My Hometown Burley Idaho:

My Hometown Robert Bailey Lee Carmody, 2004-11 There are fundamental problems with the official version of ancient history Why are Bible scholars unable to find any evidence of the Exodus and why is it that the annals of Israel nowhere resemble those of Egypt Because historians look in the wrong place If we look for New York on the West Coast we end up with a distorted picture That is what happened to Egyptology Pharaohs dynasties and even kingdoms were assigned places where they do not belong A number of scholars came to realize that ancient history is in dire need of revision The reconstructed version of history drastically relocates Pharaohs to their proper places and all of a sudden Old Testament history rings true Add to this important archaeological finds such as the location of the real Mt Sinai still intact and we arrive at an astounding conclusion The fantastic stories of the Exodus and the events surrounding the giving of the law at Mount Horeb are true It really happened What caused these unusual events There is a controversial theory that may or may not be true it involved a cosmic catastrophe This combined with strange natural occurrences during the reigns of the Judean Kings is the background of this book It deals with the message of the Bible redemption and a possible solution to baffling historical puzzles The theory of cosmic catastrophes may be difficult to accept but it is worthy of consideration Life Is an Adventure Beth Dayley, 2025-07-26 Life Is an Adventure illustrates eighty years of adventure in a memoir by Beth Dayley Her memoir shows her endeavors to live life to the fullest wherever she lived whether on the Big Island in Hawaii in the 1970s in Southern Alabama at the army aviation center in the 1980s or learning a foreign language in Northern Italy during the Cold War where her husband served as the operations officer for Southern European Task Force everything military south of the Alps Whether exploring ancient cliff dwellings in Eastern Utah as a child to being a teen during the 60s to being a cultural outcast when her husband served two tours of Vietnam to finding her teenage son who had hopped a train by himself when they lived in Italy Dayley has always kept her head on straight and laughed at life as she negotiated the journey of life Whether driving through the rain across Europe to graduate from the University of Maryland Global Division at the University of Heidelberg during its four hundredth anniversary to driving in Los Angeles traffic when her husband received a lung transplant at Cedar Sinai Hospital life has always been full of surprises Hearings United States.
