Love Of My Own:

A complete Body of practical Divinity; being a new improvement of the Assembly's Catechism ... To which are prefix'd some memoirs of the Author's life; with his solemn form of covenanting with God. [With a preface by J. Smith.] Thomas DOOLITTLE,1723 **Love, Reason and Will** Anthony Rudd,John Davenport,2015-10-22 An introduction to the philosophy of love bridging analytic and continental philosophy and the philosophy of religion through the writings of Harry G Frankfurt and S ren Kierkegaard "The" British Drama ,1829 Homemade with Love Jennifer Perillo,2013-03-26 From the creator of the blog In Jennie s Kitchen this stress free cookbook brings wholesome food from scratch to your table *Love's Grateful Striving* M. Jamie Ferreira,2001-06-07 Soren Kierkegaard s Works of Love 1847 a series of deliberations on the commandment to love one s neighbor has often been condemned by critics Here Ferreira seeks to rehabilitate Works of Love as one of Kierkegaard s most important works He shows that Kierkegaard s deliberations on love are highly relevant to some important themes in contemporary ethics including impartiality duty equality mutuality reciprocity self love sympathy and sacrifice Ferreira also argues that Works of Love bears on issues peculiar to a religious ethic such as the role of God as middle term and the possibility of preserving the aesthetic dimensions of love in a religious ethic of relation **Freedom Love** Kelly Armstrong,2011-11-02 Poetry can be a medicine that heals and sustains Everyone had their own way of surviving Some people escape from circumstances in their lives by drinking doing drugs falling into depression and many other things not knowing that there is a healthier way out and most importantly seeing hope peace and light at the end I survived with everyday life problems by reading and writing poetry Poetry is a form of expression Poetry can touch your heart and soul forever making a change in your life for the better Allowing you to forget about your past failures and hurts and motivating you to move forward into the future with much success and happiness Its something about poetry that frees the spirit the words in a poem seem to take wings that can fly in and out of our spirits that only the eye of the spirit and the ear of the heart can define It is often said that poetry travels straight to ones heart We all hurt at times from failed relationships the death of a loved one sickness addiction or whatever But know that God sees you and all you are going through and He is working on your behalf whether you see it or not Just trust in God for He has all the answers My reason for writing Freedom Love is to help heal hurting people through my poetry Letting them know that I understand what they are feeling and what they are going through but also letting them know that you can overcome the obstacles in your life filled with peace love happiness success direction and answers Then you will be able to move forward with fulfilling your dreams and future goals trusting and having faith in God Wake Up...Live The Life You Love, Finding Your Life's Passion ,2004-10 Are you choosing to be have and experience more in your life Whatever you are experiencing in life these heart felt stories will enlighten inspire and motivate you to pursue your passion **Fragments of a Love Story** Llewellyn Vaughan-Lee,2011-09-01 The mystical path is the most intoxicating and paradoxical difficult and even dangerous journey one can ever take Fragments of a

Love Story is a series of personal writings describing the passionate love heartache and confusion that belong to this journey. In particular Llewellyn Vaughan Lee explores what for him is a central paradox: what belongs to the individual the I who makes the journey and what belongs to God? Whose journey really is it? He discusses this primary mystical question from his own experiences of 40 years travelling the mystical path within the context of the Sufi tradition. Some of these passages are very personal, heartfelt, full of contradictions and difficulties he has experienced. Other passages are more objective, more detached, placing his experiences and questions clearly within this ancient mystical tradition. In this way he shows how the Sufi path is lived today by a contemporary mystic. Fragments of a Love Story takes the reader beneath the surface into the heart of the mystical relationship with the Divine, which for the Sufi is the relationship of lover and Beloved. He describes how this secret love affair is within the heart of each of us, waiting to come alive, unique to each of us, and yet how confusing it can be, especially for our rational Western consciousness. This book is about the story of the soul and the passion that exists within the core of our being and how demanding and difficult it is to live this love affair. But it also describes the beauty, wonder, and power of the divine love that awakens within the heart, a love that is within each of us. Llewellyn Vaughan Lee is a Sufi teacher and author, and these writings come from his own experience of the Sufi path.

Authentic Self-Love Sepideh Irvani, 2017

We've all heard the cliché: before you can love someone else, you have to love yourself. But what does that actually mean? What does it mean to truly love yourself? Why must you love yourself before you can experience a meaningful relationship? How can you recognize authentic love? Clinical Psychologist Sepideh Irvani, Psy D, answers these questions and more in *Authentic Self Love: A Path to Healing the Self and Relationships*. Interdisciplinary in nature, Irvani draws on a range of psychological, philosophical, and theological theories and analyzes them alongside secular literary texts to show the reader what it means to authentically love one's self. Distinction is made between the self-loathing of Narcissism and authentic self-love: one is destructive and the other healing, respectively. She offers tips to the reader about how to improve relationships with one's self and others and provides context for healing. For those struggling to accept themselves and find love in their lives, Irvani offers a fresh new take on the same old cliché. After reading *Authentic Self Love: A Path to Healing the Self and Relationships*, you'll be able to critically analyze your life and relationships and transform it to an authentic love for yourself and for others.
