seemingly unnoticed except by Mr Torrington head of Intelligence He is alerted and alarmed by a series of strange events He has a preposterous theory which he relates to David Soames a nuclear scientist Soames doesn't believe the outlandish nonsense but two men are Dead two more both eminent scientists have vanished Unwillingly he agrees to investigate When Joella Martin the love of David's life becomes involved drawn into a dangerous situation Torrington knows in his gut that time is running out Within each person exists courage and resourcefulness never guessed at until needed As the action moves from South Africa to Israel and on to Egypt David and Joella find both when separately they face death until Torrington finds the last fiendish filament which completes the brilliant web which has been years in the spinning This is a light hearted romantic thriller which looks at an all too possible dire threat to the whole world *An Indian Englishman* Jack Gibson, Brij Sharma, 2008-08-15 John Travers Mends Jack Gibson was born on March 3 1908 and died on October 23 1994 at the age of 86 In some ways Jack was the last Indian Englishman He came ten years before independence and stayed on 47 years after it rendering dedicated service to the country of his adoption for 57 years Jack's journey started as a school teacher at The Doon School He was the last English Principal of Mayo College and the last English President of the Himalayan Club He was the last and for most of the time the only English resident of Ajmer He must have been just about the last Englishman to have been honored by both the British and Indian Governments Brij Sharma is a journalist based in Bahrain He spent much of his childhood and youth in Dehra Dun and while not a product of The Doon School he has known its campus the surroundings of the city and much of the mountainous terrain described in Gibson's letters <http://www.jtmgibson.com> **Tiger's Realm** Kevin Grubbe, 2008-09 **Tigers In Red Weather** Ruth Padel, 2009-05-26 Poet writer and descendant of Charles Darwin Ruth Padel set out to visit a tropical jungle and wildlife sanctuary in India and her visit turned into a remarkable two year journey through eleven countries in search of that most elusive and most beautiful animal the tiger Armed with her grandmother's opera glasses and Tunisian running shoes she set off across Asia to ask the question can the tiger be saved from extinction in the wild Tigers are an umbrella species they need everything in the forest to work in tandem they eat deer the deer need vegetation the vegetation has to be pollinated by birds mammals rodents and butterflies If you save the tiger you save everything else Today the 5 000 tigers that still survive in the wild live only in Asia and are scattered throughout 14 countries Padel says that while tigers will never become extinct they are too popular for that they may disappear from the wild There are as many tigers in cages in the US as there are surviving tigers in the wild As she travels she meets the defenders of the wild the heroic scientists forest guards and conservationists at the frontline fighting to save tigers and their forests from destruction in the places where poverty threatens to wipe out all wildlife She also examines her fascination both as a poet and as the great great granddaughter of Charles Darwin with nature wildness and survival and in the end becomes a knowledgeable advocate for the tiger The result is a beautiful blend of natural history travel literature

and memoir and a searing intimate portrait of an animal we have loved and feared almost to extinction *The Tiger's Den* T. Jack Lewis, 2013-08-29 This story is not about Japan It is about all people It is about tragedy and fear It is about courage It is about love and it is about growth It is about doing the right thing It is written in English but the setting is Western Manchuria early in World War II The pilots of the Japanese forces are facing their first combat against top notch Russian pilots They apply their training but find that actual combat is not what the books described They find comfort in the arms of the women that provide relief for a price Manchuria Mongolia Russia Japan Buddhism Christianity Islam Occupation Oppression The Worlds Oldest Profession Sympathy and Humanity Add them all together and you get A compelling story of a young man thrown into a stark reality He must grow quickly and learn the hard way From the fear and danger to The Tigers Den **The Boy with the Tiger's Heart** Linda Coggin, 2014-08-28 The call of the wild is powerfully realised in this thrillingly evocative modern day fable A girl raised in the wild a desperate race for freedom and a boy with a fiercely guarded secret When Nona s guardian kills himself she is immediately suspected of murdering him In a world where nature and darkness are feared where wild animals are held captive and cities are illuminated by permanent light who will believe her innocence Nona must flee with her only friend a bear who is strangely human In their desperate attempt to escape capture Nona and her bear encounter two strange boys Caius and Jay Together the four of them will hide and fight and make the deadliest of enemies in their desperate race to a forbidden place called The Edge where nature is unrestrained where there is light and shade forest and mountain and where there are no shackles or boundaries A poetic haunting and unforgettable modern fable about nature society and what it is that makes us human **Once a Week** Eneas Sweetland Dallas, 1869

The Oriental Sporting Magazine ,1870 **The Freemason's Chronicle** ,1883 **Tease** Immodesty Blaize, 2009-08-28 Tiger Starr has risen from nothing to become burlesque s most sensational showgirl She s bewitched an adoring public and media with her old school Hollywood glamour hourglass curves and wickedly sexy stage shows Tiger s life is a whirlwind of glamour diamonds celebrity parties and more than her fair share of suitors She seems to finally have it all But though she may have the talents to bring any man or woman to their knees Tiger never lets her friends or lovers get too close Only now she s finally ready to take a chance on love But beneath all the glitz and the feathers she s hiding more than her modesty As she prepares for the most important show of her life it seems somebody is intent on exposing the dark secrets of her carefully guarded past Unfortunately there s more than one likely candidate Is it one of Tiger s discarded lovers A rival showgirl Or even her jealous sister As her world starts to unravel Tiger will have to fight for survival by delivering the performance of her life Irresistible The Times **The Tiger's Revenge** Evan Morris, 2025-08-28 Since the end of the Second World War the audacious Operation Jaywick has remained little known amongst the public or military in the United Kingdom It was an incredible endeavour executed by British and Australian service personnel The deepest surface waterborne penetration behind enemy occupied lines undertaken by special forces of WW2 This hand picked band of men

would achieve what some thought to be impossible a major strike at the very heart of the Japanese in their newly acquired Empire in South East Asia This story ranks and deserves the same acknowledgement as exploits such as the Dambusters or the Cockleshell Heroes In the words of British Generals and US Admirals and Commanders it achieved what everyone thought was impossible without loss and with the minimum expenditure of resources A terrible twist in the tale is that by not using the success of the mission as a propaganda victory as had been intended by Jaywick s commanders a terrible price was paid by local Singaporeans who were scapegoated by the Japanese Secret Police This is perhaps the reason that Operation Jaywick was never hailed with the success it truly deserved The highly effective delivery of Operation Jaywick gave a green light to an even more ambitious endeavour from which no British or Australian personnel would survive many being executed beheaded by their Japanese captors The Tiger s Revenge is the story told by the son of a special forces crew member who was the only post WW2 British survivor of Operation Jaywick
