Migrations To Solitude

Philip Koch

Migrations To Solitude:

Migrations to Solitude Sue Halpern, 1993-02-02 Profoundly original essays from the author of *Summer Hours* at the Robbers Library about the nature of solitude and privacy in a culture where our laws technology and lifestyles are increasingly chipping away at them both Why do we often long for solitude but dread loneliness What happens when the walls we build around ourselves are suddenly removed or made impenetrable If privacy is something we can count as a basic right why are chipping it away These are some of the themes that Sue Halpern eloquently explores in these essays In pursuit of the riddle of solitude Halpern talks to Trappist monks and secular hermits corresponds with a prisoner in solitary confinement and visits an AIDS hospice and a shelter for the homeless places where privacy is the first and perhaps the most essential thing to go This is a book that lends weight to the ideas that have become dangerously abstract in a society of data bases and car faxes a guide not only to the routes of solitude but to the selves we discover only when we arrive there

Migrations to Solitude Sue Halpern, 1997-11-01 Modernizing Solitude Yoshiaki Furui, 2019-02-05 An innovative and timely examination of the concept of solitude in nineteenth century American literature During the nineteenth century the United States saw radical developments in media and communication that reshaped concepts of spatiality and temporality As the telegraph the postal system and public transportation became commonplace the country achieved a level of connectedness that was never possible before At this level physical isolation no longer equaled psychological separation from the exterior world and as communication networks proliferated being disconnected took on negative cultural connotations Though solitude and the lack thereof is a pressing concern in today's culture of omnipresent digital connectivity Yoshiaki Furui shows that solitude has been a significant preoccupation since the nineteenth century The obsession over solitude is evidenced by many writers of the period with consequences for many basic notions of creativity art and personal and spiritual fulfillment In *Modernizing Solitude: The Networked Individual in Nineteenth Century American Literature* Furui examines among other works Henry David Thoreau's *Walden* Harriet Jacobs's *Incidents in the Life of a Slave Girl* Herman Melville's *Bartleby the Scrivener* Emily Dickinson's poetry and letters and telegraphic literature in the 1870s to identify the virtues and values these writers bestowed upon solitude in a time and place where it was being consistently threatened or devalued Although each writer has a unique way of addressing the theme they all aim to reclaim solitude as a positive productive state of being that is essential to the writing process and personal identity Employing a cross disciplinary approach to understand modern solitude and the resulting literature Furui seeks to historicize solitude by anchoring literary works in this revolutionary yet interim period of American communication history while also applying theoretical insights into the literary analysis *Solitude* Philip Koch, 2015-12-15 In Koch's *Solitude* both solitude and engagement emerge as primary modes of human experience equally essential for human completion This work draws upon the vast corpus of literary reflections on solitude especially Lao Tze Sappho Plotinus Augustine Petrarch Montaigne Goethe Shelley Emerson Thoreau

Whitman and Proust Koch uses the work of philosophers historians and writers as well as texts such as the Bible to show what solitude is and isn't and what being alone can do to and for the individual Interesting for its literary scope and its conclusions about all the good true solitude can bring us Booklist Reading this book is like dipping into many minds fierce and gentle The author reveals his long study of great philosophers and interprets their thoughts through the lens of his own experience with solitude He traces our early brushes with solitude and the fear it can engender then the craving for solitude that comes with full adult lives NAPRA Review

Rooted in Rock Jim Gould,2001-06-01 In the past twenty years the Adirondacks have inspired a resident population of writers who have gained regional and national prominence using the Adirondack region as their primary setting and subject matter or at least as a significant point of departure Rooted in Rock is the first collection of its kind in more than twenty years since Paul Jamieson's Adirondack Reader What makes the volume unique though is the number of contributors who not only make the Adirondacks their subject but who make their homes in these mountains The works in this volume include contemporary essays literary nonfiction poetry short fiction and excerpted fiction and are a mix of new and previously published writings by forty three authors established as well as emerging including Bill McKibben Sue Halpern Russell Banks Alex Schoumatoff Chase Twichell Curt Stager Amy Godine and Jim Gould to name a few

The Insurmountable Darkness of Love Douglas E. Christie,2022 This book is a reflection on the meaning of spiritual darkness especially those difficult places in human experience where meaning seems to elude us where we are emptied out and are compelled to dig deeper into who we truly are Douglas E Christie takes up this facet of experience in ordinary human experience but also in relation to the Christian contemplative and mystical traditions where such experience is often understood to be both painful and transformative allowing the mind and heart to open in love

The Stranger in the Woods Michael Finkel,2018-01-30 NEW YORK TIMES BESTSELLER The remarkable true story of a man who lived alone in the woods of Maine for 27 years making this dream a reality not out of anger at the world but simply because he preferred to live on his own A meditation on solitude wildness and survival The Wall Street Journal In 1986 a shy and intelligent twenty year old named Christopher Knight left his home in Massachusetts drove to Maine and disappeared into the forest He would not have a conversation with another human being until nearly three decades later when he was arrested for stealing food Living in a tent even through brutal winters he had survived by his wits and courage developing ingenious ways to store edibles and water and to avoid freezing to death He broke into nearby cottages for food clothing reading material and other provisions taking only what he needed but terrifying a community never able to solve the mysterious burglaries Based on extensive interviews with Knight himself this is a vividly detailed account of his secluded life why did he leave what did he learn as well as the challenges he has faced since returning to the world It is a gripping story of survival that asks fundamental questions about solitude community and what makes a good life and a deeply moving portrait of a man who was determined to live his own way and succeeded

