Looking Closer:

Looking Closer 4 Michael Bierut, William Drenttel, Steven Heller, 2012-02-15 The most stimulating installment yet in the acclaimed Looking Closer series This enthralling collection of essays assembles some of the most intriguing critical commentary published in professional and general interest design magazines from 1997 to 2000 Over thirty contributors including Rick Poynor Kathy McCoy Lorraine Wild Veronique Vienne Jessica Helfand and others discuss such important contemporary themes as the rise and fall of the dot coms and its influence on salary expectations the ongoing controversy over the First Things First Manifesto the call for greater responsibility in the design profession and the antibranding protests that ignited demonstrations during recent World Trade Organization meetings From current events to design principles and aesthetics to ethics graphic designers everywhere will savor this anthology of fresh perspective Allworth Press an imprint of Skyhorse Publishing publishes a broad range of books on the visual and performing arts with emphasis on the business of art Our titles cover subjects such as graphic design theater branding fine art photography interior design writing acting film how to start careers business and legal forms business practices and more While we don't aspire to publish a New York Times bestseller or a national bestseller we are deeply committed to quality books that help creative professionals succeed and thrive We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers

Looking Closer: Kevin Spacey, the First 50 Years Robin Tamblyn, 2021-12-03 Kevin Spacey is considered one of the most talented thespians of his generation Voted Greatest Actor of the Nineties by Empire Magazine placed third in a 2001 FilmFour poll of the hundred greatest ever movie stars he is a double Oscar winner and has been equally successful on the stage being appointed Artistic Director of London's Old Vic Theatre in 2003 Yet like his most famous screen character Keyser Sze he has remained a shadowy and mysterious figure notoriously protective of his private relationships and giving few intimate interviews Looking Closer the first published biography of Spacey explores the background and career of this enigmatic man This revised edition includes several rare and previously unseen photographs from Kevin's family archives

Looking Closer 3 Michael Bierut, 1999 Rare and difficult to find essays provide fascinating reading in this third anthology in the Looking Closer series a matchless resource tracing the continuum of critical thought from graphic design's earliest days as a viable art and craft Looking Closer 3 brings back into discourse more than thirty seminal essays by such distinguished figures as William Morris Aldous Huxley Alvin Lustig and Paul Rand reviving ideas of form and content as well as arguments over manner and style that have been lost for decades For professionals teachers and students alike this pivotal collection is an invaluable compliment to any design library

Cyberpl@y Brenda Danet, 2020-05-28 The Internet is changing the way we communicate As a cross between letter writing and conversation email has altered traditional letter writing conventions Websites and chat rooms have made visual aspects of written communication of greater importance arguably than ever before New communication codes continue to evolve with

unprecedented speed This book explores playfulness and artfulness in digital writing and communication and answers penetrating questions about this new medium Under what conditions do old letter writing norms continue to be important even in email Digital greetings are changing the way we celebrate special occasions and public holidays but will they take the place of paper postcards and greeting cards The author also looks at how new art forms such as virtual theatre ASCII art and digital folk art on IRC are flourishing and how many people collect and display digital fonts on handsome Websites or even design their own Intended as a time capsule documenting developments online in the mid to late 1990s when the Internet became a mass medium this book treats the computer as an expressive instrument fostering new forms of creativity and popular culture

Adventures of Phileas Foggy Philip James Mainwaring, 2011-05-07 This is an account of fourteen months travelling around the world I left England in the Spring of 09 with the intent of finding work in New Zealand all entries are taken from journals online and handwritten that I kept over the course of my journey Sections from the first written journal were damaged following exposure to monsoons in the rainforests of Northern Thailand however most of the text has been recovered and is still legible This is the full colour edition of the journal

Come Up Here... the Door Is Open Catherine E. Wright, 2014-09 If you knew heaven's door was opened wide for you to get a glimpse of heaven while on Earth would you be willing to take a look Catherine E Wright was and it changed her life for eternity Come Up Here the Door Is Open unveils Catherine's numerous supernatural experiences with the heavenly realms of visions and angels and explains why they resulted when she accepted Jesus' invitation to enjoy a deeper spiritual life through worship Scriptural foundations for her encounters such as Acts 2:16-21 are provided as are principles for accessing the heavenly realm Come Up Here the Door Is Open is a compelling spiritual memoir of the author's spiritual life during periods of triumph happiness and sorrow In it you'll see how her own personal angelic visions and encounters with Jesus unshakably deepened her love for Him

Narrative Personae and Desire in Modernist Fiction Kevin Ohi, 2025-09-25 Examining modernist fiction in the context of a longer tradition of narrative impersonality Narrative Personae and Desire in Modernist Fiction explores how narrative language renders subjective states of interiority and desire Inspired by linguistic analyses of the speakerless sentences of narrative language and their unoccupied centers of perception Kevin Ohi argues that modernist texts are populated by quasi persons narrative voices that are impersonal while trailing effects of personality and characters whose personhood is suspended the incisive rendering of psychology and desire produced by externalizations of consciousness Certain first person texts highlight the constitutive tension between the functions of narrator and character joined in that first person while in third person texts a charismatic or impervious central voice can be shown nevertheless to hold the psychologies it empties from the characters it describes At stake is the particular way that modernist narrative responds to the question of literature's capacities for addressing psychic life In Virginia Woolf's *Jacob's Room* William Faulkner's *As I Lay Dying* Ford Madox Ford's *The Good Soldier* Eudora Welty's *The Golden Apples* Ronald Firbank's *Concerning the*

Eccentricities of Cardinal Pirelli and James Purdy's Mourners Below this volume finds a paradoxical merger a humanizing effect achieved by narrative depersonalization and its evocations of psychology and desire

The Office Girls Sylvester Stephens, 2010-05-11 A topsy turvy ride through corporate America where the male is the minority and must face a comedic blend of sex discrimination and harassment that threatens his sanity Michael Forrester a floundering author has been reduced to writing articles for a local newspaper under a pseudonym When the newspaper runs an article he finds offensive to African American men he writes a rebuttal which offends so many women it gets him fired Michael then sets out to write a book that proves corporate women are just as scandalous competitive and insensitive as their male counterparts But when he manipulates events to get hired into an office that is staffed by all women events quickly spiral out of control As romances sprout like weeds and Michael finds himself fighting for the women he works alongside rather than against them the question is whether he will be able to focus on his work keep his fling a secret and achieve the success he has always dreamed of In turns hilarious sobering and eye opening The Office Girls tells the story of every woman who works in the corporate world and the challenges they face on a daily basis The misogyny sexual harassment and gender inequality faced by these characters will ring true for all women who have experienced corporate America

Low Level Hell Hugh L. Mills, Jr., 2009-01-16 The aerobats of the 1st Infantry Division had three words emblazoned on their unit patch Low Level Hell It was then and continues today as the perfect concise definition of what these intrepid aviators experienced as they ranged the skies of Vietnam from the Cambodian border to the Iron Triangle The Outcasts as they were known flew low and slow aerial eyes of the division in search of the enemy Too often for longevity's sake they found the Viet Cong and the fight was on These young pilots 19-22 years old invented the book as they went along Praise for Low Level Hell An absolutely splendid and engrossing book The most compelling part is the accounts of his many air to ground engagements There were moments when I literally held my breath Dr Charles H. Cureton Chief Historian U.S. Army Training and Doctrine TRADOC Command Low Level Hell is the best bird's eye view of the helicopter war in Vietnam in print today No volume better describes the feelings from the cockpit Mills has captured the realities of a select group of aviators who shot craps with death on every mission R.
