You Asked for It!** David Roy Patterson, 2011-03 Adventure mystery imagination immaturity and sometimes just plain ignorance that's what you'll find in this compilation of sixty two short memoirs The stories will take you from the innocent childhood of the author in the 1940s and 50s through the turbulence of school marriage and child rearing in the 60s through the 90s and eventual spiritual maturity of the author in these current days Each memoir though short in words is long in substance usually funny and a life lesson Ten of the stories are in fact near death experiences and examples of how the author lived his life without recognizing the signs that his Lord placed before him Each story stands alone without reference to the others However in whole the stories relate to a complete life change in the author from childhood to adulthood Many people do not pass beyond their first encounter with death some do but are left with scars and memories of their near miss Some people call it luck some call it coincidence and some a guardian angel's protection The author believes that the Lord placed signs before him and still does for everyone These signs are placed so that all will open their hearts and minds to the wondrous power of our Lord Jesus Christ The author is in no way proud of most of his memoirs as most of them occurred due to naivety an over active imagination or stupidity But he is thankful that Jesus has been patient with him through the journey Jesus can save all of us through our journey but it is up to us to accept Him and save our soul David R Patterson born raised and a life time resident of Fort Wayne Indiana has been employed at Murray Equipment Inc since 1968 Dave is a self taught Systems Engineer and Inventor who owes every thing to his Creator who has been very patient with Dave throughout the years All his thoughts and ideas have come from the Lord who allowed him to grow up at a time when he could use his imagination which became his foundation for a tiny spot that he could create and fulfill a need The Lord also introduced Dave to Steve Murray who later became the owner and risk taker of Murray Equipment which Steve built into what it is today a leader in its field of expertise Steve showed confidence in Dave and Dave took it as a challenge to fill this void Cynthia L Patterson Dave's beautiful wife of over forty five years is truly a wife

Sully, 2000-05 Originally I wanted to call this book Prostitution and Gambling in the Animal Kingdom or Selective Listening for Litigation Purposes but I discovered that Clifford Geertz was working on a study with a similar title to the former and Alan Dershowitz had already implicitly written the latter Also I decided that Superficial is not really a book because it's superficial and books should be profound In this which isn't a book there are no chapters no sections no paragraphs no murders and very few sentences Thus by no stretch of my unimpaired imagination is it a book However it is many pages assembled as temporally accurate as possible which convey the thoughts of fourteen of the fifteen guests at Jamie Schliessman's cocktail party **Trudy Hopedale** Jeffrey Frank, 2007-07-17 On the eve of the 2000 election the charmed life of Washington hostess Trudy Hopedale is quietly falling apart Her daytime talk show is about to be hijacked by a younger prettier assistant and then there is the horrifying novel that her husband has written in secret which contains some rather troubling implications for a former Foreign Service colleague And what is her mother in law telling everyone Trudy's dear

friend Donald Frizz has benefited greatly from their friendship A widely recognized expert on the U S vice presidency and a frequent guest on Trudy s program Donald s latest scholarly pursuit is a highly anticipated biography of Garrett Augustus Hobart McKinley s VP Exactly who anticipates this book is hard to say and soon Donald finds himself dodging the awkward questions of plagiarism and his sexuality frequently during the same conversation Amid tides of intrigue and shifting allegiances this little town s extraordinary inhabitants swim helplessly and alarmingly toward their remarkable fates With a bewitching sense of nostalgia Jeffrey Frank has written an exquisitely funny tender and deeply perceptive novel that vividly invokes the simpler world of only yesterday