Restless Souls Leigh Eric Schmidt,2012-09-05 Yoga classes and Zen

meditation New Age retreats and nature mysticism all are part of an ongoing religious experimentation that has surprisingly deep roots in American history Tracing out the country's Transcendentalist and cosmopolitan religious impulses over the last two centuries *Restless Souls* explores America's abiding romance with spirituality as religion's better half Now in its second edition including a new preface Leigh Eric Schmidt's fascinating book provides a rich account of how this open road spirituality developed in American culture in the first place as well as a sweeping survey of the liberal religious movements that touted it and ensured its continued vitality

Abdellah Taïa's Queer Migrations Denis M. Provencher, Siham Bouamer, 2021-06-28 In this first edited collection in English on Abdellah Taïa Denis M Provencher and Siham Bouamer frame the distinctiveness of the Moroccan author's migration by considering current scholarship in French and Francophone studies post colonial studies affect theory queer theory and language and sexuality In contrast to critics that consider Taïa to immigrate and integrate successfully to France as a writer and intellectual Provencher and Bouamer argue that the author's writing is replete with elements of constant migration comings and goings cruel optimism flexible accumulation of language over borders transnational filiations and new forms of belonging and

memory making across time and space At the same time his constantly evolving identity emerges in many non places defined as liminal and border narrative spaces where unexpected and transgressive new forms of belonging emerge without completely shedding shame mourning or melancholy *Wallace Stevens and the Pennsylvania Keystone* Thomas F. Lombardi,1996-03 *Wallace Stevens and the Pennsylvania Keystone* represents the definitive work on origins as they appear in Stevens s poetry Author Thomas Francis Lombardi a poet himself traces Stevens s originary influences place family tradition the feminine ethnic heritage and religious roots against the cosmopolitan influences of Cambridge and New York and demonstrates the extent to which Stevens s formative and early adult years shaped his entire life and influenced the grand sweep of his poetry That influence spread itself across Stevens s entire canon from the early verse through *Harmonium* *Ideas of Order* *Parts of a World* *Notes toward a Supreme Fiction* *Transport to Summer* *The Auroras of Autumn* *The Rock* and finally *Opus Posthumous* Though Lombardi acknowledges the importance of the global presence in Stevens s poetry he argues that the hallmark of the poet s vision is the presence of his Pennsylvania provincialism and the increasing significance he attached to his roots as he grew older Stevens s life epitomized a personal and irresistible rite of passage toward origins a universal odyssey that sensitive people undertake over the course of their lives the ethnocentric pull toward the native experience That attraction to his native soil would inform much of the content of his poetry To this end he wished to be one with his ancestors for the reason of experiencing a sense of identity with the provincial past not in spite of but because of it Without an adequate understanding of this relationship no in depth comprehension of Stevens s poetry seems possible BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Stevens and the Interpersonal** Mark Halliday,2014-07-14 With Wallace Stevens emerging as a father figure for American poetry of the late twentieth century Mark Halliday argues that it is time for this poet of ideas to undergo an ethical critique In this bold accessible reconsideration of Stevens work he insists on the importance of interpersonal relations in any account of human life in the modern world Although Stevens outwardly denies aspects of life that center on such relations as those between friends lovers family members and political constituents Halliday uncovers in his poetry an anxious awareness of the importance of these relations Here we see the difficulties Stevens made for himself in wanting to offer a thoroughly satisfying version of secular spiritual health in the modern world without facing up to the moral and psychological implications of his own interpersonal needs problems and responsibilities The final chapter reveals however an unusually encouraging avuncular attitude toward the reader of the poetry which may be felt to redeem Stevens from the alienation observed earlier Halliday develops his views by way of comparisons between Stevens and other poets especially Thomas Hardy Emily Dickinson Robert Frost and John Ashbery Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable

paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Stopping David Kundtz,1998-01-01 Suggests stopping the practice of doing nothing for a definite period of time as a source of spiritual renewal and means of coping with the stresses of modern life

Four Wings and a Prayer Sue Halpern,2011-04-13 Every autumn the monarch butterflies east of the Rockies migrate from as far north as Canada to Mexico Memory is not their guide no one butterfly makes the round trip but each year somehow find their way to the same fifty acres of forest on the high slopes of Mexico s Neovolcanic Mountains and then make the return trip in the spring In *Four Wings and a Prayer* Sue Halpern sets off on an adventure to delve into the secrets behind this extraordinary phenomenon She visits scientists and butterfly lovers across the country offering a keenly observed portrait of the monarchs migration and of the people for whom they have become a glorious obsession Combining science memoir and travel writing *Four Wings and a Prayer* is an absorbing travelogue and a fascinating meditation on a profound mystery of the natural world

Changed by a Child Barbara Gill,1998-08-17 Raising a child with a disability can often be more isolating and frustrating than any parent ever imagines Finally here is a book that honestly describes the inner needs and range of issues parents with disabled children face *Changed by a Child* invites parents to take a moment for themselves Each of the brief readings offers comfort and hope as they capture the unique challenges and joys of raising a disabled child

Migrations To Solitude Introduction

In the digital age, access to information has become easier than ever before. The ability to download Migrations To Solitude has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Migrations To Solitude has opened up a world of possibilities. Downloading Migrations To Solitude provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources

on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Migrations To Solitude has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Migrations To Solitude. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Migrations To Solitude. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Migrations To Solitude, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Migrations To Solitude has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Migrations To Solitude Books
