Mark J. Brodowski

Looking Into Hell:

Looking into the Revelation Dr. Boyd O. Gray, 2013-08 Since the Bible was first written the book of Revelation has provided readers with a glimpse of what is to come But even as the world rapidly fulfills the ancient Scripture many still avoid its obscure symbolic language which often lends itself to fanatical interpretation In Looking into the Revelation a seasoned pastor uses various version of the Bible to provide a clear explanation of biblical texts relating to the end of the world as we know it Dr Boyd Gray a minister with more than thirty years of experience offers a comprehensive study from the premillennial view based on his opinion that the masses are either not ready for the return of Christ or have dismissed it as myth altogether As Dr Gray works his way through Scripture detailing the truths of John the Apostle and the predicted tribulations of the Antichrist he demonstrates through his interpretations that God's Word is the truth a message he hopes will motivate sinners to heed the Lord's gracious call to salvation Looking into the Revelation shares a careful examination of biblical text that seeks to encourage people of all faiths to reexamine their lives and their beliefs and to fall in love with the Lord Jesus Christ

The Resurrection and Immortality William West, 2006-08 THE RESURRECTION AND IMMORTALITY Is man born with an immortal soul or do the saved put on immortality at the resurrection This is one of the most important questions of all times It has more influence on our conception of our nature our view of life in this world and life after death the nature of God than any other question The resurrection and an undying immortal soul are not compatible If one is true then the other one cannot be YOUR WHOLE THEOLOGY what you believe IS DETERMINED BY YOUR VIEW OF THE SOUL Not only does man now having an immortal soul make the resurrection impossible it makes the judgment be passed and the second coming of Christ pointless for there could not be a resurrection or a judgment at His coming The resurrection doctrine of unconditional immortality are contradictory to each other You must choose one or the other You cannot believe both Christ taught the resurrection It is our only hope of life after death not now having immortality and never dying The undead cannot be raised If the soul is immortal and never dies there cannot be a resurrection of those not dead If there is to be a resurrection of the dead the dead cannot be alive cannot be living immortal souls The doctrine of unconditional immortality Changes the nature of God makes Him cruel and sadistic Changes the message we preach to the lost and their fate whether they will have an eternal life with torment or a second death form which there will never be a resurrection Changes the nature of man whether

he is now mortal or immortal Changes the nature of the resurrection of Christ whether He was dead and raised by God or only His earthly body was dead and He just came back from Heaven to it Changes the nature of our resurrection whether we are dead and resurrected or just come back from somewhere The resurrection an immortal soul The wages of sin is death the wages of sin is an eternal life of torment At Hell's Gate Claude Anshin Thomas, 2025-06-24 In this raw and moving memoir Claude Thomas describes his service in Vietnam his subsequent emotional collapse and his remarkable journey toward healing At Hell's Gate is not only a gripping coming of age story but a spiritual travelogue from the horrors of combat to the discovery of inner peace a journey that inspired Thomas to become a Zen monk and peace activist who travels to war scarred regions around the world Everyone has their Vietnam Thomas writes Everyone has their own experience of violence calamity or trauma With simplicity and power this book offers timeless teachings on how we can all find healing and it presents practical guidance on how mindfulness and compassion can transform our lives This expanded paperback edition features Discussion questions for reading groups A new afterword by the author reflecting on how the current wars in Iraq and Afghanistan are affecting soldiers and offering advice on how to help returning soldiers to cope with their combat experiences MRS. Book Four. The Birth Of Death L.E. Parker, 2018-06-04 When an unstable power is unleashed upon the worlds the Earth is left to tremble under the weight of deception as the pieces move across the board towards an inevitable and destructive war with only the hands of evil to play with them Deceit is unmasked mistrust begins to fester and curiosity that rises in so few risks being torn away as everything is left without the protection of the light As lies begin to be untold the passage of death is born to the Earth in silent horror as the fingers of the Devil reach into each and every soul of humankind with no sign of peace to lead them to safety It matters only to one being that there is salvation and yet with his will broken beyond repair the Earth faces the birth of never ending darkness entirely alone with only dust to suffocate their fragile hope for deliverance

The Slavery of Death Richard Beck, 2013-12-23 According to Hebrews the Son of God appeared to break the power of him who holds the power of death that is the devil and free those who all their lives were held in slavery by their fear of death What does it mean to be enslaved all our lives to the fear of death And why is this fear described as the power of the devil And most importantly how are we as individuals and as faith communities to be set free from this slavery to death In another creative interdisciplinary fusion Richard Beck blends Eastern Orthodox perspectives biblical text existential psychology and contemporary theology to describe our slavery to the fear of death a slavery rooted in the basic anxieties of self preservation and the neurotic anxieties at the root of our self esteem Driven by anxiety enslaved to the fear of death we are revealed to be morally and spiritually vulnerable as the sting of death is sin Beck argues that in the face of this predicament resurrection is experienced as liberation from the slavery of death in the martyrological eccentric cruciform and communal capacity to overcome fear in living fully and sacrificially for others **Holy Vegan Earth** God Creator of Universes, 2018-08-20 Soon
