The Heart: The Key to Everything in the Christian Life Tim Rowe, 2016-03-10 We need to recover a truth that has been all but lost in modern day Christianity It has been buried for too long and it is too valuable to be forgotten This life changing truth is that the heart is the key to everything in the Christian life The heart is the wellspring of all our actions emotions motives and character Everything we are everything we say and everything we do flows directly from the heart In *The Heart: The Key to Everything in the Christian Life* believers will

discover how the heart is central to spiritual growth and how it will help us better reflect the image of Christ in a fallen world The heart is the key to our service and obedience to the Father The heart is the key to the purity and depth of our worship praise and love of God It is time the Christian church once again teaches a proper understanding of the heart so that we can fully embrace and manifest the life of Christ within us *The Glory of God* Guillermo Maldonado,2012-12-05 You Were Made for Glory Many believers ask Does God speak to us today Is Jesus just a historical figure or is He really the living Christ Can the Lord still do the same miracles the Bible talks about God has not changed He is the same yesterday today and forever His glory is not just a theoretical concept it is a heavenly reality that every believer can experience now Religion can never produce a supernatural experience with God because it is void of the glory and life of the Lord You can move beyond practicing religion to having an encounter with your heavenly Father the Father of glory With The Glory of God Bible study you will learn to combine your scriptural knowledge with revelation and allow God to manifest His glory through you Each lesson will help you to move from foundational biblical doctrine to an exciting purposeful life in which you experience the God of the Bible the God of glory every day as you become a carrier of His transforming healing presence to the world This course is designed as a stand alone Bible study It may be completed independently by individual students or be used in a group setting such as a Bible study a Sunday school class a course on the foundations of the Christian faith or a prayer group

Holy Spirit, Holy Living Antipas L. Harris,2013-07-26 The language of holiness seems outdated It is a word that comes to us thwarted by a negative history associated with undesirable restrictions and oppressive legalisms What do you do with a term that has been negatively socialized even among churches when the God of the Bible clearly states that He wants His people to be holy Holy Spirit Holy Living aims to dust off the discarded idiom and rediscover the depth and splendor of holiness What are some practical implications for theological and spiritual practice Two broad categories express the particularity of the Church in the world As such the Church must maintain peculiarity to the world First holiness properly understood speaks to being and acting in a way that reflects both a regenerated life in Christ and the ongoing renewal in Christ by the power of the Holy Spirit Secondly holiness as a lifestyle must include at least three principles rest being and doing These three standards undergird a life of conviction of faith and practice worship for God and service to others A holy life follows Christ and is Spirit filled It is unbent by society which is numb to what God wants *A Living Tradition* Dr. Mary Elizabeth Mullino Moore,2013-09-17 This book engages in a critical recovery and reconstruction of the Wesleyan theological legacy in relation to current theological concepts and Christian practices with the intent to present opportunities for future directions The contributors address urgent questions from the contexts in which people now live particularly questions regarding social holiness and Christian practices To that end the authors focus on historical figures John Wesley Susanna Wesley Harry Hoosier and Richard Allen historical developments such as the ways in which African Americans appropriated Methodism and theological themes such as holistic healing work and vocation and prophetic grace The purpose is not to

provide a comprehensive historical and theological coverage of the tradition but to exemplify approaches to historical recovery and reconstruction that follow appropriately the mentorship of John Wesley and the living tradition that has emerged from his witness Contributors W Stephen Gunter Richard P Heitzenrater Diane Leclerc William B McClain Randy L Maddox Rebekah L Miles Mary Elizabeth Mullino Moore Amy G Oden and Elaine A Robinson *Love Not the World*
