Escape from Germany Kurt F. Jensen,2019-10-01 Pete Anderson the only Canadian officer to escape from a World War I POW camp and other adventures in the Russian revolution Pete Anderson was a genuine Canadian hero Canadians generally agree that heroes are celebrated less in their culture than in some others This treatment of heroes does little to recognize and value the many ordinary men and women who went before to attain extraordinary achievements Pete Anderson whom this book is about was such a person He didn t change the world But he did make a significant difference In typical Canadian fashion he didn t view himself as a hero Before going to war in 1914 Anderson had been an early pioneer in Edmonton Alberta where he had been a successful rich and respected businessman He was a middle aged man when he fought in the First World War Shortly after arriving in France he was captured by the enemy on his birthday In a daring escape he was able to breach the defences of the prisoner of war camp in which he was held and to return to Britain after an eventful transit through much of Germany He and others thought that he might have

been the first Canadian to have escaped from the Germans He was not A fellow Albertan Cpl Ernest Atherton of the 10th Battalion probably escaped slightly earlier However Anderson was not only the first Canadian officer to successfully escape he was also the only Canadian officer to escape during the First World War many others made the attempt but were recaptured Towards the end of the war Anderson volunteered to fight in northern Russia first against the Germans and then as part of an Allied attempt to overthrow the Bolshevik revolution of 1917 When he returned from his wars he had earned two Distinguished Service Orders DSO Bar a senior honour awarded for exemplary service under enemy fire Voices of the Pacific Adam Makos, Marcus Brotherton, 2014 From the New York Times bestselling author of *Spearhead* and *A Higher Call* comes an unflinching brutal and relentless firsthand chronicle of United States Marine Corps actions in the Pacific during World War 2 Following fifteen Marines from the Pearl Harbor attack through battles with the Japanese to their return home after V J Day Adam Makos and Marcus Brotherton have compiled an oral history of the Pacific War in the words of the men who fought on the front lines With unflinching honesty these Marines reveal harrowing accounts of combat with an implacable enemy the friendships and camaraderie they found and lost and the aftermath of the war s impact on their lives With unprecedented access to the veterans rare photographs and unpublished memoirs *Voices of the Pacific* presents true stories of heroism as told by such World War II veterans as Sid Phillips R V Burgin and Chuck Tatum whose exploits were featured in the HBO R miniseries *The Pacific* and their Marine buddies from the legendary 1st Marine Division Includes rare photos Stories, Contemporary Southern Short Fiction Donald Hays, 1989 Sharon Nobilio, 2010-10-01 What do you call a cult leader who makes you hurt the one who loves you and love the one who hurts you An Irish mother And what do you call the devoted children of an Irish mother Disowned Ah but this can t be my mother My mother is so sweet so cute so TINY Why she s more like the Little People of her girlhood stories than some ominous Jim Jones figure Isn t she While this family history has all the elements of a sad childhood alcoholism neglect divorce the mother is so oddball amusing you scarcely notice the devastation of her children even as they help to destroy their father Unlike Frank McCourt s claim that there is no childhood more miserable than an poor Irish childhood this is a chronicle of how true misery is more insidious For it s when an Irish parent puts down the whiskey and drags her children into her version of the American dream that they will pine for the good old days when their mother was just a drunk and their daddy a happy deadbeat *BACKWARDS* is a story of loyalty And betrayal Set in the innocent fifties and turbulent sixties this childhood memoir traces an Irish war bride s pursuit of success And when this poor country girl finally lands wealth and prestige despite the hindrance of her backward children and their lazy father surely that s a happy ending Isn t it *BOOM* Fred Lavner, 2013-05-14 Baby boomer humorist Fred Lavner takes you back to the corner of his Philadelphia neighborhood and beyond for a hilarious account of his schools friends exploits and other examples of teenage angst It s a blast from the past *The Politics of Egypt* Ninette S. Fahmy, 2012-10-12 This book addresses two important matters of current concern to Middle East scholars firstly the nature of the Egyptian state and

society and the interactive process between them and secondly how change which would finally lead to development can be initiated The book argues that the Egyptian case represents a weak authoritarian state which through its coercive and repressive policies towards various societal forces political parties professional associations and organisations and individuals creates a weak society Individual behaviour in urban and rural communities sometimes viewed as signs of the strength of societal forces is seen here as a symptom of a weak and fragmented society The existence of a weak society in turn impedes government objectives and hinders the implementation of developmental policies and programmes further weakening the state This being the case change has to be initiated externally in both the political and economic spheres

How Far She Went Mary Hood,2011-03-15 Mary Hood's fictional world is a world where fear anger longing sometimes worse lie just below the surface of a pleasant summer afternoon or a Sunday church service In *A Country Girl* for example she creates an idyllic valley where a barefoot girl sings melodies low and private as a lullaby and where you could pick up one of the little early apples from the ground and eat it right then without worrying about pesticide But something changes this summer afternoon with the arrival at a family reunion of fair and fiery Johnny Calhoun everybody's kind and nobody's kin forty in a year or so and wild in the way that made him worth the trouble he caused The title story in the collection begins with a visit to clean the graves in a country cemetery and ends with the terrifying pursuit of a young girl and her grandmother by two bikers one of whom had the invading sort of eyes the woman had spent her lifetime bolting doors against In the story *Inexorable Process* we see the relentless desperation of Angelina who hated many things but Sundays most of all and in *Solomon's Seal* the ancient anger of the mountain woman who has crowded her husband out of her life and her heart until the plants she has tended in her rage fill the half acre The madder she got the greener everything grew
