Educating Young Children through Natural Water Judit Horvath,2015-10-08 Coastlines rivers and natural waters have a huge amount to offer young children providing a unique environment for their learning and development The environment and its almost daunting size touches something deep within the children and surprisingly the large space brings them closer together This book provides a comprehensive guide to Natural Water School provision by exploring its special pedagogy the organisation and management of the Water School session and discussing the learning environment and its implications for children s wellbeing and development It clearly explains the key principles of this recently developed contemporary approach and sets out a framework for setting up and leading a Natural Water School programme The book shows how the aims and outcomes of early years education including the Early Years Foundation Stage can all be achieved within the Natural Water School environment and is supported by examples and case studies throughout Full of practical suggestions and activities it includes Activity ideas covering topics such as wildlife sensory activities crafts social development physical play and construction in different seasons Unique teaching tools to observe and develop the children

Ideas for working with children of different ages and learning styles Detailed guidance on health and safety including risk assessments Offering a sound historical background a solid pedagogical framework and a step by step guide to Natural Water School practice this handy text will help students and practitioners to fully understand this new and increasingly popular approach to early years education and how it can benefit the children they care for Children's Emotions in Europe, 1500 – 1900 Jeroen J. H. Dekker,2024-04-04 This book gives you the historical sensation of coming face to face with the bodily expression and regulation of children s emotions over time The study does this by encouraging you to look through the eyes of well known artists like Albrecht D rer Domenico Ghirlandaio Jan Steen Antony van Dyck Rembrandt and Titian in early modern Europe and Jean Baptiste Sim on Chardin Thomas Lawrence Jean Honor Fragonard Philipp Otto Runge Willem Bartel van der Kooi Paul Gauguin Auguste Renoir and Jozef Isra ls in the late 18th and 19th centuries These sources are supplemented by works from less famous artists as well as popular emblem books child advice manuals observations from the emerging child sciences and personal documents Jeroen Dekker observes children s emotions mainly in the child s world and in the domestic emotional space and connects them with history s ongoing underlying discourse on education and the emotions This discourse was developed by theologians philosophers and moralists like Augustine Aquinas Erasmus Descartes Jacob Cats John Locke and Jean Jacques Rousseau by Romantic educationalists like Friedrich Fr bel and Ellen Key and by scientists like Charles Darwin and William James who emphasized the biological instead of the moral fundament of children s emotions The story of children s emotions is told in the context of cultural movements like the Renaissance Humanism the Reformation the Enlightenment Romanticism and the starting Age of Child Science Children s Emotions in Europe 1500 1900 crucially highlights the continuous co existence of regulation oriented and child oriented educational views on children s emotions Children's Writers' & Artists' Yearbook 2025 Bloomsbury Publishing,2024-08-01 Foreword by Alice Oseman creator of the million copy bestselling Heartstopper books This is not a book it is a sky filled with possibility so let its wisdom lift you and soar Joseph Coelho Children s Laureate Celebrating its 21st edition this indispensable Children s Writers Artists Yearbook provides everything you need to know to get your work noticed With thousands of up to date contacts and inspiring articles from dozens of successful writers illustrators and industry insiders it is the ultimate resource on writing and publishing for children of all ages Packed with insights and practical tips it provides expert advice on submitting to agents and publishers writing non fiction and fiction across genres and formats poetry plays broadcast media and illustration self publishing copyright finances and contracts marketing prizes and festivals and much much more New content in this edition include articles on Your Author Brand by Tom Palmer Getting Published by Hannah Gold Writing with empathy by Camilla Chester What an indie bookshop can offer authors by Carrie Tim Morris Between the covers of this book is everything you need to know to get published Julia Donaldson **Boys' and Girls' Bookshelf: Book of nature and outdoor life (part 3 and 4)** ,1912 **Object Lessons** Sarah Anne Carter,2018-07-12 Object Lessons How Nineteenth Century Americans

Learned to Make Sense of the Material World examines the ways material things objects and pictures were used to reason about issues of morality race citizenship and capitalism as well as reality and representation in the nineteenth century United States For modern scholars an object lesson is simply a timeworn metaphor used to describe any sort of reasoning from concrete to abstract But in the 1860s object lessons were classroom exercises popular across the country Object lessons helped children to learn about the world through their senses touching and seeing rather than memorizing and repeating leading to new modes of classifying and comprehending material evidence drawn from the close study of objects pictures and even people In this book Sarah Carter argues that object lessons taught Americans how to find and comprehend the information in things from a type metal fragment to a whalebone sample Featuring over fifty images and a full color insert this book offers the object lesson as a new tool for contemporary scholars to interpret the meanings of nineteenth century material cultural and intellectual life *Handbook of Research and Policy in Art Education* Elliot W. Eisner, Michael D. Day, 2004-04-12 This work provides an overview of the progress that has characterized the field of research and policy in art education It profiles and integrates history policy learning curriculum and instruction assessment and competing perspectives **The Encyclopaedia Britannica** Day Otis Kellogg, Thomas Spencer Baynes, William Robertson Smith, 1902 The 9th lauded as high points for scholarship the 9th included yet another series of illustrious contributors such as Thomas Henry Huxley article on Evolution Lord Rayleigh articles on Optics Geometrical and Wave Theory of Light Algernon Charles Swinburne article on John Keats William Michael Rossetti Amelia Edwards article on Mummy Prince Kropotkin articles on Moscow Odessa and Siberia James George Frazer articles on Taboo and Totemism Andrew Lang article on Apparitions Lord Macaulay James Clerk Maxwell articles on Atom and Ether Lord Kelvin articles on Elasticity and Heat and William Morris article on Mural Decoration this edition was also the first to include a significant article about women Women Law Relating to Evolution was listed for the first time in the wake of Charles Darwin s writings but the subject was treated as if still controversial and a complete working of the subject would have to wait for the 11th edition Wikipedia **New York Magazine** , 1990-09-10 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
