Deuteronomy Doug McIntosh, 2002-09-01 One in a series of twenty Old Testament verse by verse commentary books edited by Max Anders Includes discussion starters teaching plan and more Great for lay teachers and pastors alike Being Shaped by Freedom Brett James Muhlhan, 2012-10-24 Did Luther get Christian freedom right The answer to this question contains two elements What is Luther's understanding of Christian freedom How did his understanding stand up under the pressure of reformation Muhlhan examines both of these elements and contends that the sublime beauty of Luther's early understanding of Christian freedom an understanding that empowered the German reformation is consistently the same understanding he used to undermine papal heteronomy and refute radical legalism The relational character cruciform substance and complex structure of Luther's concept of freedom enabled him to speak both polemically and catechetically with a clear and authoritative communicative clarity that reinvoked the magnificence of Christ and him crucified for sinners The impact both positive and negative of Luther's appraisal of Christian freedom finds its focus of impact in the small world of Wittenberg in the sixteenth century yet resonated throughout the church of his day as a powerful theologically laden response to legalism and antinomianism Therefore in light of this impact and its correlation to biblical freedom Muhlhan contents that we can confidently affirm that Luther did indeed get Christian freedom right and that he did not fail to live by the implications of this radical theology *God's Plan for Our Good* Paul Smith, 2000 Observers cry out How can a loving caring God allow terrible things to happen Paul Smith shows how God uses the very worst things to accomplish good purposes Includes a Review and Study Guide **The Golden Rule**, 1846 *Lessons from the Light* Kenneth Ring, Evelyn

Elsaesser,2006-09-01 While providing many accounts of near death experiences NDEs from men women and children of all ages and backgrounds Lessons from the Light is much more than just an inspiring collection of NDEs In Lessons near death expert Kenneth Ring extracts the pure gold of the NDE and with a beautiful balance of sound research and human insight reveals the practical wisdom held within these experiences As Stanley Krippner states In this remarkable book Ring presents evidence that merely learning about the near death experience has similar positive effects to those reported by people who actually have had near death experiences Kenneth Ring is one of the few authors whose gifts include the capacity to transform their readers lives

Loving Creation Gary Chartier,2022-09-27 Is it true that all we need is love Does love capture the essence of Christian ethics Does a love centered ethic need to be impartial in a way that leaves no room at ground level for relationships and projects What is the place of well being in an ethic of love Loving Creation The Task of Moral Life seeks to answer these questions by showing how a love ethic and an ethic of creation are not at odds but rather reinforce each other Gary Chartier articulates a love centered creation ethic or a creation centered love ethic and applies it to such issues as sex economic life love for enemies and political order In the book Chartier offers a powerful alternative both to natural law theories that seem to lose sight of the welfare of actual people and to the accounts of Christian love that embrace an alienating impartiality He develops an understanding of Christian love as focused on creation that can contribute effectively to enriching both social practices and personal lives Loving Creation is unabashedly theological But the theological considerations it adduces are ones that will allow Christians to engage in the public sphere with adherents of other religious traditions and of none It is a contribution not only to theological understanding but also to personal moral reflection to church practice and to Christian participation in public life
