Wayne Gretzky's Ghost Roy MacGregor, 2012-11-06 Roy MacGregor has been called the best hockey writer in the country and we finally have a collection of his very best hockey writing revised and updated For nearly 40 years Roy MacGregor has brought hockey our national sport alive on the page From tales of the game s greats Guy Lafleur Jean Beliveau Marcel Dionne to today s stars Sidney Crosby Alex Ovechkin Daniel and Henrik Sedin his magazine and newspaper coverage has revealed so much about these and so many other personalities in moments of promise victory and defeat While many of these stories play out on the ice some of the most compelling take place on the home front Mario Lemieux s battle against cancer the many tribulations of Bob Gainey and MacGregor s prose shines especially when focused on the human side of a sport defined by superhuman feats of speed aggression and power Wayne Gretzky s *Ghost* is a personal book and also a book of challenging ideas that Wayne Gretzky through no fault of his own was the worst thing to happen to hockey that CBC s Hockey Night in Canada has lost sight of what it is that goaltending has become a position out of all proportion to what was intended And who could offer a better perspective on the game than a writer who playing as a youngster had to face an onrushing phenom from Parry Sound named Bobby Orr or who spent a year ghostwriting a national newspaper column for the Great One himself When it comes to hockey Roy MacGregor has seen and in some cases done it all

Paper Trails Roy MacGregor, 2023-08-01 One of Canada s greatest journalists shares a half century of the stories behind the stories From his vantage point harnessed to a tree overlooking the town of Huntsville he tended to wander a very young Roy MacGregor got in the habit of watching people what they did who they talked to where they went He has been getting to know his fellow Canadians and telling us all about them ever since From his early days in the pages of Maclean s to stints at the Toronto Star Ottawa Citizen National Post and most famously from his perch on page two of the Globe and Mail MacGregor was one of the country s must read journalists While news media were leaning increasingly right or left he always

leaned north his curiosity trained by the deep woods and cold lakes of Algonquin Park to share stories from Canada's farthest reaches even as he worked in the newsrooms of its southern capitols From Parliament to the backyard rink subarctic shores to prairie expanses MacGregor shaped the way Canadians saw and thought about themselves never entirely untethered from the land and its history When MacGregor was still a young editor at Maclean's the 21 year old chief of the Waskaganish aka Rupert's House Crees Billy Diamond found in Roy a willing listener as the chief was appealing desperately to newsrooms across Ottawa trying to bring attention to the tainted water emergency in his community Where other journalists had shrugged off Diamond's appeals MacGregor got on a tiny plane into northern Quebec From there began a long friendship that would one day lead MacGregor to a Winnipeg secret location with Elijah Harper and his advisors a host of the most influential Indigenous leaders in Canada as the Manitoba MPP contemplated the Charlottetown Accord and a vote that could shatter what seemed at the time the country's last chance to save Confederation This was the sort of exclusive access to vital Canadian stories that Roy MacGregor always seemed to secure And as his ardent fans will discover the observant small town boy turned pre eminent journalist put his rare vantage point to exceptional use Filled with reminiscences of an age when Canadian newsrooms were populated by outsized characters outright rogues and passionate practitioners the unputdownable *Paper Trails* is a must read account of a life lived in stories *100 Things Oilers Fans Should Know & Do Before They Die* Joanne Ireland, Ryan Smyth, 2017-10-01 All Oilers fans have marveled at highlights of The Great One and have felt that excitement coming back to Oil Country with phenom Connor McDavid But only real fans can immediately recall Ryan Smyth's third period hat trick in the 2006 playoffs or have hit the road to support their team in enemy territory *100 Things Oilers Fans Should Know Do Before They Die* is the ultimate resource for true Edmonton fans Whether you were there in person for the Wayne Gretzky era or whether the first game you attend is at the new Rogers Place these are the 100 things every fan needs to know and do in their lifetime Experienced sportswriter Joanne Ireland has collected every essential piece of Oilers knowledge and trivia as well as must do activities and ranks them all from 1 to 100 providing an entertaining and easy to follow checklist as you progress on your way to fan superstardom *Canoe Country* Roy MacGregor, 2016-05-10 One of our favourite chroniclers of all things Canadian presents a rollicking personal photo filled history of the relationship between a country and its canoes From the earliest explorers on the Columbia River in BC or the Mattawa in Ontario to a doomed expedition of voyageurs up the Nile to rescue Khartoum from the author's family roots deep in the Algonquin wilderness to modern families who have canoed across the country kids and dogs included *Canoe Country* is Roy MacGregor's celebration of the essential and enduring love affair Canadians have with our first and still favourite means of getting around Famous paddlers have been so enchanted with the canoe that one swore God made Canada as the perfect country in which to paddle it Drawing on MacGregor's own decades spent whenever possible with a paddle in his hand this is a story of high adventure on white water and the sweetest peace in nature's quietest corners from the author best able and most eager to tell it

Hockey Superstitions Andrew Podnieks,2010-11-02 One of North America s best known hockey writers examines the strangest rituals and superstitions within the NHL Why did Wayne Gretzky start every pre game warm up by shooting wide to the right of the net a rather funny habit given that he scored more goals than anyone in the game s history Why do many hockey players seem to believe performance is tied directly to facial hair Why does Geoff Sanderson use a different length stick for every period And why did Petr Klima break his stick after every goal he scored Hockey Superstitions by one of Canada s best known hockey writers Andrew Podnieks explores the fascinating and fun world of hockey superstitions their origins their quirks and the mythology around them Along the way it gives us an original look into the minds of the players and coaches behind them
