Stamped on Every Child's Heart- Impulsive Behavior Rebecca Dawson,2014-04-01 Do you know an impulsive child One who is full of exaggerations quick to respond careless with words and acts without thinking Do you have a child who gets out of his seat regularly while he s not suppose to interrupts conversations or jumps to the front of the line uninvited Impulsiveness is the quick natural response for these kids They might do all these things and more keep in mind they generally do them rapidly Nevertheless in the very same breathe impulsive kids can be quick to defend remorseful for poor decisions and able to leap over obstacles in a single bound There s a gift for us to discover in impulsiveness The disciple Peter emulates both the strengths and weaknesses of impulsive behavior Impulsiveness had Peter rushing into the water to meet Jesus while also quickly cutting off a soldier s ear He was quick to defend responded without thinking and passionate beyond words His impulsiveness allowed him to experience the miracle of walking on water while everyone else watched him from inside the boat The beauty of Peter s impulsiveness is displayed within his life Peter s impulsiveness allowed him to experience close encounters with God He s authentic and real He s growing and he s a challenge But in the end he s solid and the guy others wanted to follow Discovering the gift of impulsiveness begins in the life of Peter **Vindicating God**

Troy J. Edwards,2015-12-26 There are sincere worshippers of Christ who are quite ignorant of how to deal with difficult passages in the Bible that might be used by God s enemies to paint a false picture of Him Many remain confused as to how to deal with passages that seem to go against what they know by their experience is a loving God I believe that these daily devotions can assist believers in this endeavor When one meditates daily on the truth of God s character then they will not be easily swayed by those who speak against it They will see that there are better ways to understand the passages often presented by those who choose to denigrate God s character *Scars That Speak* Rochelle Murray,2011-06-30 Scars That Speak is the powerful and compelling account of one woman s battle to overcome her abusive childhood and the destructive

behaviors and thinking patterns that developed as a result Rochelle Murray writes with complete honesty as she evaluates her life in light of her past Full of original poetry journal writings and art work Scars That Speak offers the reader a glimpse into the mind of a woman struggling to triumph over emotional physical and sexual abuse The uniqueness of this book lies in the fact that it was written as her therapy progressed which allows the reader to walk with Rochelle along her journey Her story is captivating and poignant gripping the reader from the outset Rochelle s therapeutic relationship with a Christian psychologist provided the support that she needed to break free from her addiction to cutting and enabled her to face her fears and the memories of her childhood Her scars speak loudly of the fact that the past can be confronted truth can be discovered and strength and healing can be attained This book is so much more than just another book about cutting An estimated two million Americans purposefully cut themselves each year Rochelle used to be among their number Her self destructiveness started when she was sexually abused by her grandfather Her narcissistic mother also played a major role in her self destructive behavior Could therapy be the answer Could she find her voice Could truth be told Join Rochelle on her therapeutic journey as she struggles to find healing and the reward of joy

Eliza Peppers,2022-02-22 This book is about the MEMES the author learned about Christ God to build a relationship with him She learned the fundamentals of a man God made in his own image She believes once a person knows the basics of anything then the process is made easier to deal with the relationships she learned from and what she did wrong in the relationships how she came to know Christ and how she learned a man through Christ She thinks a lot of women struggle with relationships because they do not know the basics of a man Praying Through Your Pregnancy Jennifer Polimino,Carolyn Warren,2010-03-12 Praying Through Your Pregnancy shows a mother how to provide an early head start for her child through the power of prayer With fresh spiritual insight each chapter reveals what is happening with the baby s development that week starting with the very first moment of conception when God begins the creation of either a boy or a girl Readers will learn how the confidence they place in God affects the healthy development of their precious growing baby and how to reduce their own stress and anxiety by looking to the Creator In this interactive guidebook the author shares excerpts from her pregnancy journal as an encouragement for women to write their own thoughts and feelings and each chapter ends with a Mother s Prayer and Scriptures for Meditation Praying Through Your Pregnancy was a 2011 Christian Book Award Finalist Trust Me! Katie Helm,2009-06 An exciting passionate thread of awareness of God s love and presence is woven throughout this author s life story When did her unique spiritual journey begin Was its source from imagining levitating from her bed at age three Peering on tiptoe into her beloved grandmother s coffin at age five Sitting on her blind grandfather s knee awed by his reading a Braille Bible Or holding her cousin s dying baby as they were rushed from the crash scene to the hospital At a very early age this delightful little girl with curly red hair and matching freckles became convinced that God knew her and loved her However there was scant evidence of her being special in a busy family with nine children moving from place to place following her dad s passion for the excitement of another oil boom It is a candid story of a recklessly begun marriage of passion maturing into a solid and enduring love This same passionate thread is strong bright and binding as she follows God s bidding to become a foster parent yet later watches helplessly in horror as her lovely virtuous daughter becomes a victim of violent spouse abuse The reader will find an inspiring journey of growing faith meeting all the challenges life can throw at her including three bouts with cancer adopting a troubled teenager and caring for her aged mother diagnosed with Alzheimer s disease Yet that same passionate thread darkens and becomes frayed almost to the breaking point as she describes the Great Divide Readers will immediately identify and recall their own black hole as she describes an ordeal that left an ugly gaping tear in her heart Your

heart will run skip and jump as you relive this redhead s adventurous journey of faith **A Man After God's Own Heart**

This book is about a man who was inspired on Christmas Eve by his loving wife to become the Christian husband and father he always wanted to become. It is about how a common ordinary man got into God's word on a daily basis and wrote down some of his thoughts and prayers each day and gave them to his children the following Christmas Eve. This book is a gift from a father to his children to help them come to know and understand He who loves them and gave his life as a gift for them. The purpose of this book is to help build you and inspire you to become the person that God desires for you in this journey that He calls life. This book is a daily devotional for fathers and their families and the people that they love.
