Friedman,2025-05-27 A richly illustrated history of the glittering world of queer artistic life in the 1920s and 30s In Queer Moderns Alice Friedman tells the fascinating story of the queer avant garde of the 1920s and 30s in New York Paris and Venice as seen through the eyes of Max Ewing 1903 1934 a young musician photographer and man about town who although virtually unknown today moved in extraordinary circles In his photographs and letters we meet the rising stars of modern art music dance and literature and enter a world of interracial friendship queer space and experimentation that shone brightly before being swept away by the Depression It is a remarkable story that reveals that the history of modernism is more queer and more Black than previously recognized In the 1920s Ewing became part of an international coterie of artists led by Carl Van Vechten and Muriel Draper In Europe he was entertained by Gertrude Stein met Stravinsky and took a road trip with Romaine Brooks and Natalie Barney In 1928 in a closet in his apartment Ewing created the Gallery of Extraordinary Portraits an installation of photos of his favorite celebrities Black and white clothed and nude For his Carnival of Venice he took portraits of more than a hundred friends including Paul Robeson Berenice Abbott Isamu Noguchi Agnes de Mille and E E Cummings posed in front of a backdrop of Saint Mark s Square Like a character from a story by F Scott Fitzgerald Ewing joined the party and then died tragically unable to accept the end of his era or the lost dream of a new way of living His story sheds new light on modernism and an artistic milieu that was ahead of its time *Love for Love. A Comedy* William Congreve,1710 *Keep Watching the Skies!* Bill Warren,2017-01-12 Bill Warren s *Keep Watching the Skies* was originally published in two volumes in 1982 and 1986 It was then greatly expanded in what we called the 21st Century Edition with new entries on several films and revisions and expansions of the commentary on every film In addition to a detailed plot synopsis full cast and credit listings and an overview of the critical reception of each film Warren delivers richly informative assessments of the films and a wealth of

insights and anecdotes about their making The book contains 273 photographs many rare 35 in color has seven useful appendices and concludes with an enormous index This book is also available in hardcover format ISBN 978 0 7864 4230 0

The Sacred Band James Romm, 2022-06-21 From classicist James Romm comes a striking fascinating Booklist deep dive into the last decades of ancient Greek freedom leading up to Alexander the Great's destruction of Thebes and the saga of the greatest military corps of the time the Theban Sacred Band a unit composed of 150 pairs of male lovers The story of the Sacred Band an elite 300 man corps recruited from pairs of lovers highlights a chaotic era of ancient Greek history four decades marked by battles ideological disputes and the rise of vicious strongmen At stake was freedom democracy and the fate of Thebes at this time the leading power of the Greek world The tale begins in 379 BC with a group of Theban patriots sneaking into occupied Thebes Disguised in women's clothing they cut down the agents of Sparta the state that had cowed much of Greece with its military might To counter the Spartans this group of patriots would form the Sacred Band a corps whose history plays out against a backdrop of Theban democracy of desperate power struggles between leading city states and the new prominence of eros sexual love in Greek public life After four decades without a defeat the Sacred Band was annihilated by the forces of Philip II of Macedon and his son Alexander in the Battle of Chaeronea extinguishing Greek liberty for two thousand years Buried on the battlefield where they fell they were rediscovered in 1880 some skeletons still in pairs with arms linked together From violent combat in city streets to massive clashes on open ground from ruthless tyrants to bold women who held their era in thrall The Sacred Band recounts in fluent accessible prose The Wall Street Journal the twists and turns of a crucial historical moment the end of the treasured freedom of ancient Greece
