My Gift:

It's All About You Dr. Gloria J. Nichols, 2023-02-03 Lord no one loves me like You No one comforts me like You No one shelters me like You There is no one there is no one like You Lord no one can give me peace but You No one can give me hope but You No one can give me strength but You There is no one there is no one like You Lord no one is a friend like You No one could save me from sin but You No one believes in me like You There is no one there is no one like You At some point in life everyone has their faith tested At those times we need hope inspiration and strength The poems in It's All About You spring from such moments in the author's life and offer that much needed encouragement Readers are introduced or re-introduced to God as Creator Jesus Christ as King of Kings and Lord of Lords the Holy Spirit and given guidance on how to live a spirit filled life Poems address topics that affect us all such as relationships and self worth death and grief victories and defeats It's All About You is intended for a young adult and adult Christian readership **Permission** S D.

Chrostowska, 2013-07-02 Consisting of anonymous e-mail messages sent by the author to an acclaimed visual artist over the course of a year Permission is the record of an experiment an attempt to forge a connection with a stranger through the writing of a book and thus a search for fellowship in solitude as well as a testimony to the isolating effects and creative possibilities of the digital age With reveries touching upon the insipid landscape of post Cold War Poland the elongated shadows of the Holocaust and the narrator's safe passage to America Permission not only updates the epistolary novel for our time by embracing the permissiveness we associate with digital communication it opens up a new literary frontier **THE**

FIRST 34 Alicia Caldwell, 2010-03-31 To say that this book is the culmination of a dream seems so cliché but it's true When I learned the definition of the word posthumous and then correlated that to my own works I was determined to do something with them Even if by non traditional methods and even if I don't end up as the next Maya Angelou I wanted to share this thing inside of me with someone And whether to accolades or boos and hisses I will still say Thank God for the gift and the courage to share it

Spiritual Gifts Charles Elias Mahlangu, 2016-10-28 In Spiritual gifts Church Under Siege This book is part of a 3 book series Charles laments over how ministry gifts which were intended to prepare saints have been woefully neglected He argues that believers are granted abilities and leaders are needed who are willing to invest in them He moans that those with ministry gifts of the Lord Jesus Christ have behaved as if they are not committed to training individual believers The Black pulpit has ignored the pews in the department of gift identification and developing He pleads with the leaders as ministers of the Lord Jesus Christ to fulfil the number one functional dynamic in this life In Your Gift from God the Holy Spirit Matters Book 1 Charles takes the reader on a hunt to explore how the individual believer is granted a supernatural gift He persuades and convinces the believer to discover his individual strategic gifting He defines and illustrates the gifts and tackles the controversial Charles says Ministry gifts were given to prepare the saints for the work of service and not to do the work of the ministry He shows how Pentecostal Evangelicals Charismatic Evangelicals and

God of Becoming and Relationship Rabbi Bradley Shavit Artson, DHL,2013-10-10 You no longer have to choose between what you know and what you believe an accessible introduction to a theological game changer I wrote this book for you if you want to be able to locate your life in a single encompassing story one that includes everything from the first moment the universe began until yesterday a narrative that embraces deepest personal meaning a yearning to love and be loved a quest for social justice and compassion from the Introduction Much of what you were told you should believe when you were younger forces you to choose between your spirit and your intellect between science and religion between morality and dogma unchanging laws of nature vs miracles that sound magical a good God vs the tragedies that strike all living creatures a God who knows the future absolutely vs an open future that you help to shape through your choices This fascinating introduction to Process Theology from a Jewish perspective shows that these are false choices Inspiring speaker spiritual leader and philosopher Rabbi Bradley Shavit Artson presents an overview of what Process Theology is and what it can mean for your spiritual life He explains how Process Theology can break you free from the strictures of ancient Greek and medieval European philosophy allowing you to see all creation not as this or that us or them but as related patterns of energy through which we connect to everything Armed with Process insights and tools you can break free from outdated religious dichotomies and affirm that your religiosity your spirit your mind and your ethics all strengthen and refine each other

Woody and Me Jo R. Hall PhD,2013-04-08 If your best friends deepest secret was a deep internal struggle between good and evil could you keep that secret from everyone for decades Elizabeth has done just that for her friend Woody She knows of

his past about his drunk and abusive mother. She knows Woody was raised to subdue all emotion into numbness. He wants to be normal but he fears he may become a serial killer or that someone else will discover his secret. Woody finds a place to express his bloodlust in the US Navy during the early years of the Vietnam conflict. Once back to civilian life, though he has trouble adjusting to the idea that murder is no longer his duty, outside the military, murder is a crime. He still longs for revenge on his childhood torturers but he knows that by hunting them by killing them, he will be just like them. Through these internal battles, Elizabeth is always there, keeping the truth of Woody's past and present fantasies a secret. Together they share details of their own personal defects and romantic relationships. Their friendship keeps Woody from becoming a monster but how long will Elizabeth be able to calm Woody's demons without awakening some of her own. **Soul Rubs**

Rouzier Dorcé Jr., 2024-10-28 **Soul Rubs** will make a lasting impression on the reader. The author Rouzier Dorce does more than merely preach the sacred virtues of faith, forgiveness, charity, hope, gratitude, or peace. Rather, he extols those principles through effective and poignant storytelling. Rouzier's life experiences are told through those who impacted that journey. The stories in **Soul Rubs** provide clear examples of virtues with God's awesome presence. They speak of a boy who served angel duty when his grandfather passed away while resting on his chest. They tell the story of a mother who taught the merits of charity, hope, and faith through example. They also speak through these tales to the rich heritage of Haitian culture and of a people who continue to live hope-fueled lives. Amid times of aridity and disenchantment, **Soul Rubs** exudes the true spirit of hope and faith and restores a commitment to those theological virtues. **A Life Among Others** Adeline

Morizot-Delahaye, 2016-12-16 After graduating in Finances in a Business School in Paris, I worked in a large company until 2015. At the end of 2014, a divine intervention reconnected me to the invisible world. Since then, I get to access my past lives and the invisible world thanks to signs and intuition. In this book, I share what I learned while discovering a wonderful and magic world which is ours. My past lives as famous figures from our history help me understand that if we pay attention to signs, our lives are intimately linked to others. Moreover, we live in a world perfectly arranged; we are guided by beings from the invisible world. We all have access to that. We hold treasures within us.
